TIGERS WIN IN FIRST GAME

North Bend Quartzite Falls Team to Local Basketball Team

North Bend was its first meet of the season. The game was played last Saturday night in the Bend Gymnasium. In the Bend Gymnasium there is a gym, the most spacious feature of which is its magnificent roof, which seems to be supported by columns.

When they were given the opportunity to play the local team, the Bend athletes entered into the match with considerable enthusiasm. They cheered on their team and supported their players with the most applause.

The game was played with great enthusiasm by both teams. The Bend team was particularly strong in the forward positions and was able to score many points.

The local team also played well and the game was very exciting. Both teams had their moments of success, making the game a very enjoyable one for the spectators.

In the end, the Bend team emerged victorious, scoring a total of 20 points against the local team's 15 points. The game was a great success and the spectators were delighted with the performance of both teams. The Bend team's victory was a well-deserved one and was a great success for the local basketball community.

STEAMER COQUILLE SO LEDs TO PORTLAND PEOPLE

Steamer Transportation Company to Be Built at Willamette River

Last week the news was complete of the steamer to be built at the Willamette River. The steamer will be named the "Coquille" and is expected to be completed within the next six months. The steamer will be built by the Willamette River Transportation Company, which is a subsidiary of the Oregon Steel Mills Company.

The steamer will be capable of carrying 500 passengers and will be equipped with the latest in passenger amenities. The steamer will be built at the Willamette River Transportation Company's yard near Salem, Oregon.

The steamer will be used for passenger transportation on the Willamette River and will operate between the cities of Portland and Salem. The steamer will be a large improvement over the current ferries that are used for passenger transportation on the river.

The steamer will be built by Oregon Steel Mills Company, which is a well-established and respected manufacturer of steel products. The company has a long history of building high-quality products and is known for its commitment to safety and quality.

The steamer will be a valuable addition to the transportation infrastructure of the Willamette River and will provide much-needed relief to the current ferry systems.

THE TROUBLES OF AN OLD STREET

Oregon Avenue Has to Fight to Exist After Fifty Years of Travel

The Oregon Avenue resident was surprised and curious when a group of the city council met in the Bend City Hall last Monday night. The council was considering a change in the location of the street.

The main issue was the proposed change in the location of the street, which would require the removal of trees and the widening of the road. The residents of Oregon Avenue were opposed to the change and voiced their concerns to the council.

The council ultimately decided to proceed with the change, but the residents of Oregon Avenue vowed to continue fighting for the preservation of their street.

A FEW HINTS FOR AN OLD GOLFER

C. R. Field Writes of Gold Skies And Fifty Years of Travel

San Diego, Cal., Jan. 21st — (Field) — When I go to the course I try to study the game with as much intricacy as possible. I know that the course is a maze of twists and turns, and I try to find the best route to the hole.

This is a study which I have practiced for many years. I have studied the game of golf for fifty years, and I have found that the best way to succeed is to play the game with as much finesse as possible.

In the end, I believe that the best way to succeed in the game of golf is to study the course and to find the best route to the hole. This requires a great deal of skill and experience, and I believe that anyone who is willing to put in the time and effort can succeed in the game of golf.

STUDENT'S DEBATE, FRIDAY EVENING

North Bend High School to Meet Locals on Preparedness Topic

The joint high school debating contest, featuring the three high schools in the county, was again scheduled for a trip to Bend last Friday evening. The students from the three schools were preparing their arguments for the debate topic of "Preparedness," which was chosen to encourage the students to think about the importance of being prepared in case of a disaster.

The debate was held at the local high school and was moderated by a panel of judges. The students from the three schools gave their arguments on the topic of "Preparedness," with each team presenting their case in a 15-minute speech. The audience was enthusiastic and engaged with each team's presentation, with many students calling out questions and comments during the speeches.

The debate was a great success and the students from all three schools did an excellent job of presenting their arguments on the topic of "Preparedness." The debate was a great opportunity for the students to practice their public speaking skills and to gain valuable experience that will help them in the future.

SCHOOL NOTES

The big basketball game with North Bend last Friday evening was a huge success. The game was packed with spectators and the atmosphere was electric.

The final score was recorded as 7-5 in favor of North Bend, with the team coming out on top after a hard-fought battle. The students and faculty were thrilled with the result and the game was a great example of teamwork and sportsmanship.

The next big event on the school calendar is the annual winter sports tournament, which is scheduled for January 25th. The tournament will feature a variety of winter sports, including basketball, wrestling, and hockey.

The students and faculty are excited for the tournament and are looking forward to a great day of competitive sports.

THE BANDON RECORDER

END OF SCHOOL SEMESTER

The end of the school semester is quickly approaching, with many students looking forward to a well-deserved break. The semester has been filled with challenging academic work and difficult assignments, but the students are eager to take a break and spend some quality time with friends and family.

The last few weeks have been particularly busy for the students, with exams and projects due in seemingly endless numbers. However, the students are determined to make the most of their break and are already planning fun activities to enjoy with their friends and loved ones.

The end of the school semester is a time for reflection and growth, as the students take the time to evaluate their academic performance and set goals for the upcoming year. The students are looking forward to a new semester filled with opportunities for learning and growth.
