Wanted to be on the Safe Side. Frank P. Hobson and wife, of Hobson-

ville, Tillamook county, who was mar-ried fiteen years ago, having quite a family of children, were remarried last Tuesday by Judge Sappington. They were regularly married the first time and bave a marriage certificate, but late decisions in the supreme court regarding certain technicalities, which might operste in their particular case, caused them to take out a license and get married again, so that they might be on the safe side in their relations to their family.

In a recent letter to the manufacturers Mr. W. F. Benjamin, editor of the Specta-tor, Rushford, N. Y., says: "It may be a pleasure to you to know the high es-teem in which Chamberlain's medicines digging the precious metal in earnest will are held by the people of your own state,

where they must be best known. An sunt of mine, who resides at Dexter, Ios.,

Mrs. Geo. Young of Milton, died yes

her, as she did not like to be without her, as she did not like to be with ut them." The medicines referred to are Chamberlain's Cough Remedy, famous for its cures of colds, and croup; Cham-berlain's Pain Balm for rheumatism, lame back, pain in the side and chest, and Chamberlain's Colic, Cholera and Diar-rhoea Remedy for bowel complaints. These medicines have been in constant use in Iowa for almost a quarter of a century. The people have learned that they are articles of great worth and merit, and unequaled by any other. They are for sale by Osburn.

The Northern Pacific. Next Tuesday morning the Northern Pacific railroad passes into the hands of reorganized Northern Pacific Bailway reorganized Northern Pacific Bail way company, and Receivers Bigelow and McHenry, of the eastern divisions, and Burleigh, of the Pacific, have issued a circular announcing the termination of their trust. President E. W. Winter's first official executive order reappoints practically the entire corps of old officials in the company prior to the receiverablp. Strong faith is felt in the salutary effects of the removal of the financial difficulties and mismanagement which forced this property, one of the most valuable in the United States, is to temporary insolvency and its reorganization, in the face of con-tinued depression, is a matter for con-gratulation. Industries and enterprises, which have been reharded by the effects at Starbuck and that the writer was need captive in the Blue mountains, is still unsolved. A telegram to the chief of police at Cedar Rapids, Iowa, brought the police at Cedar Rapids, is not known there. tire country tributary to the line, and the opportunities for general advancement, especially throughout the Pacific North-west, are enhanced with the assurance of a settled policy and such assistance as is consistent with good railway manage ment.

A Wife Equal to a Gold Mine.

Will some of your readers give me a good recipe for making cold starch? I am selling self-heating flat irons and iron a little at every house and have to Iron a little at every house and have to use some starch every place and want to know how to make good cold starch. My husband was in debt and I being anxious to help him thought I would sell self-heating flat irons, and I am doing splendidly. A cent's worth of fuel will heat the iron for three hours, so you have a parfactly even heat. You con

heat the iron for three hours, so you have a perfectly even heat. You can iron in half the time and no danger of scorching the clothes as with the old iron, and you can get the most beautiful gloss. I sell at nearly every house, as the iron saves so much fuel everybody wants one. I make \$150 on each iron and have not sold less than ten any day I worked. My brother is doing well and I think anyone can make lots of money think anyone can make lots of money anywhere selling irons. The J. F. Casey & Co., St. Louis, Mo., will start anyone

in the business, as they did me, if you will address them. MRS. A. RUSSELL.

Mr. C. D. Yonker, a well known druggist of Bowling Green, Ohio, in speaking of Chamberlain's Cough Remedy, says: "I take pleasure in recommending it to was about to visit me a few years since, and before leaving home wrote me, ask-ing if they were sold here, stating if they were not she would bring a quantity with since please them. I sell more of it than all other kinds put together."

"Bronco Busting." Sunday, near the Commercial Livery Stable, quite a large crowd were entertained by a genuine exhibition of bronce

busting, in all its alluring features. A white cayuse furnished the material for the sport. The animal, at the one end of a long rope, and several men at the other, was the first scene. The second scene was where the animal was thrown to the ground and forcibly saddled and briddled. Scene three came in where the marshal requested horse and audience

to go below town, and there continue the exhibition, in all its entirety. All that was now required to make the fourth and final scene was to pull the "hood

Groves Pickel was in Pendleton this wink" and let 'er go, which was done in the latest abbreviated style. Sixty Teachers Present.

Notwithstanding the stormy weather, 60 teachers put in an appearance at the opening session of the Teachers' Insti-tute, which convened at Milton Monday morning. A report from there reads as follows.

A large number of visitors are present. The instructors are doing most satisfactory work.

Talkington, Gavin, Guman and Draper all won golden opinions from the interested teachers.

Professor Duffield's musical instruc-tion was a most practical character. Frofessor Royal gave a short address on psychology, subject "Child Study." Evening session consists of songs and recitations by local talent of Milton, and lecture by Professor Nowlin.

Beggifting of School. School in Athena, begins Monday, September, 14. Scholars should get their books in readiness, and have every pre-paration made to begin the first day. Indications point to a large attendance at the school this year. Vacant houses are rapidly becoming taken, and many of them are the homes of families containing several children. The water system now connects with the school and a little attention on the part of directors and teachers would soon develop wonders on the lawn and shade tree question. A sufficient supply of water will soon make the Athens school grounds
