COMMENCEMENT WEEK TO BE FULL

Senior Class Play Friday Eve.

THIRTEEN GRADUATES TO BE KEPT BUSY BETWEEN EXERCISES AND SOCIAL AFFAIRS—REV. JOHN H. BOYD TO DELIVER ADDRESS.

Beginning with the Senior Class play, at the Grand Theater, Friday evening, commencement week this year is to be a busy one for the eight girls and five boys who make up the graduating class.

Friday, May 26th, Senior Class Play, "Facing the Music", at the Grand Theater.

Sunday, May 28th, Baccalaureate sermon by Rev. W. S. Smith, in the High School auditorium.

Monday, May 29th, Declamation contest, in the High School auditorium.

Tuesday, May 30th, Alumni Banquet in honor of the Senior class, at the I. O. O. F. hall.

Wednesday, May 31st, Commencement address by Rev. John H. Boyd, of Portland, in the High School auditorium. Also presentation of diplomas.

Thursday, June 1st, Class Day exercises by the members of the Senior class, in the High School auditorium. The graduating class this year, although considerably smaller than that which left the school last June, is composed almost entirely of students who have been more or less prominent in student body activities while they have been in school.

Most of them rank among the best scholars in the school and all are above the average for scholarship. The members of the class are Belle Chaburn, Helen Thornton, Grace Gibson, Iva Bates, Iva Middleton, Delphi Langlois, Ora Jameson, Flora Philpott, Sam Armstrong, Harold Johnson, Frank Schell, Harry Bronson, and Chester Tee Garden.

"Facing the Music", the three act farce comedy that is to be staged as the class play, promises to be well worth seeing. The play itself is one of the best things of its kind that has ever been written and the members of the class, who make up the cast, have been working for weeks on the play. The plot is woven around two men, both having the name of John Smith, and the story runs something like this:

Mrs. John Smith, wife of the minister, goes for a visit in the country and during her absence her husband moves from the flat in which they have been living. The second John Smith moves into the flat vacated by the minister. Now, the habits of Smith number two are hardly those which would be commended by a minister of the gospel, in fact his idea of a good time is quite the reverse. Mrs. Rev. Smith returns to what she supposes to be her home and retires. Smith the second, after a night of liquidation, also returns home and finds the minister's wife. You can find out the rest of the story at the Grand Theater, Friday night.

Following is the cast of characters: John Smith ... Frank Schell ... Belle Chaburn ... Chester Tee Garden ... Delphi Langlois ... Harry Brownson ... Grace Gibson ... Harold Johnson ... Sam Armstrong ... Flora Philpott ... Miss Fotheringay ...

The prices for admission will be 25 and 25 cents and reserved seat tickets are on sale at the Boyle Jewelry store.

The baby boy born to Mr. and Mrs. F. T. Tuttle April 17th, died early Thursday morning. Up until a few days before he died, the little tot appeared to be in the best of health and was getting along nicely.

220 Yard Hurdles—Russell, North Bend, first ... Webb, Bandon, second ... Radd, Myrtle Point, third ...

10 YEAR OLD GIRL IS ACCIDENTALLY KILLED

Susie Neatherly Victim of Revolver in Hands Of 12 Year Old Brother—Occured 11 Miles South Of Town Between 2:00 And 3:00 o'clock This Afternoon

(11:30 P. M. Wednesday) Susie Neatherly, the 10 year old daughter of Wm. Neatherly, was shot and instantly killed by her 12 year old brother Ozie between two and three o'clock this afternoon. The shooting was accidental and occurred between the county road and the S. J. Wilson homestead, 11 miles south of Bandon, where the Neatherly family have been living for about a month.

According to the story of Ozie Neatherly, who came to town after his father immediately after the accident happened, he and his sister had gone to the road after groceries that were to be brought down from Bandon on the afternoon stage. He was carrying a 38 calibre revolver in his coat pocket. They got the groceries and started home along the narrow trail, the little girl in the lead.

Here the boy's story becomes somewhat confused. He says that he had his hand in his pocket on the gun and called out something to his sister. She turned around, the gun went off and she fell to the ground shot through the stomach, dying almost instantly. Ozie says he believes the gun went off in his pocket, but he is not sure and there is no hole in his

pocket to support the supposition. He says that as soon as the gun explosion occurred he threw the gun from him.

The boy was terrible excited when he reached town and his story of the affair was not complete, nor coherent. The popular supposition among those who have heard the details of the shooting, is that it was a case of "did not know it was loaded."

First word of the tragedy reached Bandon about 5:30 this afternoon, when a neighbor of the Neatherly's telephoned to Fred Colgrove here that the little girl had been shot and asked him to find Mr. Neatherly, who had come to town yesterday. Five minutes later Mr. Neatherly was on his way home by auto. The boy reached town about six o'clock. As soon as he received word, Mr. Colgrove notified Dr. Arthur Gale and the latter left for the scene at once.

Until about a month ago the Neatherlys were living in the Colgrove house in Portland in addition to Bandon and Mr. Neatherly was engaged as a teamster here. Besides her parents the little girl leaves a sister and two brothers to mourn her unfortunate death.

618 MAJORITY IS GIVEN ROAD BONDS

Myrtle Point Goes 6 Against

BANDON GIVES LARGEST MAJORITY IN FAVOR OF PROPOSAL—LATE RETURNS FROM RURAL DISTRICTS CUT DOWN LEAD FROM 800.

With all of the returns from the road bond election in and the results canvassed by the canvassing board yesterday afternoon, the final count shows that the proposal to bond the county for \$362,000, for the purpose of bringing the trunk lines of the county to a permanent line and grade, carried by a majority of 618 votes.

When the first returns began to come in late Friday evening, from the towns in the county, it was apparent that there would be a substantial majority in favor of the bonds. At one time the majority ran over the 800 mark, but as the return began to come from the rural districts the lead dropped, although it never went below 600. Myrtle Point alone, of all of the towns in the county, returned a negative balance.

Table with 3 columns: Precinct, For, Against. Rows: Bandon (270), Marshall (178), North Bend (139), Coquille (219), Myrtle Point (6).

With the exception of the Four Mile and Parkersburg precincts, all of this section of the county voted in favor of the bonding proposal. In the Two Mile precinct the vote was 98 to 31, or a majority of 67 in favor of the bonds. Lamps went 25 to 14 in favor and Prosper went two to one for good roads. Four Mile voters, but a negative majority of nine votes, but the Parkersburg count showed the issue only two behind the vote being 25 to 27.

At the beginning of the good roads campaign, Bandon was looked upon as the home of doubtful sentiment, yet the final returns show this city to have given a bigger majority in favor of the bonds than any other city in the county. Precinct 44 gave the smallest proportionate majority and there, the affirmative ballots outnumbered against the bonds.

C. F. PAPE ELECTED AS NEW PRESIDENT

Com. Club Meets Tuesday

BOARD OF DIRECTORS MET MONDAY NIGHT TO COMPLETE ORGANIZATION—PARK CLEAN-UP DAY SET FOR JUNE 16 AND OCCASION WILL BE MADE HOLIDAY.

C. F. Pape was elected president of the Commercial Club and L. D. Felsheim, secretary, at the meeting of the Board of Directors, held Monday evening for the purpose of completing the organization of the revived club. The question of by-laws was disposed of and a set of these regulations will be submitted at the next meeting of the club.

Setting the date and arranging the details of a Park Clean-Up day, which will be devoted to cleaning up and beautifying the City Park, was the principal business considered by the directors. Friday, June 16, is the date set for the clean-up and Mayor Topping will be asked to proclaim a half holiday for the occasion. All of the stores will be asked to close at noon and the rest of the day will be devoted to having a good time at the Park. The affair will be in the form of a big picnic, with the afternoon devoted to games and amusements and clean-up work, while a bon-fire party is planned for the evening. Between now and that time an attempt will be made to get the band boys together & if this is done those who turn out will "have music while they work".

The first regular meeting of the Commercial Club will be held in the City hall next Tuesday evening, May 30th, and in the future the meetings will be held on the first and fourth Tuesday of each month.

bered the negative three to one. The following table gives the full returns for the four Bandon precincts:

Table with 3 columns: Precinct, Yes, No. Rows: 44 Southwest (127, 41), 45 Northwest (60, 16), 47 Southeast (116, 28).

Outside of Powers nearly all of the precincts south and east of Coquille went against the bonds by majorities ranging from 3 to 5 to 1. Of the two Myrtle Point precincts, one returned a total in favor of and one a

CITY ELECTION IS SET FOR JUNE 21

Five Offices To Be Filled

NOMINATING CAUCUSES, SET FOR MAY 31, MAY BE POSTPONED BECAUSE OF CONFLICTION WITH COMMENCEMENT—OTHER BUSINESS TRANSACTED BY COUNCIL.

City election, at which will be chosen a mayor, recorder and three councilmen, has been set for June 21. This was the decision reached by the Council at the regular meeting, Wednesday evening. The ordinance as it passed, also set May 31 as the date for the ward and general caucuses, but an attempt is being made to change this date to June 1st. The High School commencement exercises have been set for the evening of May 31 and, as the invitations and programs for that are all out, it would be impossible to change.

Besides Mayor Topping and Recorder Kausrud, the retiring officers whose places are to be filled are Councilmen Dippel and Pape, in the West Ward, and F. J. Chatburn, in the East Ward.

Officials for the election will be as follows: East Ward; judges, E. Dyer, S. Mundy and Nora Neilson; clerks, Wm. Mavity and Geneva A. Byrne.

West Ward; judges, Chris. Rasmussen, Mary E. Walker and C. F. Lorenson; clerks, W. S. Littlefield and Guy Dippel.

One of the important matters to come up at the meeting Wednesday night, was that of the cost of lighting the city. Mayor Topping brought the matter up and stated that he had carried on quite an extensive correspondence with other cities regarding the cost of lighting and he had found that other cities having about the same conditions we have here, are paying less than Bandon. After some discussion the problem was referred to a committee, which will investigate and report.

When a committee from the Knights of Pythian lodge made known their complaint that the fire ordinance required that the lodge must lath and plaster the addition which it contemplates building to the east side of its hall, a lively discussion started. Chris. Rasmussen also mentioned the fact that the ordinance required that he lath and plaster the inside of the corrugated iron garage building, which he is building on East First street. This talk brought up the report of the committee recently appointed to investigate the fire ordinance and it was found that the report favored the repeal of the ordinance. The objections to repealing were heated and a compromise was reached, whereby blocks 2 and 3 of Woodland Addition were included in the warehouse district. The lodge and Mr. Rasmussen got the permits they sought.

GRADE PUPILS STAGE OPERETTA PERFECTLY

LARGE CROWD SEES WONDERFUL PRODUCTION AT GRAND FRIDAY NIGHT

A packed house greeted the operetta "In a Flower Garden," given by the grade school pupils at the Grand Theater, Friday evening, and the manner in which the children executed their parts was deserving of the support given them. Complicated as it was, the pupils handled the production perfectly and everyone present commented on the chorus work as being wonderful. The many colored costumes were well set off by the various lighting effects. Too much credit cannot be given those in charge of the affair. Approximately \$45.00 was cleared and the money will be used to buy records for the school graphophone and other needed articles.

Engineer Donald Charleston went to the Bay this morning and will be gone for several days.

PRIMARY VOTE IS NOT ALL IN YET

Board Still Canvassing Results

JOHNSON, LILJEQVIST, PHILIP, I. S. SMITH, BAKER AND McCULLOCH ARE AMONG THE WINNERS—ODDY DEFEATS COLLIER—BANDON VOTE IS LIGHT.

Although the Primary election is now nearly five days past, all of the results are not yet known as some of the rural precincts sealed their result sheets in the ballot boxes and it was impossible to get at them until the County Board met to canvass the vote, Monday. Up to Tuesday evening the official count had not been completed. However, the returns from these small precincts will not materially change the following results:

Table with 2 columns: Office, Name. Rows: State Senator (Ackerman, Smith), Representative Fifth District (Kendall, Peck), District Attorney (Liljeqvist, Miller, Parrow), Sheriff (Johnson, Shields, Barklow), Assessor (Beyers, Nosler), County Superintendent (Baker, Bunch), Surveyor (McCulloch, Henderson), Coroner (Wilson, Johnson), County Commissioner (Philip, Harrigan).

On the Democratic ticket there was only one office for which there was competing candidates. This was the office of County Clerk and the results to date are as follows: Oddy ... 331, Collier ... 255. None of the candidates who were unopposed on the ballot were in any way endangered by the "dark horse" candidates whose names were written in.

In the four Bandon and Two Mile precincts the majorities favored the same candidates as did the county majority, in most cases. There were some exceptions, however. Miller, for District Attorney received a plurality of 20 votes here and Liljeqvist ran a bad third. Shields was given the majority of the Republican votes cast for sheriff and Johnson was in the lead here for Coroner. Considering the number of registered voters in this section, the number of ballots cast Friday was exceptionally light, only a few over 460 people going to the polls.

For the office of justice of the peace and constable for this district, there were no candidates up on either the Democratic or Republican tickets, and numerous different names were written in. C. R. Wade, the present justice of the peace, was re-nominated on both tickets, as was E. M. Bisterby, for constable. Geo. P. Topping was mentioned on some of the ballots for justice and Fred Feiger's friend wrote him in for constable, but the vote for both of the latter was light. In Precinct 57 some joker wrote in "Nick Carter", for constable, and that is the way it went down on the record.

UNAVOIDABLY DELAYED

Owing to a broken part in our typesetting machine, which could not be replaced for forty hours, the Recorder is a day late in going to press. Rather than delay this issue any longer than was absolutely necessary, the inside pages were set by hand, which explains the unusual appearance.
