The Military Girls at Chautauqua

THE Military Girls' singing orchestra, novelty drill, drum corps, melange of irresistible femininity, are to give two sparkling programs on the third day of the Ellison-White Chautauqua this summer. There are

six of these bewitching girls, and they are glowing with first honors from one of the largest of the Eastern Chautauquas last season. The Military Girls are rated very high as an orchestra. Then, while their astonishing special-

ties have all the snap, splash-dash of a girl galaxy vaudeville headliner, the utmost refinement pervades throughout. The Military Girls just bubble happiness; that's all.
