Keep The Kidney's Well

Health is Worth Saving and Some
Bandon People Know How to Save It

Many Bandon people take their
lives in their hands by neglecting the
kidneys when they know those organs
need help. Weak kidneys are responsi-
ble for a vast amount of suffering and
ill health, but there is no need to suf-
fer nor to remain in danger. Use
Doan's Kidney Pills—a remedy that
has helped thousands of kidney suffer-
ers.

The following statement leaves no
ground for doubt.

J. M. Jones, 1064 Conklin Ave.,
Grant's Pass, Ore., says "I suffered for
quite a while from symptoms of kidney
trouble. I tried several different
remedies but I was not helped until I
used Doan's Kidney Pills. They
greatly relieved me. The action of my
kidneys was regulated and the aches,
pains and lameness left me." Since
then my health has been fine."

THE SONG OF THE CAESAR.

I am the Caesar of forces, a ruler
Glad, mad for power and eager for
quests;
I am the peer of them,
I have no fear of them,
What are the problems of men are my
jest!

I am the Caesar of forces, a kingdom
Brilliant with glory of light I unlock;
Mine is the glow of life,
*Mine is the show of life,
*Mine is the glamour—the virtue—the
shock!

I am the Caesar of forces, my kingdom
Who can deny with the lips of the
truth?
Men come and go—not I.
*Take care and flow—not I.
*Mine is the gift of perpetual youth!

A list of these lands by Township
and Range has been prepared for each
of the several counties within the
Roseburg Land District, containing
these lands. These lists are intend-
ed to give merely an approximate
area of such lands in each Township,
based on the list of lands given in the
decree of the Federal Court.

This list for any county or counties
will be furnished on request.

This office has no map for distri-
bution, nor does it prepare blue
prints, but will furnish township
plans showing location of all vacant
land and unsold railroad land, at \$1.00
per township. In ordering township
plans, both the Range and Township
number must be given and remittance
should be made by certified check or
U. S. Postal Money. Order payable
to R. R. Turner, Receiver. Personal
checks may not be received in pay-
ment.

This office is not in a position to
give advice as to the character of the
land in any locality, and can not at-
tempt to advise anyone in this regard.

As to the disposition of these lands
nothing can be determined until Con-
gress shall act in the matter. It is
probable that such action will be taken
some time within the next six months
and until such action is had no infor-
mation can be given by this office. We
would suggest to parties interested
to watch the daily papers, as what-
ever action Congress may take will be
given therein and this office has of-
ficial information thereon to give out.

Based on the list of lands given in
the decree of the court, the approxi-
mate acreage of unsold railroad
lands in the several counties in this
district, at the time the suit was in-
stituted, was as follows:

Lincoln, 1040; Benton, 27716; Finn,
14620; Lane, 300,119; Douglas, 637-
360; Coos, 100,620; Curry 8496; Jo-
sephine, 172,460; Jackson, 444,560;
Klamath, 13,440. Total, 1,499,326.

In addition to the above lands there
are other railroad lands in several of
the counties named, that at the time
the suit was instituted were unsurveyed,
and hence not included in the
list given in the suit, but coming a-
well under the decree. The approxi-
mate areas of such lands are as fol-
lows: Coos, 15000; Douglas, 65000;
Josephine, 17000; Curry, 15000; Jack-
son, 20000.

There is still a certain amount of
unsurveyed railroad lands in several
of the counties, namely: Curry, Dou-
glas and Josephine. These lands when
surveyed will come under whatever
plan of disposition Congress may pro-
vide.

PASS A LAW.

ARE your neighbors very bad?
Pass a law!
Do they smoke? Do they
cheat?

Pass a law!
Are they bothering you?
Don't they do as you would do?
Pass a law!

Are your wages awful low?
Pass a law!
Are the prices much too high?
Do the wife and babies cry?
'Cause the turkeys all roost high?
Pass a law!

When M. D. finds new diseases,
Pass a law!
Got the mumps or encephalitis,
Measles, or "epidemic"?
Let us all fly to pieces,
Pass a law!

Are the lights a-burning red?
Pass a law!
Paint 'em green or paint 'em white!
Close up all them places tight!
My, our town is such a sight!
Pass a law!

No matter what the trouble is,
Pass a law!
Goodness sakes, but ain't it awful
My! What are we going to do?
Almost anything ain't lawful,
And the judge is human, too!
Pass a law!

**North Bend is
Debate Champion**

North Bend won the debate cham-
pionship for the Coos county district
comprising Coos and Curry counties
There are eight districts in the state
and the North Bend debaters will en-
ter the contest for state honors.

This is the third time in five years
that North Bend has won the county
championship and in 1913 the school
won the state championship with
Miss Norma Case and Lyle Chapelle
as the debaters.

In the former debates both Myrtle
Point and North Bend won both de-
bates and it was necessary to decide
the tie.

At North Bend the Myrtle Point
team took the affirmative and was
composed of Hazel Meal and Helen
Whitaker. The North Bend team
which was given the decision was com-
posed of Randall Jones and Murlin
Chappelle. The judges were I. N. Mil-
ler, Ben Fisher and J. C. Kendall of
Marshfield.

At Myrtle Point the North Bend
team took the affirmative and was
composed of Alex Brandt and Horace
Byler and won the decision. The
Myrtle Point team was composed of
Chester Adams and Kay Leep. The
judges were Senator Chase, J. J.
Stanley and R. J. Knowlton.

The state university will arrange
the state contest. Four teams will
be matched against four others. The
four winning teams will then debate
and it will be brought down until one
team wins the championship for the
state.

The high school students numbering
90 and including both boys and girls
together with the member of the high
school faculty marched down town
this morning and made a demonstra-
tion when the winning team returned
from Myrtle Point.—Coos Bay Times.

**KRUSE AND BANKS WILL BUILD
TWO VESSELS**

Both will be Lumber Carriers for
Bixby & Clark of San Francisco—
Adds Greatly to Payroll

The Kruse and Banks shipyard at
North Bend will soon be employing
about 125 men working on two ves-
sels which the firm will build for Bix-
by and Clark of San Francisco. The
first vessel ordered will be 225 feet
long. The keel has been taken out
and will be laid soon. The contract
for the second vessel has practically
been closed. It will be 235 feet long
ten feet longer than the other. These
vessels completely equipped will cost
about \$150,000.

The resumption of work at the ship-
yard will add greatly to the payroll
of North Bend and will give work to
many.—Coos Bay Times.

J. A. WARD IN HARD LUCK

The many people from this section
who met J. A. Ward at the fair last
year, where he was manager of the
Coos-Curry exhibit, will regret to hear
that he has been compelled to under-
go bankruptcy proceedings. This is
due to the failure of the Millicoma coal
mine which he opened on the east side
of the Bay at an expense of \$5,821.70
for labor not yet paid. Against this
the only assets are \$175 in household
goods and \$588 of accounts due. Mr.
Ward's salary from the Coos-Curry
exhibit committee for the months of
November and December was garnish-
ed in aid of the suits against him on
accounts of the coal mine bills.—Co-
quille Sentinel.

TO A PHOEBE BIRD.

Under the eaves, out of the wet,
You nest within my reach;
You never sing for me, and yet
You have a golden speech.

YOU sit and quirk a rapid talk;
Wrinkle a ragged crest,
Then pirouette from tree to rail
And vault from rail to nest.

AND when in frequent, witty fright,
You grayly slip and fade,
And when at hand you realight
Demure and unafraid.

AND when you bring your brood its all
Of iridescent wings
And green legs dew in your bill,
Your silence is what sings.

NOT of a feather that enjoys
To prate or praise or preach,
Oh, Phoebe, with your lack of noise,
What eloquence you teach!

—Witter Bynner.

WAR.

THEY say that "war is hell," "the great
accursed."
"The sin impossible to be forgiven;"
Yet I can look beyond it, at its worst,
And still find blue in heaven.

AND as I note how nobly natures form
Under the war's red veil, I deem it
true
That he who made the earthquake and
the storm
Perchance made battle too.

THE life he loves is not the life of span
Abbreviated by each passing breath,
It is the true humanity of man
Victorious over death.

—Archbishop Alexander.

ARBOR DAY.

GIVE took their gold and knives their
power;
Let fortune's bubbles rise and fall;
Who sows a field or plants a flower
Or plants a tree is more than all!

Capt. Hardin of the tramp steamer
"Princess," his wife, and Neal, their
son, are making away from the port
of St. Pierre, Martinique. Welcher,
the mate, and his son Joe are the on-
ly others aboard beside the crew.

In St. Pierre, Thomas Hington, an
American owner of Lost Islands, en-
lists the services of Hernandez and
Ponto, two evil adventurers, to assist
him in exploiting his mine. When
they learn that Hington has a map
showing the whereabouts of the isle,
they exchange sinister glances, but de-
cide to do their knitting only after
they know more of the mine's where-
abouts.

While Hington is talking over the
details of the trip, and just as Capt.
Hardin's tramp steamer "Princess" is
getting out to sea, Mount Pelee starts
belching forth fire and lava, and thou-
sands of the inhabitants of Martinique
rush madly to the sea.

Capt. Hardin, puts back to port to
rescue as many people as possible.

Meanwhile, Hington, his daughter
Annette, her nurse Manuella, Hernan-
dez, and Ponto escape to the sea in a
leaky rowboat. They sight the "Prin-
cess" which has already picked up an
overload of people. Capt. Hardin, to
protect those already aboard, has to
refuse them succor, but Neal's heart
touched by the terror-stricken An-
nette, implores his father to take her
aboard. Unknown to Hernandez and
Ponto, Hington gives Manuella an oil-
skin packet containing the map show-
ing the location of Lost Isle. To the
child's clothing he pins a note explain-
ing her identity and the value of the
map. Hernandez, Ponto, and Hington,
after a terrific struggle to keep
afloat in their leaky boat, finally land
on an island and drop exhausted to
the sands. Hernandez and Ponto are
the first to awake, and going up to
Hington, demand the map showing
the location of Lost Isle. There is a
terrific struggle, in which Hington is
felled with a great stick and left on
the sands for dead.

In the hold of the "Princess" a
cinder from the fiery volcano starts
a conflagration that menaces the ship
and boats are put off. Mrs. Hardin,
Neal, Annette, and Joe Welcher are
thrown together in one boat which is
later picked up by a U. S. cruiser, and
the seed of a great naval career is

born in the mind of young Neal Har-
din. Watch for chapter 2, "The Yel-
low Packet".

A Detective Photodrama

"The Clue" with Blanche Sweet Baf-
fling Detective Photodrama.

In "The Clue", which is to be seen
on Thursday, February 10 at the Grand
Theater under the direction of the
Lasky Feature Play Co. with Blanche
Sweet as the star, this renowned pro-
ducing organization offers to the pub-
lic its first genuine detective drama.
Miss Sweet impersonates the leading
feminine character in this most baff-
ling of mysteries with infinite charm
and that rare dramatic control for
which she is internationally famous.

In making this departure the Lasky
Company gives evidence of its belief
that any form of dramatic entertain-
ment is good and worth while if
genuinely well done. The flood of de-
tective photoplays of a low order has
therefore not deterred the Lasky Com-
pany from making a photodrama of
this class once it obtained what it be-
lieves to be genuinely remarkable ma-
terial. The millions of people who
read detective fiction should find in
this photodramam the most unalloyed
delight; and it is scarcely possible to
imagine an intelligent delight that
will not relish these mysteries.

Theda Bara Again

Theda Bara in "Lady Audley's Secret

Lady Audley crumpled up the letter
her husband had given her to read. It
had come at last. After years of con-
tinent and happiness, a ghost of
the past had arisen to destroy her
peace.
Several years before she had married
the son of a wealthy father who
disinherited his son for marrying a
distant his wishes. The young hus-
band later went to Australia in an at-
tempt to make a fortune, leaving his
wife.

Alone, destitute, she accepted the
proposal of Lord Audley, who did not
know that she had been married before
Now after years of comparative hap-
piness, her husband hands her a note
from his nephew, telling that he was
bringing with him the man who had
been her husband, the man from
whom she had not heard for so long.
She sees her chance for happiness fading
rapidly.

What should she do?
The answer forms one of the most
dramatic climaxes ever thrown on the
screen and affords Theda Bara, the
famous vampire woman, full scope for
her wonderful powers of dramatic and
emotional expression.

**THE FLAVOR OF
"SPEAR HEAD"
IS UNIQUE**

**A Chew That Has Been Famous for
a Third of a Century**

HAS THE RICH RED BURLEY TASTE

Chewing is the only way to get the
rich taste of the tobacco leaf. And
the only form of tobacco in which you
get the leaf as Nature made it is the
plug form.
A chew of Spear Head plug tobacco
has a wonderful flavor such as you
never did and never will taste in any
other tobacco.
That Spear Head flavor is unique,
mellow, fruity, everlastingly delicious
and satisfying.
Spear Head has been famous for a
third of a century as the richest, taste-
iest of chews.
It's made of sun-ripened, red Bur-
ley. And it's produced by the most
modern methods, which develop the
luscious flavor of the leaf to the su-
preme degree.
It is safeguarded at every step in its
making. The factory is clean and san-
itary—the processes are pure-food pro-
cesses.
When the choice red Burley has been
pressed into mellow, sweet Spear Head
plugs you have a chew that simply can't
be equalled.
Spear Head is the high quality
chew of the world.
Try Spear Head—you'll never
again be satisfied with any other
chew. In 10c cuts, wrapped in wax
papers.
