

Pile Up Your Money For a Rainy Day!

ONE of the queerest things about some people is that they will not follow GOOD ADVICE when they KNOW they OUGHT TO. Perhaps we are all more or less that way. All the wise men of all ages have urged their fellow beings to PUT AWAY SOMETHING for a RAINY DAY. Good old Benjamin Franklin's sayings on economy and saving alone ought to make a bank book holder of EVERY ONE. If you have DELAYED, suppose you act HONESTLY with YOURSELF RIGHT NOW.
