## ENTHUSIASM MARKS MEETING HELD BY **COUNTY MERCHANTS**

SUCCESS OF BUSINESS MEN'S AS-SOCIATION APPARENT TUESDAY NIGHT.

Members From All Parts of County Rub Elbows With Locals at Big Spread and Talkfest Held at Odd Fellows Hall-Spirit of Optimism Prevails.

About fifty merchants of North Bend, Marshfield, Coquille, Myrtle Point and Bandon gathered around the festive board at the local I. O. O. F. hall Tuesday evening. The ocof the Coos County Businessmen's travel except that it has no outlet association.

J. W. Mast acted as toast master the toastmaster and various members.

The Golden Rule in Business

Replying to Mr. Mast's address of he among other things assured the visitors that Bandon was progressive, optimistic and its merchants felt honored to have the association as its guests; M. C. Maloney of Marshfield gave a short and pithy address. place in business," he said in closing, out for his competitors and customer's scalps is past. Co-operation is the watchword of the present."

### Advertising is Important

B. B. Weldy of North Bend gave an interesting discussion on the value of advertising. He showed its and that it was the corner stone upon which the success of the great mail order concerns of today are laid. little to fear in such competition,"

## Next Chapter in CARCASS OF HUGE **Oregon** Avenue **Case About Due**

Atty. J. D. Goss of Marshfield was in the city this week in the interests of the Oregon Avenue case. Mr. Goss is representing Father Keveney and the Catholic church in the injunction recently brought by the latdown the hill where Oregon avenue is to intersect with Wall and Second streets. He states he is gathering evidence and will be prepared to put up a stiff fight. The case will probably come up in Circuit court

at Coquille within the next two weeks. Attorney G. T. Treadgold will appear for the city.

The improvement of Oregon avenue has been completed from Fourth casion was the tri-monthly meeting street south and is in fine shape for ed mass rolling in the surf. His gineers in repairing and probably who after the first of the year will that can be traveled by auto.

Should the injunction be sustainat the banquet and interesting and ed by the Circuit court, still more instructive speeches were made by difficulties will likely be encountered before that famous avenue is fi- and battered mass covering a space offered to add sufficient money up to former mayor and present councilnally completed.

tures the concensus of opinion of the council was that it would be imposite sible to trim expenses much lower. None of them favored the occupational tax except as a last resort, but the opinion was that something must be done soon.

"To cut city expenses appreciably lower would require a most radical change," said Mayor Topping, "and to do so would leave the city practically without a government. We have reached the minimum and to cut lower means deterioration.

"If we cut out the mayor and councilmen's compensation entirely and reduce every city employe's salary by half we could care for only a little over half of the deficit. But county, having about 150 members, throughout the country. He said has told of the find, are of the opincould let streets and sewers deteriorate and we might cut out a few of the residence section lights, but what would you do when repairs absolutely had to be made?"

> Among the audience taking part in the discussion were Chris Rasmussen, R. E. Buck, J. H. Jones and E. H. Boyle. Messrs. Rasmussen and Boyle favored the occupational tax as the last resort. Messrs. Buck and Jones did not.

Church Ladies to Entertain

The Guild of St. John's church is preparing for an elaborate food sale and entertainment to be held Wednesday, November 24th. It will take place in the building formerly cccupied by the Boyle Jewelry company. In the evening ice cream will be served and the entertainment will consist of a fish pond for children, fortune telling by a gypsy and a "ball."

A WOMAN CRIES TO KEEP FROM SWEAR-ING: A MAN SWEARS TO KEEP FROM CRY-ING.
