The ceremony was performed by Judge J. J. BN.

The bride was in a wedding dress of white chiffon and flowers, and the attendants were dressed in white as well.

COUNTY ELKS TO BE FILMED ON BANDON BEACH

County Elks To Be Filmed On Bandon Beach

In the interest of local publicity, the County Elks are planning to make a motion picture of their meeting at the Bandon Beach Opera House on Tuesday evening. The meeting will be held in the main room of the opera house and will be attended by a large audience.

The picture will show the various officers of the Elks, as well as their wives and friends, in their various capacities. The Elks are planning to make the film in full color, and the whole production will be a fine one.

The meeting will be held at the opera house at 8 p.m., and all members of the Lodge and their friends are invited to attend.

Proposed Roads Should Be Planks Roads

Proposed Roads Should Be Planks Roads

The question of good roads is again before the county commissioners, in an attempt to improve the roads in the county. The commissioners have been considering the matter for some time, and they have decided to make a survey of the roads in the county, and to construct planks roads in all parts where it is necessary.

The survey of the roads will be made by a team of engineers, who will travel over the roads and make a careful examination of them. The results of the survey will be reported to the commissioners, who will then decide on the best course of action to be taken.

The commissioners have already decided that the roads in the county should be improved, and they are now contemplating the construction of planks roads in all parts where it is necessary.

The construction of planks roads will be a great improvement, as it will provide a better surface for the roads, and will make them more suitable for travel.

The commissioners are now making arrangements to have the roads surveyed, and they hope to have the work completed as soon as possible.
