

WESTON IS SATISFIED.

Content With Appropriation for Maintenance Without New Dormitory.

Concerning the appropriation given the Eastern Oregon State Normal school the Leader expresses the sentiment of Weston in general when it says:

The Leader is much too modest to claim any credit therefor, but legislative action has been strictly in line with this paper's suggestion that the normal schools be allowed a reasonable sum for maintenance, with no new buildings.

The normal school appropriations total \$95,000 for maintenance only. Monmouth asked for \$36,000 and is given \$30,000; Ashland wanted \$31,000 and is given \$25,000. Drain thought it needed \$21,000 and will have to get along with \$15,000. The Eastern Oregon State Normal School alone gets what it asked for maintenance two years, the sum of \$25,000. In view of the strong and stubborn opposition against them—which has no counterpart, perhaps, in any other state—the schools are very fortunate to survive. Weston should be satisfied, although it certainly needed a new dormitory. With \$25,000 its work should be doubly effective, and the appropriation comes at a time when the school is on an excellent basis of profit by it. On \$8,000 a year it has more than maintained its standing; its prestige has increased, through the self-sacrificing attitude of its teachers, who have worked for wholly inadequate pay. They have done well, but it is not to be expected that they cannot do better with reasonable compensation. Moreover, from its knowledge of the school, the Leader believes that more harmony obtains in the faculty, and more loyalty in the student body, than ever before. Nothing therefore can obstruct its advance into the sunlight of better, brighter days—unless the governor vetoes the bill.

HENRY HEPPNER DEAD.

Was a Pioneer, and Founder of the Town of Heppner.

Henry Heppner, founder of the town of Heppner, and a well known pioneer citizen, died last Thursday aged 74 years. He was well known to the pioneers of this county, who knew him when Morrow county was a portion of Umatilla. In the early '60s he came to this country and for several years ran pack trains from Umatilla Landing to the mines of Southern Idaho and Eastern Oregon.

After a few years of running pack trains a store was established by Mr. Heppner in La Grande, and he remained there until the early '70s, when he moved to Willow creek, where Heppner now stands, and started the first store at that place. His firm was known as Heppner & Maddox, and when the town was named in 1875 it was the only business house there except a blacksmith shop, stable and a drugstore.

Health

means the ability to do a good day's work without undue fatigue and to find life worth living. You cannot have indigestion or constipation without its upsetting the liver and polluting the blood. Such a condition may be best and quickest obtained by Herbine, the best liver regulator that the world has ever known. Mrs. D. W. Smith writes April 3, 1902: "I use Herbine and find it the medicine for constipation and regulating the liver I ever used." Price 50 cents. Sold by McBride.

Taken Up.

At my place on Pine Creek, ten miles north of Athena, I have taken up the following described animals:

About December, 1902, one yearling Jersey steer, no brand visible, ear marked with half crop, with notch in end of each ear and underdeveloped, each ear marked the same.

About December, 1903, one 2-year-old red steer, brand (MS) on left hip and ear marked with split from center to tip of each ear. C. A. Barrett, Athena.

Fraud Exposed.

A few counterfeiters have lately been making and trying to sell imitations of Dr. King's New Discovery for consumption, coughs and colds, and other medicines, thereby defrauding the public. This is to warn you to beware of such people who seek to profit through stealing the reputation of medicines which have been successful curing disease for over 35 years. A sure protection to you is our name on the wrapper. Look for it on all Dr. King's or Bucklen's remedies, as all others are mere imitations. H. E. Bucklen & Co., Chicago, Ill., and Windsor, Canada. For sale by McBride.

Grave Trouble Foreseen.

It needs but little foresight to tell that when your stomach and liver are badly affected grave trouble is ahead unless you take the proper medicine for your disease. Mrs. John A. Young, Clay, N. Y., says: "I had neuralgia of the liver and stomach, my heart was weakened and I could not eat. I was very bad for a long time, but in Electric Bitters I found just what I needed, for they quickly relieved and cured me." Best medicine for weak women. Sold under guarantee by McBride, at 50c a bottle.

PNEUMONIA
follows a cold, but never follows the use of
FOLEY'S HONEY AND TAR
It stops the cough and heals the lungs and prevents a cold from settling on your lungs and resulting in Pneumonia, Pleurisy, or Consumption.
You are in no danger of serious results if FOLEY'S HONEY AND TAR is taken, as it soothes and heals the inflamed air passages and the cough disappears.
Be sure and get FOLEY'S HONEY AND TAR, as preparations containing opiates stop the cough temporarily by paralyzing the nerves in the throat and leave the germs of serious lung trouble and you get one cold on another because the first one was not cured perfectly.
Saved Her Life From Pneumonia.
"My wife had a severe attack of Pneumonia which followed a severe attack of La Grippe and I believe that FOLEY'S HONEY AND TAR saved her life," writes James Coffee, of Raymond, Missouri.
Dr. C. J. Bishop, Agnew, Mich., writes: "I have used FOLEY'S HONEY AND TAR in three very severe cases of Pneumonia with good results in every case."
Cured When Very Low With Pneumonia.
J. W. Bryan, of Lowder, Ill., writes: "My little boy was very low with Pneumonia. Unknown to the doctor we gave him FOLEY'S HONEY AND TAR. The result was magical and puzzled the doctor, as it immediately stopped the racking cough and he quickly recovered."
Three Sizes, 25c, 50c and \$1.00
