

# FORCED TO QUIT!

Owing to the great crowds that thronged our store the first three days of our great sale, we were forced to quit before the regular closing time in order to re-arrange and straighten this immense stock for disposal this week. Clerks have been busy putting merchandise out on the counters where it is plainly marked for everyone to see and handle. This week marks an epoch in the history of this concern. The merchandise offered and the prices made to move the goods are unprecedented; as a matter of fact, we have given very little attention to cost. Our main object is to dispose of the merchandise and turn it into cash immediately.

## EVERYTHING MUST GO—NOTHING RESERVED

We told you that Bandon had never seen anything like this sale and have convinced you of this fact. In fact it has been a greater success than we had even hoped for. Over 2500 people have passed through our doors and not one dissatisfied customer. Some record, isn't it? Take our tip and be here every day this week. Something doing every minute and something new every day.

WITHOUT a doubt, we have the most complete ladies Cloak and Suit Dept. between San Francisco and Portland. We have everything the heart could desire. New styles, new materials and prices that tempt you to buy. We have no room here to tell you of the wonderful values we have to offer, just quoting a few picked at random and trust they are of sufficient interest to cause you to call and investigate our claim. Thousands of other values here just as good.
