

THE BANDON RECORDER

VOLUME XXXII

BANDON, OREGON, TUESDAY, JUNE, 27, 1916

NUMBER 75

LOFTY TRIBUTE IS PAID PRES. WILSON

Places Country Above Self

GLYNN SAYS EXECUTIVE IS PRUDENT WITH PRUDENCE OF ONE HOLDING DESTINY OF 100,000,000 PEOPLE—HAS ADDED STRENGTH TO AMERICA'S COURAGE.

Former Governor Glynn, in his keynote speech at St. Louis, paid the following high tribute to President Wilson as a man:

"Americanism and peace, preparedness and prosperity—these are the issues upon which the Democratic party stands, and the heart of Democracy swells with pride that is more than a pride of party, as it bills the man who asserted this Americanism secured this peace, advocated this preparedness and produced this prosperity.

"The man who is President of the United States today has measured up to the best traditions of a great office.

"He has been wise with a wisdom that is steeped in the traditions of his country, with a wisdom that has been disciplined by training and honed by instruction.

"He has been prudent with the prudence of one who has within his hands the destiny of a hundred million people.

"He has been firm with the firmness that proceeds from deep conviction with the firmness that is founded in a duty well defined.

"He has been courageous with the courage that places country above self, with the courage that follows whomever it may lead.

"He has been dignified with the dignity that is self-respecting and self-respecting, with the dignity that serves the majesty of the greatest office in the world.

"He has been patient with the patience which believes and trusts that truth crushed to earth will rise again, with the patience that can endure and wait watch and pray, for the certain vindication of justice, humanity and right.

"He has been patriotic with a patriotism that has never wavered, a patriotism that is as pure and strong as the faith that moved the fathers when they made our country free.

"No President since the Civil War has had so crucial problems to solve; and no President has displayed a grasp more sure statesmanship more profound.

"Assaulted by the wolves of privilege he has pulled their claws and drawn their teeth.

"Assaulted by partisan envy he has shamed his traducers to silence and in the friendship and foe go forward together in the paths of national progress.

"He has fired our patriotism with a new ardor, he has breathed into our ancient traditions a new vigor and a new life.

"He has added strength to America's courage and mingled mercy with America's strength.

"He has instated the brakes of justice upon the wheels of power; he has lifted the mists from the temple where our liberties are enshrined.

"And when the history of these days comes to be written, and the children of tomorrow read their nation's story, when time shall have dispelled all misconception, and the years shall have rendered their impartial verdict, one name will shine in golden splendor upon the page that is blackened with the tale of Europe's war, one name will represent the triumph of American principles over the boasts of darkness and of death.

"That name will be the name of the great President who has made Democracy proud that he is a Democrat, and made Americans proud that he is an American.

"It will be the name of the student and the scholar who has kept his country true to its faith in a time that tried men's souls; the name of the statesman who has championed the cause of American freedom whenever he found it oppressed; the name of the patriot who has implanted his

MRS. HARRY MATHESON DIES HERE LAST FRIDAY

HOST OF FRIENDS OF YOUNG WOMAN, WHO WAS BORN IN COOS COUNTY AND SPENT MOST OF LIFE HERE, ATTEND FUNERAL—CANCER CAUSE OF UNTIMELY DEATH.

Mrs. Harry Matheson, who recently returned here from Aberdeen, Wash., died at the home of her sister Mrs. F. A. Holman, of this city, Friday June 23rd, at the age of 29 years. Cancer, from which she suffered for nearly two years, was the cause of the death. The funeral services were held Sunday afternoon from the Ellington undertaking parlors and interment was made in the Knights of Pythias cemetery. Dozens of lifelong friends attended the services and paid their last respects in beautiful floral offerings.

Jessie Catherine Hancock was born at Lampa, Oregon, August 12, 1886 and lived in that vicinity until she was about seven years old, when her parents moved to Marshfield, later returning to Lampa and after a few months to Bandon. She received her education in the schools of Marshfield and Bandon & many of her old schoolmates are living in this city. In Astoria, June 18, 1910, she was married to Henry Matheson and the young couple moved to Aberdeen, Wash., where Mr. Matheson was employed. In 1911 they returned to Bandon where Mr. Matheson was employed in dredge Oregon and later went back to Aberdeen.

In November, 1914 Mrs. Matheson first began to suffer from the ailment which resulted in her death. During the following spring she underwent an operation and last summer and fall appeared to have regained her health. During the winter, however, the cancer returned and on January 4th, of this year, another operation was performed. In March Mrs. F. A. Holman, Mrs. Matheson's sister, went to Aberdeen and early the following month brought her back to Bandon, where she remained until the time of her death.

Mrs. Matheson leaves the following members of her family: Her husband, Harry Matheson, of Aberdeen, her mother, Mrs. L. S. McLeod, her sister, Mrs. F. A. Holman of this city, and three brothers, G. R. Hancock of this city, S. F. Hancock of Salem, and W. R. Hancock, of Stockton, Cal.

"CLEAN AND COOL" IS MODEL STORE'S SLOGAN

MODERN EQUIPMENT ALLOWS SANTO GROCERY TO ASSURE ITS PATRONS CHOICE OF A LARGE VARIETY OF DAINTIES ALL IN PERFECT CONDITION—REFRIGERATING SHOW CASE IS LATEST ADDITION

"Clean and Cool" is the new slogan of the Santo Grocery, whose modern and sanitary methods of handling everything in the grocery line have made them a host of friends and patrons during the few months they have been established here. Their remarkable business growth has been the result of a policy of promptness and attention to detail, and a desire to increase their facilities for properly catering to the trade.

The latest addition to their already splendidly equipped store room is a beautifully finished refrigerating show case, which while displaying goods to the best advantage, also keeps them in perfect condition. The case is divided in such a way that there are four compartments for different kinds of goods. In the center is the ice chest which keeps the four and divides it at a temperature near the freezing point. In this case are

country's flag on the highest peak to which humanity has yet aspired; the name that carried the torch of progress to victory once and will carry it to victory again; the name of Woodrow Wilson, President, and President to be.

WAR OR PEACE DEPENDS ON CARRANZA'S REPLY TO NOTE

In Answer To Wilson's Call For Mobilization of the National Guard 100,000 Are Mustered and Ready For Duty—Of 84 Men Engaged at Carrizal, 22 Are Now Thought To Be Dead

Whether or not there is to be a diplomatic breach between the United States and Mexico and war, which is bound to follow, is up to Carranza, according to the latest press reports. Sunday a demand was made of him by Secretary Lansing that the 17 American prisoners taken in the Carrizal battle, be released at once and that the United States be informed at once of the future attitude of the de facto towards the American troops now in Mexico.

Throughout yesterday Washington awaited the reply, which was expected momentarily, but it did not come and last night the situation was admitted to be very grave. A failure on the part of Carranza to reply promptly will probably precipitate the crisis that has been expected for the past week, just as will an adverse reply. The question of war or peace is wholly in his hands.

Following the attacks on American expeditionary forces in Mexico last week President Wilson called for the mobilization and mustering into the regular army of the entire national guard of the United States and today about 100,000 militiamen are moving towards the Mexican border. They were mobilized equipped and had signed the muster roll in less than a week's time.

Everywhere recruiting stations are being opened and thousands of young men are answering the call to the colors. Only those who are physically fit down to the most minute detail are being accepted and close on 50 per cent of the applicants are being turned away. In Marshfield a recruiting station was opened Thursday and up to last night 20 men of the draftees who had applied, had been examined and signed up. They are enlisted as members of the Coast Artillery.

The organized, uniformed militia or National Guard of the United States consists of 9,193 officers and 123,165 enlisted men, a total of 132,358, divided among the States as follows, according to the very latest official reports.

| Officers | Enlisted Men | Total | |
|----------------|--------------|-------|-------|
| Alabama | 186 | 2,745 | 2,931 |
| Arizona | 47 | 800 | 847 |
| Arkansas | 118 | 1,342 | 1,460 |
| California | 256 | 3,377 | 3,632 |
| Colorado | 125 | 1,735 | 1,860 |
| Connecticut | 194 | 2,711 | 2,905 |
| Delaware | 41 | 461 | 502 |
| D. of Columbia | 142 | 2,015 | 2,157 |
| Florida | 89 | 1,172 | 1,261 |
| Georgia | 233 | 2,845 | 3,078 |

kept cheese, butter, eggs, milk and other fresh goods. These facilities will allow the handling of many articles which heretofore would not justify handling, because of their rapid spoiling qualities. The many kinds of McLaren's choice cheese is a sample of this kind of goods, a full line of which will be carried in the future by the Santo. A full line of bottled ham and other sandwich meats is another dainty stock which they will be able to carry in the future.

A full realization of the value of advertising is another thing which has contributed to the success of the Santo. Besides carrying weekly advertisements in the city papers, they have realized big returns from window displays of which they have a new one each week. Every display is tastefully arranged and features some one article, or line of goods. By keeping their stock complete at all times they are able to offer their customers an enticing variety, such as the full line of Campbell's Soaps, which made up last week's window display.

| Wyoming | 35 | 590 | 625 |

Total 9,193 123,165 132,358

Latest reports show that of the 81 men of the two United States troops which were engaged in the Carrizal battle, only 48 enlisted men and one officer have returned to the American lines. Seventeen are known to be held as prisoners by the Mexicans, but the fate of the remaining 22 men is unknown. Two squadrons, under Major Jenkins, are continuing the search in hope that more have "scrambled" and are making their way towards the American lines. The report of Captain Meroy, the only officer to survive, to his superior officers has not been made public. Troopers who have returned say that as the American and Mexican forces met General Gomez rode forward with his aids to confer with Captain Boyd and later moved towards the front of the Mexican troops, which had been closing in on the Americans. Their first indication of hostilities was when the Mexicans opened on them with machine gun fire while they were still mounted.

LOCAL PARTIES START ON LONG MOTORING EXCURSION

Mr. and Mrs. Wm. Rodgers accompanied by Chas. Bowman, left Bandon Friday morning in Mr. Rodgers' Ford on a motor trip that will take them over several hundred miles of Pacific Coast roads before they return to this city. Their goal when they left here was Seattle, where they will go by way of Roseburg and Portland, following the Pacific Highway through Oregon and Washington. While in the northern state they will make side trips to Tacoma and other Western Washington cities, as well as Vancouver and Victoria, B. C.

The trip will be made by stages and they expect to be gone between two and three weeks, camping out or stopping in hotels as night overtakes them. They have with them complete camping outfit and will spend as much of the time out of doors as possible. On their return to Roseburg they may continue on a long the Pacific Highway into California and return to Bandon by way of the Coast road.

NEW SCHOOL OFFICIALS ELECTED AT TWO MILE

RESULTS OF ELECTION ARE CONSIDERED VICTORY FOR FRACTION WHICH WISHES TO BUILD NEW SCHOOL HOUSE ON TOWNSHIP LINE ROAD—BUDGET IS REJECTED.

What appears to be a victory for the residents of the Two Mile school district who have been fighting to have the new school house built on the Township line road, was won at the annual school election held in that district, last Monday, when Chris Robert and Samuel Wood were elected to the offices of director and clerk, respectively.

The election was one of the most hotly yet held in the district, inasmuch as the location of the school house to which is to replace the one destroyed by fire last summer, involved to a large extent, the result. Twice the question of the location has been before the voters and both several obstacles have been placed in the way of actual construction work. The retiring officials were W. Z. Duane, chairman of the board of directors and Arthur Covell, clerk, both of whom, it is understood, wished to see the building reconstructed on the old site, on the present county road. Both of the newly elected officials favor the Township line location.

Still another election will have to be called before the affairs of the district can be straightened out. At Monday's election the annual budget was rejected by the voters because it failed to include an item of expenses which was incurred in trying to have the school house reconstructed on the old site. This necessitates another budget being drawn up and submitted to the voters at a special election.

MARSHFIELD, AT HOME TOO MUCH FOR BANDON

BOWLERS GO DOWN TO DEFEAT ON BAY CITY ALLEYS—SECOND CONTEST OF TOURNAMENT—HOME TEAM TAKES BIG LEAD IN FIRST GAME AND LOCALS WIN SECOND GAME

Bandon bowlers were decisively defeated in the second contest of the bowling tournament between Bandon and Marshfield, on the Bay city alleys, Friday night. Besides having a total margin of 204 pins to the good, the home team took two of the three games by big leads. Bandon took the second game, but was able only to cut down the 129 pin lead established by Marshfield in the first game by a scant 13 pins.

Going onto alleys with which they were entirely unfamiliar as did Marshfield on the preceding Friday night, the locals were unable to find the head pin consistently at any time during the entire three games and "marks" were the exception instead of the rule. All of the "strikes" made by Bandon could almost be counted on the fingers of one hand. Carl Bowman alone rolled a fairly consistent game for the visitors and was high with an average of 153. Bandon's poor showing can be judged by the fact that Marshfield averaged less than 150 pins to the man and the high score for the evening was 181, made by Connor in the first game.

Each of the teams has now won one contest and the tie will probably be played off within the next few weeks, but when and where has not yet been decided. The second Friday night game:

GEO. P. TOPRING IS RE-ELECTED MAYOR

Morrison Runs Close Race

VOTERS RETAIN E. R. KAUSNER AS CITY RECORDER AT WEDNESDAY'S ELECTION—CHRIS BURN CONTINUES AS COMMISSIONER FROM EAST WARD, WHILE MCNAIR AND PERRY ARE ELECTED FROM WEST.

Wednesday's election campaign to being the "Waterloo" of the city, who have directed the affairs of the city during the past two years, especially because their supporters failed to go to polls. At least that is the way some Bandonians have put it out the returns.

Geo. P. Topping who has served one term and who was a candidate for re-election won out over his opponent, H. F. Morrison, by a margin of 15 votes, for mayor. E. S. Kausner running against a field of three for re-election as City Recorder, had the best of the race by 14 votes when the final returns were in. For the latter office the race was really between Kausner and H. C. Harrington. In both of these contests the count was so close that the results were doubtful until the last ballots were counted and the official summary made up. All during the evening people pressed toward the polls between the polling places, the excitement was more intense than at any election during recent years.

Of the two councilmen running for re-election P. J. Chathurn was successful one, winning out over Frank Gill, his nearest competitor in the East Ward, by 11 votes, he and West Ward G. R. McNair and E. S. Perry were elected by unanimous majority, with Frank Hufford being third out of the four candidates for the office.

One result of the election appeared to be the big surprise of the day, the passing of the 15 mill tax limit amendment. Even during the progress of the election the general sentiment among the business men and others who were in touch with the situation, was that the amendment would pass by a big majority and a number of the merchants expressed themselves as being unwilling to contribute to pay the occupation tax, which would be necessary should the amendment pass. The amendment authorizes the Council to raise the city tax levy to 15 mills, should that amount be necessary to meet the operating expenses of the city, and will supplant the occupation tax which was levied to make up the deficit made by the loss of the saloon license revenue, January 1st.

Following are the returns of the election by wards:

| | East Ward | West Ward | Total |
|-----------------------|-----------|-----------|-------|
| H. F. Morrison | 84 | 119 | 203 |
| Geo. P. Topping | 99 | 117 | 216 |

MRS. ORA GÄRTEN AND FRANK TIMMONS ARE WEDDING

Mrs. Ora D. Garten and Frank D. Timmons, both of this city, were married at the home of the bride at four o'clock, Wednesday afternoon, June 22, at the residence of the officiating clergyman. The ceremony was followed by a wedding dinner at which nearly forty friends and relatives were the invited guests, while several chorivari parties enjoyed the celebration of the event. Mr. and Mrs. Timmons will spend their honeymoon on a camping trip in Curry county.
