

# A RAILROAD SURVEY

IS W. & C. R. ROAD TO BE EXTENDED?

Surveyors On the Ground to Run Line South Leading from Athens.

Engineer W. G. Sayles and a party of surveyors arrived in the city Sunday night, and yesterday the men were engaged in making stakes down at Gillis' lumber yard.

At this time there is not much to be given out for publication. Railroad companies are not inclined to cherish newspaper interviews and their employes don't deal out information in carload lots.

The surveyors are on the ground to survey for a proposed extension of the W. & C. R. Where the line is to run or where it is to stop is not exactly known save to the Northern Pacific people. It starts from Athens and from present indications will lead southwest of town. It is known that Mr. Sayles has been driven over the reservation and is said to be favorably impressed with the excellent agricultural possibilities of that portion of Umatilla county.

It is said an excellent grade is afforded up Spring Hollow to the head of Thorn Hollow, and there is a possibility that the Northern Pacific is looking this way for its reported extension into the Grand Ronde and Wallowa valleys.

## ATHENA STORES.

Weston Leader Man Compliments Two of Our Local Firms.

Clark Wood, editor of "Weston's best paper," while in Athens the other day was observant as usual. Athens stores evidently appealed to him as being about right, for we note in a recent issue of the Leader the following complimentary mention made concerning two local firms:

"In keeping with Athens' progress is the steady growth and constant advancement of its mercantile enterprises. Bright and attractive are the new quarters of the Athens Fair Store in the society hall just completed. A white finish gives the interior a cheerful appearance, and the immense stock is splendidly displayed. Mr. Jarman has also secured the basement of the building, and this is filled with crockery and other goods. Certainly "Dan" has reason for pride in showing the Athens Fair's new home to its many friends throughout the East End.

"Among the most enterprising firms in enterprising Athens is that of Ely & Scott, grocers, who are now doing business at their new store in the Barrett building. This has been admirably arranged, the double deck affording opportunity for artistic display that has been utilized in full measure. Viewed from the street, the bright array of grocer's goods, ingeniously arranged in pyramids and other attractive groupings, presents an appearance at once pleasing and tempting. Walter Ely and Joe Scott are old normal boys, and Weston friends are glad to note the substantial evidence of their prosperity in business."

# PNEUMONIA

follows a cold, but never follows the use of

# FOLEY'S HONEY AND TAR

It stops the cough and heals the lungs and prevents a cold from settling on your lungs and resulting in Pneumonia, Pleurisy, or Consumption.

You are in no danger of serious results if FOLEY'S HONEY AND TAR is taken, as it soothes and heals the inflamed air passages and the cough disappears.

Be sure and get FOLEY'S HONEY AND TAR, as preparations containing opiates stop the cough temporarily by paralyzing the nerves in the throat and leave the germs of serious lung trouble and you get one cold on another because the first one was not cured perfectly.

**Saved Her Life From Pneumonia.**  
 "My wife had a severe attack of Pneumonia which followed a severe attack of La Grippe and I believe that FOLEY'S HONEY AND TAR saved her life," writes James Coffee, of Raymond, Missouri.

**Cured When Very Low With Pneumonia.**  
 J. W. Bryan, of Lowder, Ill., writes: "My little boy was very low with Pneumonia. Unknown to the doctor we gave him FOLEY'S HONEY AND TAR. The result was magical and puzzled the doctor, as it immediately stopped the racking cough and he quickly recovered."

Dr. C. J. Bishop, Agnew, Mich., writes: "I have used FOLEY'S HONEY AND TAR in three very severe cases of Pneumonia with good results in every case."
