Teach the children to be thrifty;

urge them to SAVE and INVEST in

Thrift Stamps and War Savings Stamps, thus LOANING their money to the government to HELP WIN the WAR.

We will extend every courtesy to the children who desire to purchase Thrift Stamps and will explain to them in detail just how to proceed to become money-lenders to the United States. Nearly every child has a little bank at home which contains sums ranging from a few cents to many dollars. Such savings should be invested in Thrift stamps and thereby setting these funds at work earning for the children a good rate of interest. The lesson to be gained will be far more valuable to the children who will become so imbued with the importance of saving that it will have a most desirable economic effect on their lives in future years.
