 Dear Sir: We, the undersigned graduates from your school of horsemanship, take great pleasure in publicly expressing our appreciation of your ability and talent as the master of man's best friend in the animal kingdom, and of the value of the useful lessons you have taught us, upon which it would be impossible to place too great an estimate. SCHOOL NOTES.
 The exhibit of school work that goes to the World's Fair was on display at the school house Friday afternoon. It was very creditable, and interest displayed by patrons made the teachers feel amply repaid for the labor in getting up the display.
 Preparations are being made by teachers and pupils to appropriately observe the anniversaries of Washington, Lincoln and Longfellow. Suitable programs will be rendered, in which a lively interest is being taken by all.
 The Athena public school is to be represented by a first-class ball team. PNEUMONIA
 follows a cold, but never follows the use of
FOLEY'S HONEY AND TAR
 It stops the cough and heals the lungs and prevents a cold from settling on your lungs and resulting in Pneumonia, Pleurisy, or Consumption.
 You are in no danger of serious results if FOLEY'S HONEY AND TAR is taken, as it soothes and heals the inflamed air passages and the cough disappears.
 Be sure and get FOLEY'S HONEY AND TAR, as preparations containing opiates stop the cough temporarily by paralyzing the nerves in the throat and leave the germs of serious lung trouble and you get one cold on another because the first one was not cured perfectly.
 Saved Her Life From Pneumonia.
 "My wife had a severe attack of Pneumonia which followed a severe attack of La Grippe and I believe that FOLEY'S HONEY AND TAR saved her life," writes James Coffee, of Raymond, Missouri.
 Cured When Very Low With Pneumonia.
 J. W. Bryan, of Lowder, Ill., writes: "My little boy was very low with Pneumonia. Unknown to the doctor we gave him FOLEY'S HONEY AND TAR. The result was magical and puzzled the doctor, as it immediately stopped the racking cough and he quickly recovered."
 Dr. C. J. Bishop, Agnew, Mich., writes: "I have used FOLEY'S HONEY AND TAR in three very severe cases of Pneumonia with good results in every case."
