PORT COMMISSION REJECTS PROPOSITION TO BUY DREDGE

Committee Reports Dredge "Portland" to be of Old Type of Construction, and Would Entail Expensive Upkeep. Would Cost Ten Thousand a Year for Maintenance.

The regular meeting of the port commissioners of the Port of Bandon last Tuesday, at 10 a.m., included the item of the value proposition to buy the dredge "Portland," which is now working off the river mouth.

Under the ordinance that the commission must receive bids for such work, the commission are required to make a report of the condition of the equipment before such work is approved. The commission last week received three bids for the maintenance of the dredge, and after a thorough examination of the bids, the commission decided to reject the proposition to purchase the equipment, and to continue the maintenance of the dredge by the present contractor.

The commission has already received bids for the maintenance of the dredge for the next fiscal year. The bids ranged from $10,000 to $15,000 per year, with the highest bid being from the contractor currently maintaining the equipment.

In order to maintain the dredge, the commission must ensure that the equipment is in proper working order and that all necessary repairs are completed. The commission will continue to monitor the condition of the equipment and make necessary adjustments to the maintenance plan as needed.

IN NEW INSURANCE RATES FOR CITY

Practically the Same Rating That Has Been in Effect For a Number of Years.

The insurance rates for the city of Bandon have been reviewed and found to be practically the same as they have been for the past few years. The rates are based on the value of the property and the risk of fire, and are determined by the insurance company.

The city of Bandon has been insured for many years, and the rates have remained relatively stable. The city council has been pleased with the insurance rates, and has chosen to continue with the same insurance company for the next year.

For more information on the insurance rates for the city of Bandon, please contact the insurance company or the city council.

PRO-PARIS BILL TAKEN OFF FIRE

A bill introduced in the Oregon Legislature to authorize the building of a new courthouse in the city of Bandon was taken from the fire last night, after having been on the floor of the Senate for several days.

The bill was introduced by Senator John Smith and was supported by a majority of the members of the Senate. However, a few members of the Senate voted against the bill, and it was taken from the fire.

The bill would have authorized the city of Bandon to issue bonds to finance the construction of a new courthouse. The new courthouse would have been located on the city-owned property at the north end of the business district.

The bill will likely be reintroduced in the next legislative session, and it is hoped that it will be passed and signed into law.

Marshall Shows Game Spirit But Is Unable to Overcome Local Teamwork

PORT COMMISSION FEBRUARY SESSION

Post Prepares to Figure on Dredging, Sellmer Presses Popular Petition

The commissioners of the Port of Bandon have scheduled a special meeting for next week, at which time the question of dredging will be discussed.

The commissioners have received a petition from the citizens of Bandon, requesting that the port commission consider the possibility of dredging the river mouth to improve navigation and increase the economic value of the area.

The port commission has already received a report from the port engineers, which indicates that dredging would be beneficial to the area. The report recommends that the port commission consider the possibility of dredging the river mouth.

The commission will consider the petition and the report at the special meeting, and will make a decision on the matter at that time.

In other news, the port commission has received a report from the fire department, which indicates that the fire department is prepared to respond to any emergencies that may arise.

The commission will continue to monitor the situation and make necessary adjustments to the fire department's response plan as needed.

The port commission will meet next week at 10 a.m. to discuss the matter of dredging and other local issues.

For more information on the port commission's meeting, please contact the city hall or the port commission office.

SUPERINTENDENT OF CEMETARY SAYS PINEWOODS

Will Cost $5,000 to $6,000 to Build.

The superintendent of the cemetery in Bandon has announced that the construction of Pinewoods Cemetery will cost between $5,000 and $6,000.

The cemetery is being planned on land that was donated to the city by a local resident. The land is located on the outskirts of the city, and is expected to be completed within the next year.

The cemetery will be a peaceful and tranquil place for the burial of loved ones, and will provide a serene and beautiful final resting place for all citizens of Bandon.

The superintendent has encouraged all citizens to consider donating funds to help with the construction of the cemetery.

For more information on donating to the construction of Pinewoods Cemetery, please contact the superintendent of the cemetery or the city hall.

MEMORIAL DAY PROCESSION

Today's Events in Bandon

Today marks the beginning of a week-long series of events in Bandon, to commemorate Memorial Day.

The events will include a parade, a flag-raising ceremony, and a remembrance service at the cemetery. The events will be held in conjunction with the Memorial Day celebration in other parts of the state.

The parade will begin at 10 a.m., and will proceed through the streets of Bandon. The flag-raising ceremony will take place at 2 p.m., and the remembrance service will be held at 3 p.m.

The events are open to the public, and are expected to attract a large crowd. The city council has encouraged all citizens to attend the events and to remember the sacrifices of those who have served our country.

For more information on the Memorial Day events in Bandon, please contact the city hall or the local chamber of commerce.

STANDING COMMITTEE ON CEMETARY RESOLUTIONS

Passed by Resolution

The standing committee on cemetery resolutions has passed a resolution to support the construction of Pinewoods Cemetery.

The resolution encourages all citizens to support the construction of the cemetery, and to consider donating funds to help with the construction.

The resolution is expected to be adopted by the city council at their next meeting, and will be sent to the governor for his signature.

For more information on the resolution, please contact the standing committee on cemetery resolutions or the city hall.
