GIVE A FINE PROGRAM

Pupils From the High School
Making Excellent Showing on Platform

The Grand Teton was filled to its utmost capacity and nearly to its prejudiced ceiling with the school entertainment Monday night. The doors were crowded so that those who could only squeeze through, or who, because of the overcrowding, had to give up the anticipations of the performers. After the doors opened, as announced by

sophomores, an imposing line of band members representing in a large measure the band, cheerleaders, and orches
ta was the first to attract attention. This was followed by the band in a program
that included the music of "The Star Spangled Banner," "The Tennessee Waltz," "The Foundling Home's Song," "The Fight Song," and "Tipton"--the latter receiving a rousing reception from the audience. It was a fitting tribute to the memory of the late Mr. Mary Field, who had been the band director for many years. The band was conducted by Mr. Robert Francis.

The cheerleaders then presented a delightful and amusing routine, which was very much appreciated by the audience. The routine included a variety of
movements, such as jumping, flipping, and jumping through hoops. The cheerleaders were dressed in colorful costumes and were

synchronized in their movements, making for an entertaining performance.

The orchestra then took the stage, and under the direction of Mr. John Smith, they played a selection of

pieces, including "The Merry Widow" and "The Nutcracker Suite.

The orchestra members were well rehearsed and

performed with enthusiasm, making for a pleasant and enjoyable experience for the audience.

In conclusion, the entertainment was a great success, with all those in attendance having a wonderful time. The performers should be congratulated on their hard work and dedication, and the audience should be thanked for their support.
