### MRS. HENRY ROYER

The death of Mrs. Henry Royer,  
aged 77 years, 11 months and two  
days, occurred at the home of her  
daughter, Mrs. Willis Hoover, on the  
Bills creek road November 20th, after  
having been ill since the 3d. The body  
was taken to Norway and interred in  
Norway cemetery, Rev. C. H. Bark-  
low officiating. Deceased was born  
in Mobash, Indiana. She came here  
with her husband many years ago and  
for many years resided in the Myrtle

Point Section. Her husband recent-  
ly lost his mind through sickness  
and old age and is at present at the  
hospital in Salem, where he is report-  
ed to be gradually weakening.

### All Mixed Up

H. H. Dufort calls attention to an  
article concerning a case of Gray &  
Gray vs. H. H. Dufort, Bertha Dufort  
and R. M. Joy, in which the Gray  
brothers attempted to collect \$151.50  
for cutting airplane cedar. The article  
had a Coquille date line, and was  
woefully distorted according to Mr.  
Dufort. Sam Montigue was the defen-  
dant in the case and he won it, the  
Grays paying all the court costs. Mrs.  
Dufort brought a counter action  
against the Grays for having named  
her a defendant and got judgment  
with costs against them. The Grays  
had worked only six days instead of  
29 and the timber was on Four Mile  
instead of Sixes. It was cedar and

not spruce and the government in-  
spector was McDuffy instead of Mc-  
Donald. After McDuffy gave his  
evidence the plaintiffs had no case  
left. Atty. I. N. Miller represented the  
defendants.

James S. Hughes of Sixes is in  
Bandon today on business.

Mrs. W. C. Sellmer is at the  
Emergency hospital receiving medical  
treatment.

to Mr. and Mrs. Lester Fitzhugh, at  
Sixes, an eight and one-half pound  
boy.

Miss Edyth Sumner who is attend-  
ing the Normal school at Monmouth  
is home to spend the holidays with  
her parents.

H. C. Allen is completely recovered  
from the chicken pox. His son,  
Clarence, is ill of jaundice but his  
case is not serious.

G. E. Langlois after spending a  
week here visiting his parents Mr.  
and Mrs. J. N. Langlois of Bandon  
left for Grants Pass where he will  
join his wife.

Wesley Miller of Sitka, Alaska,  
who has been in training at Camp  
Lewis was here last night on his  
way to Gold Beach where he will  
visit his parents.

BORN—Friday the 13th of Decem-  
ber, to Mr. and Mrs. J. F. Henyan of  
Bandon, a son. There was nothing  
unlucky about it as the boy weighs  
10 1/2 pounds and is fit as a fiddle.

Benson Polytechnic school in Port-  
land, accompanied by his wife return-  
ed to Marshfield Saturday. Mr. Laf-  
faw has been discharged from the

C. Page, Frank Bates and John De-  
Costa.

Mrs. John McGraw has received  
a letter from the government author-  
ities that her husband will soon be  
discharged from the service. Sergeant  
McGraw was a member of the cavalry  
and for a year or more was stationed  
on the Mexican border. Later he was  
transferred to the Signal Corps and  
came to Bandon to be employed at  
the Moore mill with the detachment  
stationed here. When the local squad-  
ron left he accompanied it to the  
headquarters at Vancouver. It is from  
there that he will be discharged.

W. H. Gosnell, local representative  
of the Suffern Company, left for his  
home in the east Saturday, having  
been called there by the illness of his  
father. He intends to return to Ban-  
don. The Suffern company several  
months ago shipped a large consignment  
of machinery to Bandon in view  
of taking chrome out of the black  
sands. Mr. Gosnell was to have  
charge of the operations. However,  
soon after the machinery arrived  
trouble arose over the title to the  
ground the company was to occupy
