

SPORTS OF THE WEEK Throughout the County

BANDON WINS FROM RIVERTON 12 TO 7

LOCALS GIVE DEMONSTRATION
OF SPEED AND TEAM WORK
THAT OUTCLASSES.

But a Small Crowd Accompanied the Team on Excursion Saturday Night—Game is Featured by Fast Passing and Few Open Shots at the Baskets.

There is only one regret to be voiced about the basket ball game between Bandon and Riverton, in the latter town Saturday night, and that is—that so few good Bandonians were there to witness the scrap which reminded one so vividly of the good old days when Gallier, Laird, Bowman, Watkins and others wore the black and gold.

Following as it did upon the poorly played game with the Oerding brothers here, New Years night, the performance of Coach Quigley's hopefuls against the "Coal diggers" was a revelation. The 12 to 7 score by which they won, is no indication of the class of ball put up by the high school. At no time was there any doubt as to what the final outcome of the game would be, for the Riverton lads were completely baffled by the speed and team-work of their opponents and were able to score only three field baskets and one foul. Passing was the big feature of the game, with the ball in Bandon's possession most of the time. The small size of the floor made it an easy matter for a man to keep his opponent covered and there were very few open shots. So small was the floor that the ten players, the referee and the umpire crowded it considerably.

Bandon took the lead early in the first half, every man except Johnson scoring a field throw, while Leslie Pullen converted three fouls out of three tries. Twice during this period Wilson got loose from his guard and connected with the loop, scoring the only four points that Riverton was able to accumulate. In the second half both teams settled down to one of the gamiest fights ever seen in the county and, in the matter of points, Riverton had the best of things, scoring three to Bandon's one.

The high school students and other basket ball fans have more cause to be elated over Saturday's game than any work which the local boys have done this season. If they put the same amount of fight and team-work into the coming league games, their list of victories promises to more than balance their defeats.

The line-up was as follows:
Bandon—L. Pullen, forward; I. Pullen, forward; Reed Gallier, center; Webb, guard; Johnson, guard.
Riverton—Robertson, forward; Wilson, forward; Simonsen, center; Miller, guard; Floyd, guard.
Referee, Quigley; umpire, McNair; scorer, Moore; timekeeper, H. N. Crain.

John Barrymore is conceded to be the best comedian in the business. See him in the "Dictator", a five reel comedy at the Grand Sunday.

HIGH SCHOOL LEAGUE OPENED LAST FRIDAY

MARSHFIELD AND COQUILLE
WIN OUT IN FIRST 2 GAMES
OF 1916 SCHEDULE.

Initial Contests Indicate That Fans Are to See High Class Ball This Year, With Bandon, Marshfield and Coquille as Championship Contenders.

| Standing of the Teams | | |
|-----------------------|------|------|
| | W—L— | Pct. |
| Marshfield | 1 0 | 1000 |
| Coquille | 1 0 | 1000 |
| Bandon | 0 0 | 0000 |
| North Bend | 0 1 | 1000 |
| Myrtle Point | 0 1 | 1000 |

Results of Friday's games—Marshfield 52, North Bend 6; Coquille 34, Myrtle Point 14; no game at Bandon.

Friday night's games at Coquille and Marshfield opened the 1916 season of the County High School league and the results give the first reliable dope as to the strength of the different teams this year. All of the schools have staged practice games but they were truly practice games, giving no indications of the form that will be exhibited by the respective quintettes in the regular schedule.

Before their men even appeared in suits, Marshfield had to be figured as a strong contender for championship honors this year. Out of last season's first place team they lost but one man by graduation, Lecouq, at center, consequently Coach Niles has nothing to do beyond putting the finishing touches on the squad he developed last year. That he has succeeded in this to a high degree is evidenced by the 52 to 6 defeat his boys administered to North Bend, at Marshfield Friday night.

Judging from the manner in which they took Myrtle Point into camp last week, Coquille is not to be the "weak sister" that was predicted of them by some. Although not of the weight of the teams usually put out by the county seat school, they have plenty of speed and an abundance of fight.

The game with Riverton, Friday, showed the locals to be in the running and the contest for first place honors should be between Marshfield, Bandon and Coquille, with the former slightly the best bet. The fact that no two of the playing floors in the county are the same is going to have considerable influence in deciding the championship. Either of the above mentioned three is going to experience difficulty in defeating the other two on their home floors. A tie between these three schools is no way beyond the limits of probability.

Whatever the final results, basket ball fans all over the county are going to see closer contests and a better class of ball this year than ever before, for not one of the five teams is so weak but it may upset all the dope during the next few weeks.

District Attorney L. A. Liljeqvist was a Bandon visitor the first of the week, and according to Schmidt Hansen, was sizing up the various soft drinks being sold in the city with a view to determining whether or not they comply with the new prohibition law.

N. Neiman of the Longston Construction Company of Coquille was a business caller in the city the forepart of the week. Mr. Neiman returned from San Francisco last week. He states that everything is being sold out at the exposition grounds and that many articles are practically being given away.

A silver cup as a prize will stimulate interest in spelling matches among the grades in the High School building the rest of the year. Each month they will hold a contest and the winning room will have possession of the cup for the month following. At the end of the year the grade having had the cup the largest

Swamped

When a man's efficiency is on the decline—when after a long day of effort the mass of work still stares him in the face—it's time to find out what's wrong.

Frequently a lack of certain necessary nutritive elements, in the daily diet, lessen mental and physical activity. A prime factor in efficiency is right feeding.

No food supplies, in such splendid proportion, all the rich nourishment of the field grains, for keeping the mental and physical forces upbuilt and in trim, as

Grape-Nuts

Made of whole wheat and malted barley this famous pure food supplies the vital mineral salts, often lacking in the ordinary daily diet, but imperative in building sturdy mental, physical and nervous energy.

Then, too, there's a wonderful return of power for the small effort required in the digestion of Grape-Nuts, which, with cream or good milk, supplies complete nourishment.

"There's a Reason" for Grape-Nuts

number of times will have its name engraved thereon.

Herman Hongel was a caller in this city last week. He formerly resided in this city, but has made his home at Bandon for the past ten years. Last summer he purchased the west half of the Hansen farm, adjoining Prosper, and has made many noteworthy improvements on the same since taking possession, among them being a new dwelling house, barn and other out-buildings. Herman says that he never thought that he would settle down on a farm, but since he has got located he is very much attached to the "simple life."—Marshfield Sun.

Local Lad Must Serve Term

A Coquille dispatch says that Rollin Edmonds must go to the penitentiary. His parole has been revoked and he must serve his term of from two to 20 years. Two years or less ago he passed a forged check, was brought into court, and released on parole during good behavior. In the meantime the family moved from Bandon to Pendleton, Oregon, where the father died of blood poisoning, contracted while working with dye-stuffs in the woolen mill there, and the boy, who went to eastern Oregon with the family is said to have married. Then he came back to Myrtle Point, gained the confidence of another girl and secured her watch and \$10 and skipped to Roseburg. He was arrested there and brought back. His parole was consequently revoked. Edmonds is about 22 years of age.

Down on His Back

"About two years ago, I got down on my back," writes Solomon Bequette, Flat River, Mo. "I got a 50c box of Foley-Kidney Pills and they straightened me right up. I recommend them to all who have kidney trouble." Rheumatic aches and pains, soreness and stiffness, sleep disturbing bladder trouble yield quickly to Foley Kidney Pills.—Orange Pharmacy.

Times Loses Case

Coquille, Jan. 10.—The jury in the case of the Coos Bay Times vs. Coos County, brought in a verdict in favor of the county late Saturday night. The cases, it was announced, will be immediately appealed to the Oregon Supreme court. In the trial in Circuit court, Judge Skipworth's ruling confined the evidence simply to the question of whether or not there was a definite contract for a rate of three or five cents per line and did not permit evidence as to whether five cents per line was a reasonable charge.

No New Project for Coos Bay

Washington, D. C., Jan. 10.—Representative Hawley was advised by the chief of engineers that no new project for the improvement of Coos Bay will be recommended to Congress until the local engineer can determine the permanency of the channel dredged during the past season.

Tell your neighbor about the World.

FOUR MILE "SMOKELESS"

PURCHASING DAIRY STOCK

Humbolt Firm Secures Fine Lot of Curry Cattle for Shipment.

(By Clem.)

John Hurley has been in Curry county the past two weeks buying dairy stock for a Humbolt county (California) firm.

The cattle were gathered at Langlois last Sunday and started for Coos Bay via Myrtle Point. At that place the herd which numbered 53 head, was inspected and then driven to Marshfield. If the venture proves successful several shipments will in all probability be made up from the herds of this and the Curry county section.

The firm which Mr. Hurley represents are backing a Swiss colony in Humbolt county, California, they purchasing and gathering the dairy

herds. As the boat can only accommodate about 50 head at a time it will take several shipments to fill the requirements. Burke Willoughby assisted Mr. Hurley in driving the bunch to the Bay, and as the boat does not sail until the fifteenth of the month with the consignment, the boys will not be back before the first of next week.

A half dozen of the Four Mile young folks attended an invitation dance and supper at the Bethel ranch last Friday evening. About forty guests were present. All reported a splendid time and were high in their praise of the elaborate supper served. Quite a crowd of Four Milers gave a supper party at the Frank Waterman home last Saturday evening. All brought well-filled baskets and enjoyed a general good time.
