M. MOSGROVE

South Side Main St., Athena, Oregon.

HE WAS SURPRISED.

Friends of Mr. Barnett steal a March on Him.

Last Saturday, January 15th, was the anniversary of the suspicious day on which E. L. Barnett first saw the light, and his "nude wife" conceived the idea of giving him a pleasant surprise. Barnett, being sublimely unconscious that he was the object of an unusual solitude, arose early that morning and took the 5 o'clock train for Pendleton, where he spent the day, returning on the 9:30 train in the evening. On entering his pleasant home by the main room entrance, nothing unusual met his gaze. The lights were burning dimly and quiet reigned, signifying that the family had retired for the night; but what was his surprise while tiptoeing quietly around, putting away his great coat and hat to see suddenly pouring into the room from four contiguous apartments a great throng (as it seemed to him) of familiar faces, while a very babel of voices were wishing him many happy returns of the day, in as many different keys. Well, he didn't cry out, "a moment or his face a tablet of unutterable terror was traced" which showed a real appreciation of the hearty and real friendship exhibited.

After the greetings were over the party settled down to progressive whist, bridge, nose, old maid and numerous other games. Sweet music was discoursed throughout the evening. A dainty collation was served, after which cards were laid aside and the order of the evening changed to a musical, in which Misses Booth and Young led as soloist and pianist. The ladies' quartette also gave a selection.

A magnificent album, containing photos of numerous friends, was presented to Mr. Barnett. Several friends who were unable to be present contributed to its purchase and were represented among the photos. The list of guests follows:

Messrs. and Mesdames G. C. Osburn, Lake France, J. W. Smith, B. J. Slater, E. B. Boyd, U. A. Barrett, E. Manasse, H. A. Miller, W. E. Young, W. Mc Bride, George Gross, Ira Kemp, DePeatt, Wilkinson; Mesdames Lesper, DePeatt, and Hornelius; Misses Leola Young, Gen Booth, Flora Kemp and Lucy Brandon; Messrs. Chas. Fischer, Will Chamberlain and Matt Johnson.

A CHANCE.

A Probable Opportunity for the Reader to Make Money.

The ending for us of five years of business in Pendleton is near at hand, February 1st we have accumulated some styles and some short lines of shoes, that it is necessary to get out of the store by cutting the prices below what such goods can be bought for, we will commence on January 3rd, and conclude February 1st, a spot cash sale. We mean that for cash paid at time of purchase we will sell shoes at prices below anything ever offered in Pendleton.

We do not mean everything in the store will be sold below cost, for they won't but we do mean there will be several hundred styles that can be bought of us during this sale for less money than we paid for them, and as we buy shoes for less money than any one in Pendleton this affords the reason why we sell for less.

We are going to sell more shoes in January than we did last year, and that is a big job, for we did a big business last year.

If you need shoes in the next three months you can save money by coming to see if we are lying about this sale.

Thanking you for your patronage for the past year, and asking the continuance of the same for the present one, and wishing you all a happy and prosperous New Year, we are,

Yours for business, CLEVER BROS.

CURES BY DR. DARRIN.

Who Can Doubt When so Many People in This Vicinity Testify.

Jacob Fierchinger is in good humor and good health again. He has been suffering for five years with a closed tear duct, so much so that a large swelling formed under his right eye and his sight was greatly impaired. He called upon Dr. Darrin for relief, and he was cured. An operation was successfully performed. The cure has made a great change in Mr. Fierchinger's personal appearance, and he is very happy over the result of the treatment. Mr. Fierchinger is an old-timer and resident in Pendleton.

REMARKABLE CURE BY ELECTRICITY.

Mr. Editor: For the past two years I have been sorely afflicted with diabetes and kidney trouble. Most of that time I would have to get up from three to five times during the night to relieve my bladder. I had great pain in my back at times. I put myself under Dr. Darrin's treatment by electricity and medicine and to my great joy and happiness I am so far restored to health that I can

sleep all night without getting up, and I can walk miles at a time and feel a new being. I am stopping with my brother, D. B. Flak, in Baker City, and reside in John Day City, Or., where I have lived for the past 32 years.

Nate Fisk, of Charles Hall, of Weston, was operated upon Thursday at Pendleton by the Drs. Darrin for crosseyes. The operation consumed just 22 seconds and resulted in a complete cure. Mr. Hall has gone home rejoicing.

Dr. Darrin will order batteries and electric belts for any patient requiring them, and will give full directions for their use, which is highly necessary in treating diseases by electricity.

Dr. Darrin makes a specialty of all diseases of the eye, ear, nose and throat, catarrh, deafness, bronchitis, la grippe, consumption, dyspepsia, constipation, heart, liver and kidney diseases.

He permanently cures all diseases of the genito-urinary organs, in either sex, such as syphilis, blood taints, scrofula, gleet, gonorrhoea, stricture, seminal weakness, spermatorrhoea, loss of manhood.

All peculiar female troubles, irregular menstruation, leucorrhoea, displacement, etc., are confidently treated, as well as all acute, chronic, private and nervous diseases, of whatever nature, if curable. No cases taken if not.

According to the time honored custom, Dr. Darrin will give free treatment to the worthy poor from 10 to 11 a. m. daily. The doctor has reduced his fees to only 85 a week, or in the proportion of time as the case may require, to all cases commencing treatment soon. Those that are able and willing to pay will receive treatment between the hours of 11 a. m. and 5 p. m. Evenings, 7 to 8. Sunday 10 a. m. to 3 p. m. The afflicted should not lose the opportunity to consult this eminent physician while here. Dr. Darrin is located at the Hotel Pendleton, Pendleton Or., until March 1. All business relations with Dr. Darrin strictly confidential.
