People Want Their \$35.

Washington, Jan. 10.—Hundreds of letters have poured into the treasury from persons in many parts of the country who have gained the impression that there is \$35.00 waiting for the asking, because the monthly circulation statement of the department announced this to be the per capita circulation. The letters came so frequently that Treasurer Burke today issued the following statement, which has been printed and sent to all inquirers:
 "There is no truth in the statement that a certain amount is due from the department to every man, woman and child in the country."
 "The statement prepared by the department is to the effect that if the money in the country were equally distributed each one would be in possession of that amount."

Dr. C. F. Hodge will be in Bandon in the near future to speak in the University Extension Course. The lecture will be under the auspices of the Bandon Public Library, and date and place will be announced later.

C. B. Zeek has furnished and unfurnished modern houses for rent on Pacific Ave. 3 furnished rooms on Franklin Ave, 1 large unfurnished house, modern, near ball grounds also some bargains in lots close in.

Forest Notes.

A rancher has applied for the rental of 320 acres on the Pike national forest, Colorado, to be used in connection with other private land, for raising elk as a commercial venture.
 The government has just sold 43,000 cords of cedar wood for shingles from the Washington national forest. The shingles manufactured from this wood, laid six inches to the weather, would cover 2 1/2 square miles of roof.
 The navy department has asked the forest service to investigate guijo, a Philippine wood, for possible use in decking boats and ships. Langleaf pine, sugar maple, and beech are the domestic woods most used for decks.

Special Notice

In the announcements of the night school that have been circulated, somehow the course in business arithmetic was omitted, which it was intended should be one of the main courses of the school. In the course special attention will be to application of percentage, interest, discounts, partial payments, bills, accounts and partnership. Also the work of figuring lumber, plastering, excavation for cellars, ditches etc., will be taken up.
 Everybody interested in this course should see Professor Hopkins at the High School building.

Notice to Tax Payers.

Taxes for the year 1913, will be due and payable Jan. 15th 1914. If not paid by the 1st of April, one percent a month for every month thereafter will be added until Sept. 1st when 10 per cent penalty will also be added. No rebate allowed. Tax bills will be mailed upon receipt of description of property on which you desire to pay taxes.—T. M. Dimmick, County Treasurer 314

Douglas Coal Fields Prove to Be Stone.

A Roseburg dispatch says: That the extensive deposit of supposed anthracite coal which covers about 3000 acres and was recently filed upon by 20 men, is not coal but a "worthless volcanic lava" or volcanic glass" is the assertion of Professor Ira A. Williams, of the Oregon bureau of mines and geology, in a lengthy report made to the Roseburg Commercial Club. Professor Williams twice visited the reported big coal discovery, which is located on the north Umpqua river above Glide. He believes the fillings were made in good faith, but his conclusion is that the time and money being spent to develop the claims there is being wasted. The men working there declare a portion of the product it coal and will burn.

G. A. R. and W. R. C. Install

The joint installation of the officers of Bandon Post No. 56 G. A. R. and W. R. C. No. 40 occurred at the G. A. R. Hall Saturday Jan. 10, 1914. The ladies installing the following officers at 11:00 a. m. Mrs. Fannie Sumner being the installing officer for the W. R. C. Pres, Lulu Fish; S. V. P. Louise Allen; Sec. Blanche Faulds; treas. Elva Miller; chap. Edith Carpenter; Past Inst. Deborah Young; Con. Matilda Duncan, guard, Anke Nelson, asst. Con. A. M. Tucker; asst. guard, Mary Hurst; press cor. Hattie A. Tyler; musician, Laura Logan; C. B. No. 1. Fannie Hufford; C. B. No. 2. Viola Rosa; C. B. No. 3. Anna Sherrard; C. B. No. 4. Ada Still.

Following this we were ably conducted down stairs by Mrs. Faulds the retiring president, marching in couples to music with Miss Florence Fish at the organ, where we were seated at four large tables well filled with all the good things that go to make up a chicken dinner.

On the first table was placed the loving cup won by the Corps at the White Cedar Carnival. From this cup were red, white and blue ribbons attached to cards leading to each plate bearing the different toasts for the occasion. At this table were seated Rev. C. Mayne Knight, pastor of the M. E. church, accom-

panied by Miss Rose Hollingworth of Newberg, J. W. Felter and Mrs. Leila Fish, in coming command and president, also senior vice and each order and installing officers Mr. and Mrs. Sumner.

At the next table were seated the remaining officers of the orders and a right jolly crowd they were. At the third table presided over by Mrs. Zeek were up river guests and husbands of W. R. C. members, whose merriment seemed tempered by a decorum which plainly said they wished to come again. At the fourth table remaining members and some guests making a total of 60 people.

According to orders from the president we were obliged to sit till the four-color bearers who were seated at four corners of the tables were ready to lead off (which by the way was some time) however as all things agreeable, or not, come to an end they finally arose and headed the procession up stairs where the Post proceeded to install their officers for the coming year as follows:

Commander J. W. Felter; S. V. C. R. F. Shannon; J. V. T. T. Allen; adj. C. B. Zeek; O. M. A. Faulds; Chap. A. M. Sumner; past inst. R. H. Rosa; O. D. W. Kennedy; O. G. M. Rowan; Serg. Maj. F. M. Sandelin; Q. M. Serg. A. B. Tyler; delegate, C. A. Rodger;—Hattie A. Tyler, Press C.
