A Misunderstanding

E. Lewin who was allowed \$50.00 by the council to repair the beach sidewalk and keep the same in repair for two years states that there seems to be a misunderstanding about the proposition as the \$50.00 will not even do the first work. He has called on some with a subscription list asking aid and they have told him they understood the \$50.00 was to compensate him entirely, which, however, anyone can see after reflection that it would not.

Mr. Lewin desires that that this statement be made so that people will not think he is trying to graft them when he asks for help. The \$50 will not pay for the work of fixing up the walk this time say nothing about the upkeep hereafter.

Talk About Solid Comfort!

You just want to get one of our DICTATOR cigars between your teeth and light it. There may be other cigars as good as the DICTATOR but they will cost you more money than you may care to pay. The price of the DICTATOR is only 10c and when you have smoked one you'll wonder how it can be so little.
