IS SCIENCE THE ROAD TO HELL?

Local Men Differ

A friend of mine stoutly asserted have heard such assertions before, their money and the usual celebration.

but did not know that they were coming from men of intelligence in our children over 16 are not taken in. As day. Another thing that came out in boys up to 18 years are received at our conversation is that my friend is croubled about the hypocrisy outside the church while that which troubles me is within the church.

I have great interest in science, but f it leads to Hell, I must leave it out,

To bring this matter to a point where it will be interesting and edifying, I challenge my friend to a joint discussion, and grant him the priviodge of stating the question either ositively of negatively. There's othing in an empty assertion. Let's look into this matter.

Yours for a lifelong search for truth and its application to character, C. Mayne Knight

We feel like making special mention of the moving picture pet on by Mr. Sellmer, at the Grand Theatre last Friday night, post-aying the Alaska story, "The Spoilers". It was a nine reel show, and was appreciated by those present. The nerve required by a manager to incur the extra exbusiness conditions is the kind that makes the wheels of progress po

Check Case Appealed

The justice case of C. T. Fieger vs John Rumble, tried before a jury in Bandon, Feb. 26th, has been appealed to the circuit court. It appears that Rumbles was appointed by the sherliff of Coos county to have charge of the Bandon Woolen mill while that place was under attachment last December. C. T. Fiegers was employed to do the same work and under Mr. Rumble the mouth of Coquille river at Bandon and nobody seems to be able to tell who was responsible for hiring him. Consequently when Rumble was sent Thursday. The work is to be complete a check in payment for Rumble's ser- ed in 80 days, including the delivery vices, Fieger could not find anyone of the barges to the Coquille, for \$7,... willing to pay him and accordingly at- 745. Each barge is to be 90 feet in tached the check before Rumble re- lenght, 32 feet beam and 7:5 feet ceived it. The case was decided by depth of hold. They will be used for
