Mrs. Edward Fahy, Sr.

"To live in the hearts we leave behind us is not to die."

Mrs. Edward Fahy, Sr. was born in Stouderheim, Germany, April 13, 1835 and died at the Fahy home near Bullards on December 18, 1915, being a few months past eighty years of age. She had been in good health for one of her age up until a short while ago when a severe cold was contracted, complications of which resulted in death. The funeral services were held at the local Catholic church, Tuesday at 10:30. Father Keveny officiating, and burial was in the Catholic cemetery.

Mrs. Fahy's maiden name was Sarah Sponklemer. In the year of 1857 she left Germany for the United States, first landing in New York City. From that place she traveled to San Francisco via the Isthmus of Panama, and came to Port Orford in 1859; being accompanied on the long journey by Mrs. John Kronenberg of Coquille, mother of J. L. Kronenberg of this city, and Mrs. Fannie Dyer of this city; both life-long friends who survive her. She resided at Port Orford but a short while, being married to Edward Fahy in the year 1860, and they moving to this section shortly afterwards. Mr. Fahy secured the property known as the Fahy homestead and the family has resided there continuously ever since. Deceased was the mother of 9 children, 8 of whom are still living: E. W. Fahy, Isadore Paul Fahy, S. W. Fahy, Francis J. Fahy, C. G. Fahy, Florinda Fahy, Mar E. Fahy, Mrs. A. H. Brown; and Mrs. Oscar L. Gruggel, deceased.

Deceased was for many years prominent in the social life of the community. She was an earnest worker and a faithful member of the local Catholic church, in the establishment and up building of which she played an important part. She will be missed by the host of friends and relatives who mourn her death.

DISTRICT ATTORNEYS CONFER AT SALEM

Farmers Will Not Be Allowed to Sell Hard Cider is Decision Reached—Pharmacists to be Bonded.

Salem, Ore., Dec. 17—Twenty district attorneys from various Oregon counties met here today in conference with Attorney General Geo. W. Brown to discuss ways and means for enforcing the Oregon prohibition law after January 1.

One of the questions decided was that farmers will not be permitted to sell hard cider. The farmer, it was held, may allow his cider to turn to vinegar and sell the vinegar, but it will be held unlawful throughout Oregon for cider to be sold while it is between the sweet cider stage and the vinegar stage. It was the declared consensus of opinion that prosecutions under the prohibition law shall be brought only in cases where there is good prospect of conviction, the idea being that numerous acquittals would tend to weaken the law's effect.

It was decided that each pharmacist employed in a drugstore which handles liquor shall be required to furnish a bond as well as the proprietor and that each shall keep a separate record of sales.

FATHER OF ELEVEN SERIOUSLY INJURED

Family Lost All Their Belongings on Santa Clara and May Need Help.

Charles Landis, an employe in Anderson's camp, was struck on the head by a falling tree several days ago and has since been at Emergency hospital in charge of a special nurse. He has been delirious and at times has tried to escape by jumping out of the second story window. The injured man is in a pitiable condition, having a wife and eleven children to support.

He has no money and the family lost all their household effects in the wreck of the Santa Clara, while enroute here from Michigan. The county has been appealed to for the hospital fees and it is probable that some of the citizens will see that aid is extended to the family.

WAS A BOOSTER FOR CURRY CO. 61 YEARS

F. M. Langlois, First Postmaster of Langlois, Retires From Active Life—an Honorable Career.

F. M. Langlois, the first postmaster of Langlois, and after whom the place was named, in company with his son-in-law and daughter, Dr. and Mrs. Lee Pemberton, have been in Bandon visiting relatives and friends the past week, prior to their removal to Myrtle Point, where they expect to locate. Dr. Pemberton has purchased the practice of Dr. Johnson of the latter place, who will go to Marshfield.

Mr. Langlois has been a resident of Curry county for the past 61 years. He conducted the postoffice and a store for 18 years, after which he located on his fine big ranch a mile or two from town. He was a highly successful farmer and dairyman and recently sold out to E. B. Thrift at a handsome figure.

Probably no man in the Langlois section has had a greater influence for the good of that community than Mr. Langlois. He has been a constant worker towards its upbuilding and it is largely through his efforts that the favored "Dairyville" as it is often referred to, has become one of the most prosperous sections of southwestern Oregon. He has done a full share of life's honorable work and is deserving of rest and recreation for the balance of his years.

M. E. Church Program

It is announced there will be a special Christmas Eve program at the Methodist Episcopal church on Friday, December 24th. It is also planned to have a special Sunday morning. All are most cordially invited to attend. The choir will meet this evening at the home of Mrs. Wilson, in the Timmons building.

Metal Case Dropped

It wasn't possible to identify the rabbit metal found in a Bandon junk shop with the Surf office's type from which it was supposed to have been made, and so the investigation of a couple of men there didn't result in an indictment.—Coquille Sentinel.

The Boyle Jewelry company has the agency for a Marshfield florist, and takes orders for all kinds of flowers and designs.

Mrs. Kausrud Resigns

Mrs. E. B. Kausrud has tendered her resignation as a member of the school board and the same was accepted at a meeting held this afternoon. An election will be called after the first of the year to fill the vacancy.

The Bandon High school debating team for the 1916 contest will be selected from the following: Harold Johnson, Helen Thornton, Belle Chatburn, Mildred Langley and Richard Crain. These were the successful contestants in the try-out which was held Friday afternoon. The judges were: Rev. C. Mayne Knight, H. Quigley and Miss Erma Craine.

FOUR MILE MAY HAVE A CHEESE FACTORY

Plans Under Way for That Section and New Lake to Combine and Put in a Plant.

Sunday, December 19 at 10 o'clock was the date and time set by the Four Mile and New Lake dairymen to meet at Four Mile to discuss ways and means to establish a cheese factory at the latter place. True to their word, the Four Milers were on the spot to a man but only one New Laker showed up, consequently nothing could be done as it certainly will take the combined forces to make a cheese factory a paying proposition at this place. By a careful estimate we find 166 cows available and it would take at least as many more before any of us would care to interest ourselves in a factory. Consequently unless our New Lake neighbors come in with us the proposition will be thrown up.

A committee of two was appointed to call on some of the dairymen at New Lake and get the real sentiments in regard to the matter. It will be a question of "haul" and if some reasonable plan can be threshed out to get the milk freighted through we think the New Lake aggregation will stand with us. That the cheese business is far ahead of the butter and cream business has been firmly demonstrated time and again; even last season the Two Mile factory paid from 6 to 8 cents more per pound for butter fat than did any of the creameries. Verily there must be some method of getting together in order to save this big loss. It stands us in hand to give this matter a very careful consideration.

Mr. and Mrs. Otto Werth of Bear Creek were visitors at the Willoughby ranch Sunday.

Mrs. C. F. Waterman was a Sunday visitor at the DeOs ranch.

There is an epidemic of lagrippe prevailing at Four Mile at the present writing. Several persons are seriously ill with it.

Ben Haines has invited the Four Milers to participate in a grand Christmas ball to be held at his place Christmas night.

Card of Thanks

We wish to express our heartfelt thanks and appreciation of the many friends who so kindly assisted us; and extended their sympathy during our recent bereavement.

MRS. P. J. RASSETTE, and Son.

The Coos & Curry Telephone company has issued invitations for its annual dinner and dance to be held at the Chandler hotel, Marshfield, on Saturday evening, January 1st. The guest list includes all the employes of the company in North Bend, Coquille, Gardiner, Powers, Marshfield and Bandon. The married employes of the company are asked to bring their wives. After the dinner, the gentlemen friends of the young ladies will join them in a dance. The ladies of the local exchange are already preparing for the big time.

One of the most beautiful pieces of Myrtle furniture ever shown in Bandon, has just been completed by L. W. Robinson, local cabinet maker. It is a music cabinet that stands over three feet high. The boards had all been cut from one piece and are splendidly matched and the entire piece highly polished. The cabinet was made for Mr. McDonald, chief engineer on the Speedwell.

John Dimmit of Coquille, was a Bandon visitor the first of the week. Mr. Dimmit is a K. of P., and was a visitor of the local lodge Monday evening.

BREAKS HIS PAROLE

Rollin E. Edmunds May Go to the Penitentiary.

Rollin E. Edmunds, who was recently arrested at Roseburg, and brought to Coquille, faces the possibility of going to the penitentiary. Last January he was arrested and indicted for forging the endorsement on a check made out by Albert Schroeder for about \$40. He was sentenced to a term of from two to twenty years in the penitentiary but was paroled at once. Recently he was accused of stealing a watch and some other valuables at Myrtle Point and fled to Roseburg where the officers had him detained. Because of breaking his parole he can now be sent to the penitentiary to serve out his sentence on the forgery charge without further trial.—Coos Bay Times.
