Manufacturing Candidates.
When it comes to manufacturing candidates for any office, from President down to road supervisor, our esteemed friend, Hull, of the Milton Eagle, can't be headed off by any journalist on the Western hemisphere. Yes, even going outside of the journalistic ranks, the Pass will play him favorite first, last and all the time against Mark Hanna, when it comes to shoving men into the official crib. It seems natural, perfectly so, for him to make candidates for every office in the land. He does it with the same grace, and, apparently, with no more exertion than you would use in saving a cord of tamarack wood into blocks of even length, or in feeding wheat straw into the ever yawning mouth of an "Agitator" threshing machine.
It is the diabolical coolness with which the man ruthlessly and without warning, crasps a fellow by the collar and in freezing tones exclaims: "You are a candidate,"—that's what "cuties" with us, and which attracts us to the man. He will make a candidate out of you whether you want him to or not. He will even go so far as to name the particular office you are to have; indeed, this seems to be the only concession he asks of you in the candidate making business. This appears to be the only cherished privilege he retains. Hull is a natural-born dictator, and the dear people will tumble to the fact, sooner or later—probably later.

A SPLENDID ENTERTAINMENT.
Opera House Crowded and Every One Pleas'd.
The public school entertainment at the opera house, Friday evening, in commemoration of Washington's birthday, was witnessed by a large assemblage of our citizens.
The opera house was beautifully decorated, the pleasing result of painstaking labor on the part of the teachers and pupils.
At 11 o'clock a procession of the teachers and pupils, headed by the Athena Band, started from the school house and paraded Main street, each pupil carrying a flag.
At the opera house the exercises commenced at 7:30, with an overture by the orchestra, which was well received by an audience that filled the house to overflowing. The drills were especially pretty and effective, showing patient work on the part of both teacher and pupil. The declamations and recitations were patriotic, and were delivered with an intelligent comprehension, and an individuality in some instances, showing elocutionary training. The pantomimes were well put on, and pleased all, the little folks, especially.

CITY ELECTION.
W. E. Young, a "Dark Horse" Elected Mayor.
Mayor—W. E. Young.
Councilmen—T. J. Kirk, Lake Francis, J. H. Hiteman, W. P. Leach, W. J. Wilkinson.
Treasurer—G. C. Osburn.
Recorder—J. W. Smith.
The above are the names of the gentlemen who were elected in the city election. The board of aldermen and the recorder served during the past year, and from the number of votes each received, it is evident that their past official records are in accordance with the sentiment of the people of Athens.
What looked to be a very close election, turned out to be a lively one to a certain degree as far as the office of mayor was concerned. Up to Monday evening, Mr. C. A. Barrett, the present mayor, was the only candidate for that office, and the general aspect was decidedly indicative of a dry time for the morrow. But on the contrary, there was a "hot time," and W. E. Young, what the boys term a "dark horse," was elected by three votes over Mr. Barrett.
The irrepressible "Cutty" Carden was a pick-up candidate, as usual, and polled 18 votes for mayor and several for councilman. W. McBride received 35 votes for treasurer. The following votes were polled:
For Councilmen—Lake Francis, 92; J. H. Hiteman, 95; T. J. Kirk, 93; W. P. Leach, 82; W. J. Wilkinson, 80.
For Treasurer—G. C. Osburn, 72; Wm. McBride, 35.
For Recorder—J. W. Smith, 82; A. B. Bradley, 30.
A NEW FIRM.
They Will Erect a Brick Building on Main Street.
Matt Mosgrove, F. C. Marquardsen and Wm. Mosgrove have formed a partnership to engage in a general merchandise business in this city.
For the present the company will do business in the Bloch building, the present location of Mr. Marquardsen's store, but as soon as the weather settles, work will be commenced on a brick building on the Mosgrove lots near the corner of Main and Third, between Beale's meat market and Mosgrove's corner store room. This building will be 30 feet front and 40 feet high. There will be an iron and plate-glass front put in at the present corner store room, and sometime in the future the wooden structure will be torn away and replaced with brick back to the brick portion of the building, as it now stands.
This is to be the home of J. Palace Drug Store, and a cozy home it will be.
The new company starts in with a paid up capital of \$10,000, and will carry every thing in the general merchandise line. Farm implements will also be kept in stock by the firm and the farmer will be able to find anything he wants in its line. The new building is supposed to be ready for occupancy by June.
HELP FOR CUBA.
Athens Responds in a Most Substantial Manner.
Athens and vicinity contributed 150 sacks of wheat and \$26 cash to the relief of the starving Cubans, this week. The Pendleton Commercial Association took hold of the matter for Umatilla county's donation and appointed committees in the different towns to solicit the same. One car load is expected from this county, but in truth, had Athens been given a little more time, a car load could have been easily secured by her alone.
D. V. S. Reid, C. A. Barrett, T. J. Kirk and F. B. Boyd were placed on the committee for work in Athens, but to Mr. Kirk should be given the honor for the fine showing made in securing Athens's substantial contribution. Two days only was given Mr. Kirk in which to solicit, owing to the fact that the shipment had to be in Pendleton today.
The O. R. & N. Co. gives free transportation to these patriotic contributions to a good cause, and it is confidently expected that Oregon will donate several trainloads of wheat to starving Cuba.

This holds good only until the one hundred dollar's worth of goods have been purchased when the drawing takes place.
James Frakes Dead.
James Frakes died at Pendleton Tuesday of this week. He was aged about 60 years, and came to Oregon from Knox county, Ill., with his parents in 1853, settling in Lane county. Some 20 years ago he came to Umatilla county, and has resided near the town of the time since. He was the last of a family of five children—four brothers and one sister. The remains came by train Wednesday, and were interred in the Athens cemetery.

Brooks Jail.
Two Indians, confined in the city jail Monday night, escaped with outside assistance. Some one, supposed to be an Indian, speaks the outside lock and fastenings, and it was then an easy matter for the incarcerated red-skins to gain their liberty. They took with them blankets belonging to the jail.
THE CLARA NEVADA.
Incident of the Vessel's Ill-Fated Trip to the North.
Two passengers who went with the Clara Nevada from Portland to Skagway were Mr. and Mrs. Mulholland. Two young people well known in Union county, and a peculiar incident in connection therewith is the fact that the vessel was christened in honor of Mrs. Mulholland whose maiden name was Clara Nevada, the lady being the daughter of Mr. and Mrs. S. O. Swackhamer, of Union. Mr. McGuire, the president of the company which put this vessel on the northern route, in the name of Mr. Mulholland and it was through this association that the name of the vessel was changed from the Hasler to the Clara Nevada.
Mr. and Mrs. Mulholland are now in Skagway, having fortunately decided to remain over another trip; otherwise they would probably have shared the fate of those who were with the stranded ship. Mr. and Mrs. Swackhamer were naturally greatly alarmed for the safety of their daughter and her husband until the arrival of a letter in Saturday's mail stating that Mr. and Mrs. Mulholland had decided to remain in Alaska. The letter further stated that they would shortly remove to Juneau where Mr. Mulholland will engage in the dental profession.—La Grande Chronicle.
