

# A WORD TO YOU REGARDING PRESCRIPTIONS

Any one is liable at times to require the Services of a physician. When your physician gives you a prescription it is your privilege and right to take it to any druggist you see fit, to have it filled.

Mr. Crain who is in charge of our prescription department, is a graduate of one of the leading colleges of pharmacy of the country, besides having had over thirty years experience in some of the leading drug stores of the country. For the past five years he has done the prescription work for the Bandon Drug Co.. Our prescription department is the most complete in the city as regards Stock, Appliances and Conveniences. Our prices are right, and we use only the best of material. We deliver goods anywhere in the city limits free of charge.

Look for the sign of the Red Crain on the window, two doors east of Bank of Bandon. Try us.

With two months of heavy construction work contracted for at Bandon, by the Longston Construction Company, Mr. and Mrs. W. J. Longston find it necessary to remove temporarily to that city, so that he can be on the job all the time.—Coquille Sentinel.

That the Coquille citizens meant what they said when they asked their council to issue no more licenses to saloons is evidenced by the fact that at the recent city election they voted to increase the tax limit to make up for the revenue lost by saloon licenses. The vote was 241 to increase the tax limit and 195 against.
