BAR TO AID R. O. GRAVES

Adopts Resolution of Confidence—Brown Issues I. W. W. Subpoenas.

Coquille, Or., Sept. 16.—At a meeting of the Coos County Bar Association here yesterday, resolutions of confidence in Robert O. Graves, the Marshfield lawyer, who was indicted by the Oregon Supreme Court for disbarment for alleged participation in the Dr. Leach deportation, were adopted. Graves is being cited on charges made by C. H. McLaughlin of Marshfield.

Besides adopting the resolution of confidence, the Bar Association also pledged any member whom Mr. Graves might designate to defend him in the disbarment proceedings.

Subpoenas were also issued, it was announced, by District Attorney Brown for Dr. Leach, Secretary Edgeworth and other I. W. W. members who were deported, to appear before the Coos County grand jury could tell what they knew about it. Mr. Brown issued the subpoenas in response to telegraphic instructions from Governor West.

There was much discussion around the Courthouse as to the right to issue subpoenas for these men after the Grand Jury had voted not to incur the expense of subpoenaing them. Some declared that the District Attorney was authorized by law to issue subpoenas only for such witnesses as the grand jury might wish to have brought before them. Ordinarily the grand jury is willing to have whoever the prosecuting attorney wants but in this case they had specifically decided not to issue the subpoena. What the grand jurors will say on their return here Thursday is a question.

County Judge John F. Hall who is here from Marshfield is said to have expressed himself rather vigorously as opposed to the big bill of expense that Governor West is creating for Coos county in the I. W. W. matter and especially in connection with Leach. It may be that the county court will turn down the bill of Leach and others for expenses and fees on the subpoenas.

Judge Hall declared that the county court would not appropriate any money for the expenses of a body guard for Dr. Leach from Portland here.—Coos Bay Times.

Along the Water Front.

The Fishland arrived at midnight with 100 tons of freight and the following passengers: J. P. Furhman and wife, Mrs. M. M. Stott, C. L. Carson, G. B. Stevens, Mrs. J. Olsen and child, Clara Clark, Miss Clark, J. J. Aggeler, F. M. Cook, Miss Gillispie, C. W. Holms, D. R. Place, F. J. Whaton.

The Brooklyn sailed Tuesday with 37,000 feet of lumber and the following passengers: G. P. Kalenger, Gregory, Harry Chard, H. W. Mattley, M. Condon, M. Gehrman, Rasor Bros., Burge, Robt. McKenzie and wife, Sieto Bacorini, Jose Cassani, Gianni Leda, B. Reglato, J. Vanotti, F. Fern.

The Tillamook arrived Tuesday with 135 tons of freight and sailed gain Wednesday with 20 tons of eight, going via Port Orford to ke on a load of ties.

The Elizabeth left San Francisco last night and will probably arrive here Sunday morning and sail again Monday evening.

Peaches Shipped by Mail.

Grants Pass, Sept. 15.—The parcel post is proving a great boon to the fruit growers of this section. Every evening of late there has been a truck load of peaches and tomatoes mailed out of Grants Pass, most of the fruit going to Marshfield. The boxes of fruit or vegetables weigh 20 pounds the postage being 20 cents. The produce has to be conveyed the greater part of the way by stage and so far all of it has reached its destination in good condition. Heretofore, owing to the long distance produce has to go by stage, the freight or express charges made the shipments prohibitive, but the parcel post has solved the problem. These shipments attract considerable attention each evening, as the postal clerks have to cancel the stamps on the boxes by hand.

CITY COUNCIL PROCEEDING

The city council met in regular session Wednesday night all the members present.

A number of ordinances were passed, including an ordinance for the improvement of Jackson Ave. and one for the improvement of 7th St. West, between the east line and west line of Jackson Ave.

An ordinance was passed providing for the vacating of a portion of the south side of old Atwater Street, now Secoo Street East.

The council also passed the city engineer's specifications providing for a sewer along Franklin Ave. and extending into several of the cross streets in that section.

G. A. R. and W. R. C. Reunion.

Last Tuesday the Charm, on its morning trip to Coquille bore a merry crowd of G. A. R. people who in response to an invitation from Coquille W. R. C. were bound for the city for their annual reunion. Old Glory was floating to the breeze, song and laughter prevailed, and spirits were aroused for any adventure awaiting them.

On arrival a small scouting party commanded by Lee, not Robt. E. but Mary Jane, were taking in the sights when they captured, by stratagem, the key of the city.

At this juncture the president of the Coquille Corps appeared and by great force and valorous maneuvering recaptured the golden treasure. Taps sounded for refreshment and victor and vanquished with other guests, enjoyed alike a princely dinner.

Order at last prevailed and Mrs. Rutledge, president of Coquille Corps made the opening address closing her speech by presenting the key of the city to Mrs. Faulds, president of Bandon W. R. C. who responded giving due praise to the city and region of which she was the proud owner of the key to its wonderful resources, and calling T. T. Allen commander of Bandon Post to the platform to assist in unlocking the portal of wealth and patriotism. At this the gate swung wide and we told it all in song and story. We will not name all the actors in this impromptu but excellent program and only conclude by saying that one, Mrs. A. M. Tucker proclaimed in a neat little speech that "All is fair in love and war" and even a Relief Corps president may be unfairly fair before fare, but fairly fair to a fairly vanquished foe who was a fair and honored guest to the fairest order of fair and noble women.—Press Cor. of Bandon, W. R. C. (Coquille papers please copy.)

ENJOIN LEAGUE BALL MONEY

Bandon Management Takes Action Against Pres. Kern.

J. T. Sullivan, Clayton E. Meade and R. E. L. Bedillion have brought action in the circuit court restraining President Henry Kern of the Coos County Base Ball League from paying the \$150 pennant money to any other team than Bandon where it rightly belongs.

President Kern refused to turn the money over to Bandon and in fact declared the money, pennant and all forfeited, because, as he claimed, Bandon had played more imported men than had been agreed upon. [This however, has never been proven, as Bandon was never given a hearing and it has never been shown that we played more imported men than our quota. The fact is, that Bandon is the only town in the county that has supported a base ball team this year. The other towns, being cheaper sports, have imported men, given them jobs at other work and then called them local men, when in reality they were imported men.]

President Kern declared several of Bandon's victories forfeited, without giving our boys a hearing, which is considered a very irregular proceeding, and before Bandon is going to see her rightful belongings taken away, the home management will fight it through the courts.

HENEY WOULD BE SENATOR

Los Angeles Sept. 17.—Francis J. Heney has announced his candidacy for the United States senate to succeed George C. Perkins, whose term expires March 4, 1915. Heney became known on the Pacific coast through his successful prosecution in San Francisco. He is a progressive and an ardent supporter of Governor Johnson.

SOCIALISTS CONVERTED

C. H. McLaughlin, Andrew Storgard, W. J. Ritz and other well-known Marshfield Socialists appeared before City Recorder Butler yesterday and registered as Democrats. The action has caused considerable talk. G. A. Bennett, Dr. Taggart and some of the local Democrats objecting to McLaughlin being registered with their party.—Coos Bay Times.

Two Arrested in Coquille.

Coquille, Or., Sept. 16.—Two young women were arrested here last night by the City Marshal after they had been marching up and down in front of the hotel, flirting with the customers and making "goo goo" eyes at them. One of them is said to be a Coquille girl and the other a recent arrival. Their names were not given out.

Jas. P. Olsen was up from Langlois on business Tuesday,

ROUND UP NEXT SUNDAY

Will be Treat For Those Who Enjoy Wild West Features

Round up sports of the best kind will be given at the ball park on next Sunday afternoon. There will be horse bucking. Some hard bucking horses have been obtained for the contests. There will be bull riding, cowboy horse races, including novelty races such as the three change race, potato race, relay etc. Exhibitions of lassoing. The drunken ride etc.

A full afternoon of cowboy sports, Sid Steele the most noted of all western rough riders, Curly Blanchard the winner of many prizes for horse bucking, Albert Parman who won the saddle at Myrtle Point and some half dozen other expert rough riders will take part.

One of the features of the afternoon's sports will be a tug of war on horseback. The exhibition will be under the management of G. A. Parman and Sid Steele. Mr. Steele has ridden at Pendleton and Prineville where he won first honors the rough riders have with them the stock necessary for a first class exhibition. Cowboy sports of the kind the rough riders will put on at the ball park on Sunday are exciting and interesting and the event is sure to draw a big crowd.

COMMERCIAL CLUB TONIGHT

The Bandon Commercial Club will meet in Commercial Club Hall tonight and as there is business of importance to come before the club every member should be present.

The Commercial Club is a most important factor in the building up of the town and every citizen should take an interest in it.

ANOTHER AUTO LINE STARTED

O. A. Chamberlin has established an auto line between Bandon and the Lyons-Johnson mill and will run cars at intervals of about every hour and a half from 6:30 a. m. until 10 p. m. Mr. Chamberlin has the big Packard car, formerly owned by Clint Malehorn, and has the car in first class condition. The fare will be 15 cents, and Mr. Chamberlin will no doubt pick up a good business.

In a Pathe Weekly run at the Grand last night, "Skinny" Meyers formerly with the Bandon baseball team, but now with the Boston Nationals, was seen to good effect in the opening game with the Giants of New York. Meyers made a base hit with three men on bases and brought in two of them. Several fans happened to be at the show and recognized Meyers at once.—Marshfield Record.

I. W. W. Convention.

Chicago, Sept. 15.—Fifty delegates declaring they represented a vast army of unskilled workmen, attended the opening of the annual convention of the Industrial Workers of the World here today. The delegates listened to Tom Mann, English labor leader, criticize Samuel Gompers, president of the American Federation of Labor. "Gompers is a pure reactionary," he said, "and has got far away from a sympathetic understanding of the needs of the great army of borne-down, unskilled laborers."

"He virtually is at the head of the American 'labor trust.' Instead of welcoming into its membership all who need the benefits of organization, the 'labor trust' draws a sharp line, excluding the unskilled."

CELEBRATES ROAD COMING

Eugene, Or., Sept. 15.—The first passenger train over the new Willamette Pacific railway carried 1150 people from Eugene and Springfield to Noti yesterday. Of these 800 were from Eugene and 350 from Springfield, the people of the latter city occupying one of the two sections in which the train was run. Aside from these excursions a large number motored out from Eugene and hundreds of farmers and their families drove to Noti to enjoy the celebration, which was held by the people of the village to mark the completion of the long tunnel a short distance beyond. The day was spent in various ways, horse racing, a baseball game and a basket picnic being the principal amusements. Prominent men of Eugene and Springfield gave addresses. The Willamette-Pacific team won the ball game, score 9 to 2.

The Worm Turns.

New York, Sept. 15. A trip through the shops of Broadway and Fifth avenue today blasted all criticism that men have put forth as to women's clothes. The display of fall styles for the male of the species was enough to forecast an appeal for a truce on the dress argument. Here are a few of the things the fashionable man will wear:

Plush hat in olive, sable or green shades with a band of pleated silk. The more daring may wear a leather of red or green. Stocks, contrasting in color with the shirt, or a black plush tie with an inset piece of contrasting silk. Brilliant yellows are displayed.

Waistcoats are of brocaded velvet and plush.

In case the plush colored hat does not appeal, there is the alternative of a derby with a cut-steel buckle in the service.

Lastly, the real swagger middle-aged man, whose chest has apparently slipped down to his waist line, will don a straight front corset.

Hizz Fun Makers.

This popular company are evidently pleasing the Bandon public, judging from the continued increase of their audiences.

It is evident from the high recommendations given this company by the people and press of Langlois, Port Orford, Gold Beach, Crescent City, and Eureka that the affair is pleasing from an entertainment standpoint, and the lectures are of a beneficial and instructive nature, but it is evident that the medicine and the manner in which it is recommended is straightforward and honest.

VICTORY FOR HARRY THAW

Judge Can See No Law That Covers Extradition of Thaw.

Littleton, N. H. Sept. 16.—Harry K. Thaw, fugitive from Matteawan, won a victory in the United States District Court here today when Judge Aldrich indefinitely suspended a hearing on a writ of habeas corpus, obtained by the Thaw lawyers. This means that Thaw will have a Federal writ to check his immediate return to New York State in the event Governor Felker orders his extradition after the hearing to be held at Concord.

In an open discussion with William Travers Jerome after announcing the suspension of the hearing, Judge Aldrich said that search of the statutes had failed to reveal to him any law under which a man in Thaw's position, a lunatic charged with a crime, could be extradited.

Jerome specially deputized to bring about Thaw's return to the asylum, tried to block the postponement on the ground that the writ had been obtained as a matter of expediency. He produced an affidavit from a newspaper man quoting Thaw's counsel as saying this, but he was unwilling to press the matter after counsel for Thaw had assured the court that the application for the writ had been entirely regular.

"What do you propose to do then?" insisted the judge.

Jerome hesitated.

"The immediate question," continued the court, "is whether the proceedings shall go on or be suspended. It is the judgement of the court that a suspension would not menace the interests of either side, and in view of the fact that the governor hesitates to proceed with the extradition hearing under the status of this matter is assured, I suspend it. It is not adjourned, but suspended, and I suggest that either side notify me within six days when they are prepared to go on with it."

Thaw sat with his eyes riveted on the court. His lawyers were grinning. He was remanded back to the joint custody of Sheriff Drew of Coos county, who arrested him after his recent deportation from Canada and United States Marshal Nute.

Counsel for both sides, after talking the governor by telephone, agreed that the extradition hearing would not be held until Tuesday, September 23. The lawyers then went into conference to decide where to hold Thaw meanwhile.

Crowds, packing Main street in front of the court building, cheered Thaw as he was driven to a hotel for dinner.

WILL OPEN FIRST ST.

At a special meeting of the City Council last night all preparations for the opening of First Street were completed and the K. of P. Lodge, and Arthur Ellingson will be notified at once that they can move their buildings. The ordinance carries the emergency clause and it is probable that actual work will be in progress within the next six weeks.
