"ROLLING IN WEALTH"

is not the lot of many women, even in these prosperous times; but a competence will come to most who bank their savings, especially when interest is added, as is the case with our depositors. We accept deposits as small as one dollar, and pay interest thereon at the rate of four per cent. It won't be a year hence when you will thank us for telling you this if you decide to get a bank book here today.

REBEL HAYWOOD IS FAST LOSING POWER

Webster, Mass., April 27.—Sixteen members of the Webster branch of the Industrial Workers of the World at a meeting quit because of the recent speech by William D. Haywood predicting a general strike in case of war. All are Polish, but swore allegiance to the United States and offered to go to Mexico as volunteers if needed.

INJUNCTION AGAINST OREGON AVE. IMPROVEMENT.

Attorney G. T. Treadgold has secured an injunction in the Oregon Avenue case, restraining the city from doing any further work on the street until after the case is tried, May 12th.

REVIVAL NOTES.

Evangelist Thomas had the largest hearing Sunday night that he has had and his sermon on "The Auction of a Soul" was very impressive indeed.

The interest on the part of those who have been attending is well sustained and many who have been full of criticism of the methods used are beginning to realize that the heart of the evangelist is in the right place and that some surgery was needed.

The meetings here are attracting attention at the county-seat, and a boat has been chartered for Friday evening so that a number of the Christian people of the place may come down. It is the plan to meet them at the wharf, and the hour of the arrival will be announced at one of the meetings.

Attention is called to the meetings held each afternoon at 2:30.

Next Sunday morning the subject will be "The Church."

KNIGHT.

REGISTER BEFORE THURSDAY.

Thursday, April 30th, will be the last day to register before the primaries May 15th, and unless you register on or before the evening of that day you cannot participate in the primaries. C. B. Zeek is registering voters at the Surf office and Dipple & Wolverson at their real estate office. Be sure and get before the time is closed so you will have an opportunity to express your opinion of which candidates of your party shall go on the ballot this fall.

Chas. Page and wife returned Sunday from Klamath Falls, where they had been to see Mr. Page's father who has been very ill. Chas. took his father to California hoping the change would do him good, but the trip was of no avail and they returned home. Shortly after they left Mr. Page, Sr., grew suddenly worse and passed away Friday before the son and wife had reached home.

Jack Guyton passed through Bandon today on his way home to Coos Bay from a trip down into Curry county. Jack has been gathering data for several articles for magazines and papers for which he is correspondent.

April 30th is the last registration date

For Representative
As a Republican I hereby announce myself as a candidate for representative from Coos county, subject to the decision of the republican voters at the primaries on May 15th.

My platform is the well known statement of Abraham Lincoln, that "this is a government of the people, by the people and for the people."

This famous statement of "Honest old Abe" covers the whole field and range of our civil government, holding the same relation to it that the Golden rule holds to the moral law.

C. R. Barrow
Coquille, April 14th.

For Joint Representative.
I am a candidate for Joint Representative from Coos and Curry counties before the Republican primaries May 15th.

E. J. LONEY,
Port Orford, Ore.

Announcement
I hereby announce myself as a candidate for the nomination of sheriff by the democratic party at the primary election May 15, 1914.

If nominated and elected I will conduct the office along the most economical lines possible, consistent with efficiency, and do my best to enforce all criminal laws.

CURRY COUNTY NEWS.

From Gold Beach Globe:
The Grand Jury found a true bill against Ed. Eggers, charging the crime of man-slaughter. He was admitted to bail in the sum of \$2,000, which has not yet been given but probably will in a few days.

Geo. L. Mayers was indicted on the same charge for the killing of Isenhart. His bond was placed at the same as Eggers which he is unable to give. A Cononica was indicted for liquor violations and held under five hundred dollar bail, which was promptly given.

Frank Caughell and Wesley Gauntlett started last Thursday morning for Portland, each to be operated upon for appendicitis. Fred Caughell accompanied the boys and Alf Gauntlett took the trio as far as Bandon in his spring wagon.

The Houston sawmill, for many years laying idle at the John Woodworth place about sixteen miles up the river, has recently been purchased by S. P. Merrill, who is now moving it to Euchre Creek where he will run it in connection with his creamery.

Assessor Tolman while fording the Chetco river near his homestead Sunday morning, had the misfortune to lose a valuable young horse which lost its footing on a treacherous ford and drowned in the first rapids below.

A co-operative cheese factory is again being talked of in this vicinity.
