

WESTON'S NORMAL

PRESIDENT FRENCH BRINGS AS-  
Surance From Legislature

Eastern Oregon United In Its Sup-  
port—Little Doubt But Drain Nor-  
mal Will Be Abandoned.

President French of the Weston Nor-  
mal school, has returned from Salem.  
He was seen at the rooms of the Pen-  
dleton Commercial Association by a re-  
porter and asked as to the probable out-  
come of the normal school legislation.

"To attempt to say just what is going  
to be done," said he, "would be prophe-  
cy. However, it is now practically  
certain that no action will be taken  
against any of the schools except the one  
at Drain, and it is also certain that the  
one there will be abolished. I under-  
stand that a bill will be presented in the  
house providing for the discontinuance  
of the Drain school."

According to President French, a  
very interesting struggle was waged  
for several days in the legislature be-  
tween the friends and forces of the various  
normal schools. The presidents of all  
four schools were there, and their work  
was mainly with the joint committee of  
ways and means, composed of 10 mem-  
bers. One of the strongest arguments  
used on the side of the schools was the  
comparison of the expenses and work  
of the normal schools of Washington and  
California to those of Oregon. The  
facts that were presented in this con-  
nection were very telling, for they showed  
Oregon far in the rear as far as legis-  
lative aid is concerned. Last year  
\$210,000 was given the Bellingham  
school alone by the Washington insti-  
tutions. In the face of these facts the  
claim that too much money was being  
expended on the state normal schools  
had but little weight.

The Eastern Oregon members of the  
legislature stand strongly against any  
legislation antagonistic to the Weston  
school, and those from Southern Ore-  
gon are equally zealous for the one at  
Ashland. This, together with the fact  
that both institutions are doing good  
work, will probably insure their future  
safety. However, the school at Drain  
is neither a Southern Oregon nor a Val-  
ley school, and consequently has but  
little backing. Also the fact that last  
year it had but two graduates but an  
expense of \$25,000, worked greatly  
against it.

President French is of the opinion  
that Weston will be given all that has  
been asked in the way of an appropria-  
tion, which is \$25,000 for maintenance,  
and an equal amount for the erection of  
a new dormitory.

**Fraud Exposed.**  
A few counterfeiters have lately been  
making and trying to sell imitations of  
Dr. King's New Discovery for consumption,  
coughs and colds, and other medi-  
cines, thereby defrauding the public.  
This is to warn you to beware of such  
people who seek to profit through steal-  
ing the reputation of medicines which  
have been successful curing disease for  
over 35 years. A sure protection to you  
is our name on the wrapper. Look for  
it on all Dr. King's or Bucklen's reme-  
dies, as all others are mere imitations.

and Windsor, Canada. For sale by  
McBride.

**Beautiful Oregon Weather.**  
Roy Belts was in Pilot Rock Tuesday.  
He says his sheep are doing well on the  
winter range and has not, as yet, found  
it necessary to feed. This speaks pretty  
well for the weather in the Pilot Rock  
country. The man living in the Middle  
West, who is just now making his way  
to the barn by having a rope stretched  
from the house, kissing his wife and  
family good-bye each time he goes out  
to feed his cow and team, will read this  
item and swear the editor is a liar.—

**Grave Trouble Foreseen.**  
It needs but little foresight to tell that  
when your stomach and liver are badly  
affected grave trouble is ahead unless  
you take the proper medicine for your  
disease. Mrs. John A. Young, Clay, N.  
Y., says: "I had neuralgia of the liver  
and stomach, my heart was weakened  
and I could not eat. I was very bad for  
a long time, but in Electric Bitters I  
found just what I needed, for they  
quickly relieved and cured me." Best  
medicine for weak women. Sold under  
guarantee by McBride, at 50c a bottle.

PNEUMONIA

follows a cold, but never follows the use of

FOLEY'S  
HONEY AND TAR

It stops the cough and heals the lungs  
and prevents a cold from settling on your  
lungs and resulting in Pneumonia, Pleurisy,  
or Consumption.

You are in no danger of serious results if  
FOLEY'S HONEY AND TAR is taken,  
as it soothes and heals the inflamed air pas-  
sages and the cough disappears.

Be sure and get FOLEY'S HONEY AND TAR, as preparations  
containing opiates stop the cough temporarily by paralyzing the nerves  
in the throat and leave the germs of serious lung trouble and you get  
one cold on another because the first one was not cured perfectly.

**Saved Her Life From Pneumonia.**  
"My wife had a severe attack of Pneumonia which  
followed a severe attack of La Grippe and I believe  
that FOLEY'S HONEY AND TAR saved her life,"  
writes James Coffee, of Raymond, Missouri.  
Dr. C. J. Bishop, Agnew, Mich., writes: "I have  
used FOLEY'S HONEY AND TAR in three very  
severe cases of Pneumonia with good results in every  
case."

**Cured When Very Low With Pneumonia.**  
J. W. Bryan, of Lowder, Ill., writes: "My little  
boy was very low with Pneumonia. Unknown to  
the doctor we gave him FOLEY'S HONEY AND  
TAR. The result was magical and puzzled the  
doctor, as it immediately stopped the racking cough  
and he quickly recovered."
