MOTHER AND SON

BOTH TAKEN TO INSANE ASYLUM FROM PENDELTON.

Margaret Pahl, Widow of Tim Pahl, Suicide, Demented Through Worrying.

Pendleton, April 20.—Margaret Pahl was yesterday afternoon adjudged insane and ordered committed to the asylum at Salem. Also her 8-year-old son who has been an idiot and perfectly helpless since birth, was ordered to be taken to the asylum for the insane upon advice of County Physician W. G. Cole. The case of Mrs. Pahl is a sorrowful one. Two years ago her husband, Tim Pahl, committed suicide by hanging, and ever since that time the wife had brooded and worried over the matter until she has become deranged. The nature of her hallucination is that she believes some enemy had killed her husband and afterwards hung him to make sure of death. She also fears that the same men who killed her husband now want to marry her. During the past month she has refused to eat scarcely anything and has been troubled with insomnia.

Mrs. Pahl, during all her afflictions, has worked hard to support her young children, five in number, but the strain and worry over the death of her husband have proven too much, and during the past day or two has been seriously deranged. The county has been giving her part support for the past year. The four remaining children will doubtless be cared for by the Boys and Girls' Aid Society.

In the absence of County Judge Hartman the examination was made before Judge Thomas Fitzgerald. Mrs. Pahl and son were taken to Salem this morning by Sheriff Taylor and two assistants.

C. W. Zeigler Dead.

Charles W. Zeigler, the baseball player who played with Pendleton two years ago, died a few days ago at his home at Canton, O., after a long illness of typhoid fever. He was a member of the Pendleton lodge of Elks.

RUSSIANS DROWN IN RIVER YALU

Hundreds Go Down in Capsized Boats While in Hurried Retreat.

London, April 21.—The correspondent of the Times, cabling from Niu Chang, says that a messenger has arrived there from the Yalu river with the information that the Russians are fleeing north across the river in overcrowded boats and are losing hundreds by drowning.

Shoot Japanese Spies.

Harbin, Manchuria, April 21.—The two officers of the Japanese general staff, arrested by a railroad guard 18 miles from this place on April 16, were found guilty by courtmartial and sentenced to

be hanged.

The officers asked that their lives be spared. General Kuropatkin confirmed the findings of the court, but taking into consideration that the accused were soldiers, ordered that they be shot.

Hands of Americans.

St. Petersburg, April 21.—Foreign Minister Lamsdorff has been notified that the United States reserves the rights it may have under international law in the event of American citizens being affected by Russia's decision in the case of war correspondents using wireless telegraphy.

Doherty Now Failing Fast

Pendleton, April 22.—Dr. W. G. Cole spent the greater part of yesterday and all last night at the Doherty ranch near Vinson, where Pat Doherty lies very ill as a result of being shot through both lungs last Saturday. His condition yesterday was more serious and it was necessary for the physician to remain at his bedside all night.

The officers say they will do nothing

whatever with Morton, the man who shot Doherty, until Doherty has recovered. If he gets well then Morton will be prosecuted on the charges of assault with a dangerous weapon and with intent to kill. This charge will be sufficient to land him in the penitentiary for a number of years. If Mr. Doherty should succumb to the wound then Morton will be prosecuted on the charge of murder.

W. & C. R. TRAIN WENT IN A DITCH

President Joseph McCabe and Engineer William Godfrey Were Hurt.

Walla Walla, April 20.—Engineer William Godfrey, Fireman William Grayson, Conductor Martin Fletcher and one or two others were slightly injured in a wreck of the Washington & Columbia River Pasco train at midnight last night, while Vice-President and General Manager Joseph McCabe, who chanced to be on the train, was cut about the knees and had his back strained. The trouble was caused by a wash-out at Mud creek near the Kirkman ranch, and probably would have resulted very disastrously had not the train been running slowly and taking unusual precautions.

The locomotive struck the bad place

with a suddenness that prevented stopping, though Mr. McCabe was in the act of pulling the signal cord when the accident happened. It ran off into the creek and turned on its side with the express car slantwise across the washout. The baggage car, passenger coach and sleeper did not leave the rails. The engineer and fireman were hastily assisted from a perilous position in the mud and water, and taken into the coaches where they were wrapped up. The freight train following was stopped and the engine used in conveying the three undamaged coaches back to the city.

Godfrey and Grayson are in the hospital.

Lester Beale Died at Milton

Lester Beale, the eldest son of Mr. and Mrs. Frank Beale, died yesterday morning at the family home in Milton. The boy had been in poor health for years, and lately had grown much worse. All that medical skill and good nursing could accomplish could not save the boy's life and he passed away after much intense suffering.

Lester spent a number of years in this

city, where his father conducted the city meat market. He was a pupil of the Athena public school and was a particularly bright and promising student. Soon after leaving Athena the boy's health began to fail.

The funeral will be conducted tomorrow, Saturday, at 2 p. m. at the M. E. church in this city, the friends driving over from Milton.

The New Organ Installed

The new organ with its auxiliary pipes and patent qualifying tubes, was installed yesterday morning in the M. E. church by Mr. Herrick, of the Dwell-Herrick Music Co., of Walla Walla. The instrument, which was purchased at a cost of \$450, is one of the finest in the state and is second only to the genuine pipe organ that is used in cathedrals and the big city churches. It has great volume of tone and is so constructed that the organist may get almost the same effects that can be obtained from the pipe organ. A choir under the direction of Prof. J. S. Henry, is rehearsing each evening, preparatory to the dedication exercises. Miss Elsa Rosenzweig is the organist.

THE PICTURE MAN

GOT "HIS" OUT AT CHARLEY BROTHERTON'S RANCH.

Endeavored to Force Pictures on Mr. Brotherton That Were Ordered by Other Parties.

There is a foxy vendor of enlarged pictures going around with an enlarged head. The enlargement of the said vendor's head is due to the hard milling fist of Charles Brotherton, the big, husky farmer up the flat. If reports are true the foxy picture man "reached and got his." It is said that this particular individual is not only obnoxious to an aggravating degree, but has a patronizing way about him that is particularly annoying, especially to women.

This is not his first visit here, and there is one lady in town who had an experience with him last fall that if he should attempt again his head will not only be enlarged, but broken as well. The incident in question was that the fellow virtually pushed his way into the room after being told that no pictures were wanted. The lady finally asked to be excused as she had house work to perform, whereupon the fellow insolently replied, "Oh! certainly, I'll excuse you," and departed.

Out at Brotherton's two of these picture fiends called Monday evening to leave some work that had been ordered by Ed. Brotherton of Vanavale. Mrs. Charles Brotherton would not receive the pictures for the reason that the men wanted payment, until Ed. Brotherton had inspected them. They finally returned to town but not until they had worried Mrs. Brotherton considerably over the matter. Tuesday Charley found it convenient to plow the garden and was at home when the men again showed up. The foxy one got busy and intimated that Charles had promised to receive and pay for the pictures, regardless of inspection by Ed. Brotherton.

Well it wasn't long before there was something working against the fellow's face with the force of a cyclone. And when Charles got through with him he was willing to say that he had a plenty and the pictures went with him when he left.

Upton-Dobson.

Wednesday, the 20th, at 2 o'clock, the wedding of Miss Aimee C. Dobson, of this city, and Rev. Alma Upton, of Hoquiam, Wash., was solemnized, Rev. J. W. Jenkins officiating. The ceremony took place at the home of Mr. and Mrs. Will Dobson with only a few invited friends present. The parlor was artistically decorated with geraniums. The bride was beautifully attired in a handsome costume of champagne pongee trimmed in silk point lace of the same shade, and wore blossoms of the Martha Washington geranium. The groom was attired in the usual black. The bride is a popular teacher of this vicinity, and will be greatly missed by her many friends here.

Rev. Upton, with his wife, left on the 5 o'clock train by the way of Portland, for his home in Hoquiam, Wash., where he has a pastorate. Many congratulations and good wishes go with the young couple.

BOY DROWNED.

Fell From a Foot-Log Into Wildhorse Creek.

Amel Backman, the 7-year-old son of John Backman, was drowned in Wildhorse creek Monday evening while attempting to cross the stream on a foot-log. The young boy accidentally fell off the log into the raging stream and was carried a distance of 200 feet down the creek where he lodged in a cluster of willows.

The boy, in company with his young brother, had gone to the pasture to drive the cows home. On their way back Amel stopped to play along the river while his brother went on home. The boy had often crossed the footlog, and although being a cripple, had never found any difficulty in reaching the other side. This time, however, he lost his balance and fell into the stream, and being unable to swim was immediately drowned.

An Electric Storm.

Tuesday evening Eastern Oregon was visited by an electric storm which was somewhat disastrous to telephone and telegraph lines. In Pendleton considerable damage is reported. Here in Athena no particular note was taken of the storm as it was slight. Telephone fuses were burned out but aside from this there is no mention to be made.

THE DELL BROTHERS

Groceries, Crockery,
Gents' Furnishings

All of which we will be pleased to show you

THE DELL BROTHERS

South Side Main Street,

Athena, Oregon.
