

ATHENA WILL NOT CELEBRATE

GIVES HEPENER SUFFERERS FOURTH OF JULY FUNDS.

The Celebration, Out of Sympathy for Heppner People in Their Dire Calamity, is Abrogated

Athena will not celebrate.

The big red posters have been taken down and her 4th of July fund, amounting to \$425, has been taken to Heppner by Mayor David Taylor where it will be distributed in altering to some extent the direful need of the sufferers of the calamity-stricken town.

The action of annulling the celebration was taken in citizens' mass meeting at the opera house Tuesday morning at 8 o'clock. Mayor Taylor called the meeting to order and Dr. A. W. Botkin was made secretary. A large number were present, and all who expressed their views on the matter were without exception favorable to calling the celebration off and tendering the funds to Heppner's needy sufferers, and to solicit more money. On motion, the Fourth of July finance committee was given authority to carry out the wishes of the meeting. A motion was then made that Athena do not celebrate, and without one dissenting vote, carried.

At noon, Tuesday, four hours after the meeting, the fund amounting to \$425 was turned over to Mayor Taylor, and in company with Chas. Smith and Matt Johnson, he left for Heppner by private conveyance.

The warehouse of the Washington & Columbia River Railway, off College Avenue, was twisted out of alignment during the storm, and is practically a wreck.

In Athena the peculiar and rare occasion of a dust storm coming from the east was notable. Aside from this peculiarity, there is nothing to report, for the threatening clouds did not give down a sprinkle of rain, and the wind was not of sufficient velocity to damage.

WIND AT WALLA WALLA.

Uprooted Trees, Twisted Warehouse and Damaged Fruit.

A peculiarly destructive and violent wind and dust storm visited Walla Walla Monday evening, blowing about forty-five minutes. According to the records at the weather bureau, the wind maintained a velocity of thirty-eight miles an hour for twenty minutes and attained a maximum of 48 miles an hour at one time. The wind came almost directly from the east, a strange phenomenon in this country.

Large trees were uprooted in different parts of the city, electric light, telephone and telegraph wires temporarily paralyzed and several structures blown down or damaged. Growing fruit was blown from the trees in considerable amount.

The Inland Empire League has again died a natural death without completing the series of games scheduled. This time Dayton squawked first on paying a salaried team. A "bush" league can not be made to pay in the first place, and in the second, independent games are better relished, anyway. Pendleton and Walla Walla will maintain independent teams.

McEwen Elected Director.

At the school meeting Monday at 2 p. m., A. B. McEwen was elected school director in place of Wm. Reeder who retired at expiration of term. O. G. Chamberlain, present incumbent, was re-elected clerk.

Robbed the Grave.

A startling incident is narrated by John Oliver of Philadelphia, as follows: "I was in an awful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite, growing weaker day by day. Three physicians had given me up. Then I was advised to use Electric Bitters; to my great joy the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they robbed the grave of another victim." No one should fail to try them. Only 50 cents, guaranteed, at G. C. Osburn's drug store.
