Owing to war being made on the O. R. & N. steamers by the Southern Pacific Railway company, there has been a reduction in O. R. & N. steamer rates between Portland and San Francisco. Heretofore the rate has been \$16 for first-class cabin passage, and now is \$12; steerage has been \$8, and now is \$6.

Another of the socials of the Epworth League, of the Methodist church, was given Thursday evening last. Miss Elsie Rosenzweig entertained the members at her home. A short devotional and business service was held in the lecture room of the church, after which all adjourned to partake of the hospitality of the evening. Games and amusements were participated in by all present, Tiddle-de-winks being the favorite game of the evening. Most excellent refreshments were served by the hostess and at a reasonable hour the happy guests departed for their homes. It is indeed true that these entertainments are growing more popular with our young people.

Tribune: Two new woman patients have been received at the county hospital. One has been employed as nurse in the family of Elmer Brown at Athena, the members of which are afflicted with diphtheria. Saturday night she came to town and attempted to take up her residence in a private family, but the authorities took proper precaution and quarantined her to the county hospital.

A sheep herder, dwelling in a tent near Pilot Rock, awoke the other night to find the interior of the tent and his effects burning up. Here is a new way to make money easy. Take a new dollar bill, fold it over and double it, fold it several times each way and open it out again and you will find it increases. Take a silver half dollar, strike it on the counter and it will ring; give the ring to your best girl and you will have the half dollar left.

At a recent revival one of the bashful young men over the hill, was approached by an earnest young lady who said to him: "My dear friend, it would do my heart good to lead you to the altar." The young fellow hesitatingly replied that he appreciated the honor, but he was already engaged to two girls and could not accommodate her.

For seven years or more Mrs. W. D. Louder, of Quincy, Ky., was subject to severe attacks of cramp colic. Mr. S. A. Moore a druggist of that place, recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy, which has effected a permanent cure, saving her much suffering besides the trouble and expense of sending after a doctor, which was often necessary. For sale by Osburn.

A severe rheumatic pain in the left shoulder had troubled Mr. J. H. Loper, a well known druggist in Des Moines, Iowa, for over six months. At times the pain was so severe that he could not lift anything. With all he could do he could not get rid of it until he applied Chamberlain's Pain Balm. "I only made three applications of it," he says, "and have since been free from all pain." He now recommends it to persons similarly afflicted. It is for sale by Osburn.

The South Omaha Daily Stockman contained last week a record of sale in South Omaha stockyards of a bunch of Umattilla county cattle. J. M. Hays' spirited horse used on his delivery wagon, became unmanageable Tuesday near Bloch's store. The cause was the breaking of the singletree and but for the coolness, nerve and presence of mind, together with a liberal supply of muscular force judiciously and freely used by Mr. Hays in a most expeditious manner, we might have been called upon to chronicle a serious smashup. Fortunately for Mr. Hays, the horse and all concerned, that gentleman prominently, put a minute quietus on the equine's propensity for delapidating, and no further damage than above noted was sustained, which taking the fleetness of the horse into consideration was indeed fortunate.

G. T. Elgin, George Barnhart, James Nelson, T. J. Kirk, O. Hendrickson, E. B. Shafer, James W. Shafer, David Duff, Wm. Duff and Grant Erhart brings suit against School District No. 60 and Sheriff Houser. The Helix band will reorganize.

THE PIPE IS LAID.

And a Thorough Test Will Be Made Next Week.

The Matheson pipe that will convey water for Athena's system is all laid, and the fire hydrants have been put in place. The big pump rests soundly on its cement foundation in the engine room at the mill, has been tested and found to be in perfect working condition. On a wheat platform near the O. R. & N. depot, California red wood timber is being dressed and prepared to construct the tank that has a capacity to hold 44,000 gallons of water; the second coat of paint is being put on the massive framework by Messrs James Stamper and Wes Ward. Taking the conditions of the weather into consideration, and the inconvenience necessitated by delay of pipe on the road, Supt. Cummings has rushed the work through in a very short space of time. It is the opinion generally that when completed, Athena will have a good, substantial water system.
