

## RAILROADS TAKE TOLL

Accidents Reported For Eleven Months Were All on Principal Roads

The toll of life incident to railroad operation in Oregon continues large in spite of the "safer first" movement among railroad employees and efforts to protect the public. Reports received by the state railroad commission for the 11 months ending Nov. 1 show that on 9 of the principal railroads in the state 74 persons were killed and 422 were injured more or less seriously.

These reports show that on the O-W-R-N, 18 persons were killed and 89 injured during this period of time. On the Southern Pacific 23 were killed and 151 were injured. On the S. P. and S., 5 were killed and 32 were injured. On the Portland railway, Light and Power company, 16 were killed and 18 were injured.

On the United Railway, 4 were killed and 18 injured. On the Oregon Electric, 5 were killed and 50 injured. More were killed on the Portland, Eugene and Eastern, but 35 were injured, and 22 were injured on the Pacific Railway and Navigation company's coast. On the Oregon Short line, 3 were killed and 7 injured.

On 10 of the smaller roads, aggregating 162 miles of road in operation, not a single accident was reported. These were the central R. R. of Oregon, the Great Southern R. R., the Great Northern, which has only 10 miles of line in this state, Mount Hood R. R., Nevada-California-Oregon, Pacific and Eastern, Rogue River Valley, Willamette Valley and Coast R. R., Portland and Southwestern, Clatskanie and Nehalem.

### Oregon News.

Widespread observance of apple day, November 18, is expected to give the Oregon apple one of the greatest bits of advertising it has ever received. Apples and apple dishes will be served in hotels and restaurants all over the United States. Scores of menus and promises of co-operation have been received at the Portland Commercial Club, even far away Alaska having fallen in line, and newspapers all over the country are boosting the matter along.

Eight pigs, six months, 1632 pounds, \$123.00. This is a condensed story of what has been accomplished by a farmer at Independence, Oregon, who recently hauled his pork to market and disposed of it. Each hog was six months old and averaged 204 pounds, making an average value of \$15.38 a head, or \$2.56 per month per hog. "Never let your pigs make hogs of themselves," is the advice of a prominent farm expert in urging farmers to hurry the growth of their pigs and getting them to market when from 6 to 9 months old.

Of great interest to every section of the great Columbia basin is the announcement, made by James J. Hill himself within the past week, that a new line of steamers will be put in operation between the mouth of the river and California points within the next fifteen months. Two fine combination freight and passenger steamers are now being built at Philadelphia, and it is said they will be the fastest vessels ever sailed under the American flag. Each will have capacity for 800 passengers and 1,500 tons of freight, and they are expected to beat the present best railroad time between Portland and San Francisco by four hours.

### BLUNDERS OF ARTISTS.

Serious Examples in the Dome of the National Capitol.

In the dome of the capitol at Washington there are eight great paintings carefully designed and executed by the artists for the adornment of the nation's greatest building. Yet five of them are either defective in technique or in error as to natural or historical facts.

One of the best known pictures is that in which Washington is shown resigning his commission to the Continental congress. There are two young girls, almost life size, standing in the foreground. They are very pretty young girls, but one of them has three hands. One left hand rests on the shoulder of her companion; another left hand is round her companion's waist. Doubtless the artist Trumbull painted both hands to see which pose he preferred and then forgot to paint out the superfluous hand.

Diagonally across the rotunda is the painting of the baptism of Pocahontas. Sitting in the foreground is Opechancanough, the uncle of Pocahontas. He is barefooted, and the artist has given him six toes on his left foot.

In the painting of the landing of Columbus, which used to be reproduced on the five dollar banknote, the artist has painted three flags. They are very well drawn, but one is blowing east, one west and one south, which indicates a very variable condition of the wind on that famous day.

In the picture of the surrender of Cornwallis General Washington is conspicuously seated upon a white horse. But General Washington was not present at the surrender. Cornwallis did not surrender his army in person, but sent a subordinate officer to do so. Accordingly Washington detailed an officer of corresponding rank to receive the surrender. It would have been a Washington.

### The Junction.

"Now, Thomas," asked the teacher of a small pupil, "can you tell me what a junction is?"

"Sure I can. A junction is a place where a railroad gets a divorce from itself."—New York Globe.

### "Clean Up the Bowels and Keep Them Clean"

There are many remedies to be had for constipation, but the difficulty is to procure one that acts without violence. A remedy that does not perform by force what should be accomplished by persuasion is Dr. Miles' Laxative Tablets. After using them, Mr. N. A. Waddell, 315 Washington St., Waco, Tex., says:

"Almost all my life I have been troubled with constipation, and have tried many remedies, all of which seemed to cause pain without giving much relief. I finally tried Dr. Miles' Laxative Tablets and found them excellent. Their action is pleasant and mild, and their chocolate taste makes them easy to take. I am more than glad to recommend them."

"Clean up the bowels and keep them clean" is the advice of all physicians, because they realize the danger resulting from habitual constipation. Do not delay too long, but begin proper curative measures. Dr. Miles' Laxative Tablets are a new remedy for this old complaint, and a great improvement over the cathartics you have been using in the past. They taste like candy and work like a charm. A trial will convince you.

Dr. Miles' Laxative Tablets are sold by all druggists, at 25 cents a box containing 25 doses. If not found satisfactory after trial, return the box to your druggist and he will return your money. Dr. Miles Medical Co., Elkhart, Ind.
