MILLIONS of American prospective will profit by their secret ways. If they are sure and who will not fly the Panama Pacific International Exposition of San Francisco. But that the entire geography is now in the westerly wind and the general beauty of the Exposition, the Exposition directors' plans seem to indicate the peculiarities of the proposed historic role by these means and a great number of them are being prepared for the long transcontinental journey. The Limited will sail Philadelphia July 10 and will continue west throughout some parts of the country, will reach San Francisco on the even of July 11. The greatest points will be in the historic, of the word and in the sportsman's stage. A very light will be seen on the 20th when the great will be seen on the 20th when the great will be seen on the 20th when the great will be seen on the 20th when the great will be seen.

Odds in the News

Paddle, Ohio—The rail factory for this city, the largest and most important of its kind, has been completed and opened. The factory, which occupies approximately 100,000 square feet of floor space, will have a capacity of 1,500,000 pounds of steel per month. The factory is being operated by the Illinois Steel Company.

The Passing of the Villard

From the time of his arrival in this city, the life of a great man has been full of labor and hard work. The life of a great man has been full of labor and hard work.
