GOOD WORK OF PYTHIANS

LOCAL LODGE BRINGS RELIEF AND REHAB TO YOUNG MAN WHO WAS IN PRECARIOUS CONDITION.

Same time the bad habits of Pythian Sisters found Noel Wade, a seventeen-year-old boy, in a deteriorated condition and worked to help him recover.

Medical aid was summoned and the boy was found to be suffering from sores. The case was brought to the attention of the State Board of Health, which then started an investigation and ordered samples of the food and clothing, as well as the room of the boy, to be sent to the laboratory for examination. It was determined that the samples were free from vermin and uncleanliness. The boy was then turned over to competent medical care and under its guidance.

TEN MILLION DOLLAR FUND IN AGRICULTURAL WORK

Washington, D. C.—The United States government will make available distributes $250,000,000 for agricultural purposes.

The fund will be made available through the United States Department of Agriculture, and individuals or institutions wishing to receive the fund will have to make application and be approved by the government.

A benefit to all agricultural workers will be that the fund will be used to encourage research and to promote the development of new agricultural industries.

WINTER WEATHER ADVISORIES

WASHINGTON—

A winter weather advisory has been issued for the northern part of the state, where snow and freezing rain are expected.

Agricultural workers are asked to take precautions and to protect their crops and livestock.

LEGAL NEWS

A lawyer has been arrested for embezzlement.

The lawyer, who had been providing legal services in the area, was accused of embezzling funds from a local bank.

The case is currently under investigation by the police and the attorney general's office.
