

## TWO GOOD GAMES

### MARQUIS AN ENIGMA TO WHITMAN COLLEGE TEAM.

It Took Fourteen Innings to Decide the Athena-Pendleton Game —Score 6 to 4.

In the game with the Athena Reds Saturday Hes Brown's Whitman College professor could do nothing with Marquis their old time whirlwind southpaw, who was on the rubber for the reds. Only four hits, two of the scratch order, were made off his delivery. And holy ginger! read the strike-out list—14 including every man on the team.

The five scores came to Whitman on errors, and if the reds had given Marquis the support they put up Sunday behind Prescott and La Brashe, the college team would have been shut out. Whitman was blanked in the first, two striking out. They scored in the second and in the third a wild throw and two errors at third let in three runs, and the fifth and last run came in on a passed ball in the fifth.

Athena commenced pounding Peringer and scored once in the first chapter and knocked him out of the box in the fourth, when four registrations were marked on the score board. White scored in the fifth and Walsh trotted in with one in the sixth. Laurence Lieualleu scored in the sixth, and two came to the pan in the eighth.

Score by Innings:  
1 2 3 4 5 6 7 8 9  
Athena 1 0 4 1 0 1 1 2 \*—10  
Whitman 0 0 1 0 0 3 0 1 0—5

It Took 14 Innings.  
Sunday the fans were treated to a regular "Yellow Kid" exhibition. There were 14 innings of glory, hard work and excitement.

The two teams were evenly matched and splendid support was given the pitchers on each side. Pendleton started off with a run in the first inning, got one in the fourth and two in the seventh. Prescott, owing to a lame arm, was relieved by La Brashe in the fifth and the Pendletonites were unable to safely connect with him but for four safe swats. The Reds were blanked up to the seventh, when they landed on King and with a couple of errors pulled the string for two.

In the ninth the crowd went wild when Athena tied. The game went on to the 14th inning before it was decided by Pendleton getting two runs on errors at 3rd base. It was a pretty pitchers battle up to this time and there was plenty of fast playing all the time. Features of the game aside from La Brashe and King's pitching were the fielding of Walsh for Athena, and Strand' work at short for Pendleton.

Score by Innings:  
1 2 3 4 5 6 7 8 9 10 11 12 13 14  
Athena 0 0 0 0 0 2 0 0 0 0 0 0 0 0—4  
Pendleton 1 0 0 1 0 0 0 0 0 0 0 2—6  
Batteries—Prescott, La Brashe, McBride and L. Lieualleu—King and Napp.

### FOR THE CANAL.

Meeting of Delegates at The Dalles on Tuesday.

The Dalles, May 17.—Representatives from the Commercial clubs and boards of Eastern Oregon and Washington meet at The Dalles today to discuss the portage railway scheme around the rapids in the Columbia river between Celilo and The Dalles.

The delegates from the different Oregon counties are as follows:  
Wasco—Joseph T. Peters, The Dalles, and Richard Hinton, Bake Oven.  
Sherman—W. H. Briggs, Wasco, and G. T. Parr, Moro.  
Gilliam—J. A. Smith, Blalock, and D. B. Thomas, Arlington.  
Morrow—James Wooley and T. J. Mahoney, Ione.

Umatilla—T. J. Kirk, Athena, and R. M. O'Brien, Pendleton.  
Walla Walla will be represented by Dr. N. G. Blalock, State senator W. P. Reser and two other members of the club to be selected by President Turner.

### No Great Damage.

G. W. Rigby has been out to his ranches east and northeast of Pendleton. He avers that the damage to wheat by freezing in that direction and localities is so insignificant that it is not noticeable in fact. What is more the wheat-growers for a distance of ten miles in that direction declare that there has never been a finer prospect for wheat than now.—East Oregonian.

### Public Sale.

I will sell at public auction at my residence on Normal Heights, Weston, Saturday, May 21, commencing at 9 a. m., furniture, kitchen utensils, three horses, one wagon, one carriage, one buggy, gang plow and other farm implements. Also my new residence and lot 103x104 feet. Terms—All sums under \$10, cash; over \$10, 6 months or longer time with bankable note.  
C. C. Barth.

### New Method vs. the Old.

As a comparison in cost of harvesting with a Holt Combine and harvesting with the old header-thresher method, Mr. E. L. Smith, agent for the Holt Co., submits the following figures:

Cost of Heading.  
1000 acres at \$1.25 per acre.....\$1250  
Cost to thresh 1000 acres of 30 bu. grain at 6c.....1800  
Loss of 1 sack per acre on 1000 acres at \$1.35 per sack.....1350  
Total cost.....\$4400  
To Buy Holt Harvester.  
Cost.....\$1800  
20 head horses.....2000  
10 set harness.....300  
Cost of labor.....280

Total cost of outfit and help...\$4380  
The above figures show that a farmer can pay for entire outfit, pay cost of help and have \$20 to his credit. This is done in the harvesting of 1000 acres.

### A Sure Thing.

It is said that nothing is sure except death and taxes, but that is not all together true. Dr. King's New Discovery for Consumption is a sure cure for all lung and throat troubles. Thousands can testify to that. Mrs. C. B. VanMetre of Shepherdstown, W. Va., says "I had a severe case of bronchitis and for a year tried everything I heard of, but got no relief. One bottle of Dr. King's New Discovery then cured me absolutely." It's infallible for croup, whooping cough, grip pneumonia and consumption. Try it. It's guaranteed by W. McBride, Druggist. Trial bottle free. Reg. sizes 50c, \$1.00.

### Quick Arrest.

J. A. Gullledge of Verbena, Ala. was twice in the hospital from a severe case of piles causing 24 tumors. After doctors and all remedies failed, Bucklen's Arnica Salve quickly arrested further inflammation and cured him. It conquers aches and kills pain, 25c. at W. McBride, Druggist.
