The first week of the contest to determine which popular lady of Bandon will receive a free trip to the Panama-Pacific exposition at San Francisco has awakened considerable interest and a number of candidates have filled out the nomination coupons and entered the lists for the prize.

The San Francisco Fair is not only the greatest fair ever held on the coast but in many respects is the greatest ever held on the globe.

It is attracting world wide attention and no one in this section of Oregon can afford to miss it.

However it will not be necessary for the winner of this prize to make a trip to San Francisco. She can if she will have its equivalent in money and use it on a vacation trip anywhere she has a mind to.

Any one not connected with the Recorder office or with any of the stores entering into the contest can try for this prize. All that is necessary for a lady to enter the lists is to fill out the blank to be found in another part of this paper and send or bring it to the Recorder office. It will start each contestant with 500 votes.

Remember and ask for checks a the time you make your purchase.
