"Clean Up the Bowels and Keep Them Clean"

There are many remedies to be
had for constipation, but the diffi-
culty is to procure one that acts
without violence. A remedy that

does not perform
by force what
should be accom-
plished by persua-
sion is Dr. Miles'
Laxative Tablets.
After using them,
Mr. N. A. Waddell,
315 Washington
St., Waco, Tex.,
says:

"Almost all my
life I have been
troubled with constipation, and have
tried many remedies, all of which
seemed to cause pain without giving
much relief. I finally tried Dr. Miles'
Laxative Tablets and found them ex-
cellent. Their action is pleasant and
mild, and their chocolate taste makes
them easy to take. I am more than
glad to recommend them."

"Clean up the bowels and keep
them clean," is the advice of all
physicians, because they realize the
danger resulting from habitual con-
stipation. Do not delay too long,
but begin proper curative measures.

Dr. Miles' Laxative Tablets are a
new remedy for this old complaint,
and a great improvement over the
cathartics you have been using in
the past. They taste like candy
and work like a charm. A trial
will convince you.

Dr. Miles' Laxative Tablets are
sold by all druggists, at 25 cents
a box containing 25 doses. If not
found satisfactory after trial, re-
turn the box to your druggist and
he will return your money. 12
