Talk About Solid Comfort!

You just want to get one of our DICTATOR cigars between your teeth and light it. There may be other cigars as good as the DICTATOR but they will cost you more money than you may care to pay. The price of the DICTATOR is only 10c and when you have smoked one you'll wonder how it can be so little.

In New Location.

Sabro Bros. manufacturing jewelers have moved into their new location in the new Lowe Building, and will have one of the finest locations for a jewelry store in Coos county. They are somewhat handicapped yet, owing to the fact that the plate glass for the front did not arrive on the Tillamook as it was supposed to do, and they had to board up the front temporarily, but when all is completed it will be fine.

In the front is a fine large room for display of jewelry, while in the rear is an exceptionally large room which will be used for work shop and a partition will be put through the center so that half of the rear will be used as a music room to display their large stock of Victor Victrolas.

TRADERS EXCHANGE.

We have lots, and real estate, and lots of bargains on display and listed. But the big one for this week, for the person that has the money, is a man's overcoat, black Alaskan mink Otter collar and cuffs, breast measure 44 inches, length 50 inches. The value is over \$800.00 it can be got for \$300.00. There is more than enough fur to make 2 full sets of ladies furs. Furs of this class are as good an investment as diamonds. If you are going outside you can make 100 per cent on this bargain.

A Word About Our Clothes Service

Here's what we're aiming at---to sell clothes that fit and that become the man who buys them,---to sell clothes that are so much better than ordinary clothes that every customer becomes a friend,---to sell clothes on a smaller margin of profit than is customary, knowing that the man who buys one suit from us will come back for many another.

In a word---to build up a reputation in the present that shall mean an ever increasing business in the future.

R. P. Hunt and family have moved to Bandon from New Lake and are occupying F. J. Chatburn's house in east Bandon.

Geo. Locke superintendent of the Geo. W. Moore Mill, who fell some time ago and hurt himself, is able to be about again, and will probably be ready for duty again in a short time.

The Coos Bay Times says that L. R. Tower was over to Bandon some time ago and sold two Buicks, one to Dr. Maun and the other to A. G. Hoyt, but the Times was mistaken as the cars were sold by M. D. Sherard, the local agent, who is always wide awake. By the way it might be added that "Frosty" is getting along scrupulously learning to drive his new car. He will be a first class chauffeur in a short time.
