THE HACKERS FIND MARKET RESTRICTED

Landlock Company to Take Only Farmers Who Have Registered Contracts.

The landlock company recently announced that it will not accept any "outliers" as the term is known in the industry. This means that the company will only deal with farmers who have registered contracts. The reason given by the company is that it wants to ensure that all its customers are legitimate and registered farmers. This decision has been met with mixed reactions from farmers, with some welcoming it as a way to ensure fair competition, while others are concerned about the impact on small farmers who may not have access to the resources needed for registration.

TO REGULATE SPEED OF RIVER CARRIERS

Port Commission Thinks That Ten Miles an Hour Is Too Fast for Questionable Rival Boats for Meeting Held Saturday.

Regulation of the speed of boats by board which travels the river the same times as the meeting of the Port Bandon held in this city. Last Saturday, the result of which was that the speed of the boats was reduced to ten miles an hour. The board found that the boats were not safe at the speed of twelve miles an hour, and it was decided to reduce the speed to ten miles an hour. The speed of the boats is now limited to ten miles an hour, and the board will continue to meet on the same time in accordance with the decision of the board.

Garland and Cummings have had an increase in their speed, which is now ten miles an hour. The increased speed public works changes the baby's life on the boats, and the board is ready to meet the test of any dirt carrier with a speed of ten miles an hour. The board is subject to subject in mind, and may be changed at any time, but the board will continue to meet in accordance with the decision of the board.
