WE ARE GOING TO DO THE BATTLE OF OUR LIVES

30 Days

Look for the Red Ticket They Denote a Saving of 1-4 to 1-2 on your Purchases.

We are going to do battle for the masses and not the classes. Thirty Days we want to make this the Greatest Cash Gathering Carnival that ever appeared within the history of this country, for with us it is cold cash we want and we must have it quick. All former attempts at merchandising by us or any other firm, within 50 miles of this city, will be eclipsed beyond all question. The city will be in a stir as never before. A hustle and a bustle throughout the entire store that will wake mortal man from his slumbers and make competition howl until you can hear them for blocks around. It will be a wonderful gathering of the people. We want cash and we are going to give the people the benefit. We will raise the roof if it is necessary. **IT WILL BE A HOT TIME IN THE OLD TOWN NOW.**

There never was such an undertaking in this city, and we do not believe there ever will be again. Absolutely \$1.00 here will do the work of \$1.50 to \$2.00 elsewhere on many lines, and next Saturday morning, July 15th, when these doors open, you will see such a gathering of people as never appeared on the streets of this city before. **RAIN OR SHINE THE BATTLE GOES ON.** We have put our word out to the people and you know how well we have kept it. Our word to you will be our bond, and there is not one item or half a dozen in this house going to be put out for a bait, as you will find plenty trying to do, but **HUNDREDS OF ITEMS**, all at a price that never met mortal man's eyes before. From one end of this big store to the other you will find the greatest fluttering of red tickets with the price of destruction marked on them and staring you in the face, no matter which door you come in. The whole shooting match goes to the people. We want to do ten times the business of our lives, because we want cash. We expect multitudes standing in line and your share will be here for you. We have put on extra sales-people, and

no matter whether the sun shines or whether it is raining, it will pay you to gather up your gum coats, mackintoshes and umbrellas and come down and see the greatest display of merchandise, sold for the least money, that ever appeared to your eyes or any other person's eyes since you were born.

Not one item will be held in reserve. You will see signs and you will hear signs of these war-priced merchants, but they will only be signs of distress. We know it is an **IMMENSE UNDERTAKING**, and while other merchants tell you that D. B. Jarman is losing thousands of dollars in order to make this Carnival a success, that we cannot help. We are not trying to run their business, neither do we expect them to run ours. We are going out after the cold cash, and we are coming out asking you to part with it at a season of the year when all men expect to make their 50 and 100 per cent profit, but with us profit is a thing of the past. Wholesale prices and less reign throughout this entire big institution on many lines.

We Are Going to Talk Dress Goods

It matters not whether you want Henriettas, Melrose, Venetians, Serges, Silks or Satins, or anything that was ever made in the Dress Goods line, we carry nothing but fashion's latest, and they will go at prices ranging from 9c up to 98c, absolutely worth two or three times these prices elsewhere. We have been buying them direct from the men who made them, and they are going out to you at the most ruinous prices you ever saw. In fact, we believe you will be down and buy half a dozen dress patterns for yourself and girls, because such an undertaking was never attempted before in this city or surrounding country. High carnival will reign throughout the entire store. Our Cash Gathering must come and it must come fast. We will talk

Ladies' Capes and Jackets

because we are going to talk them at prices never seen or heard of before. We have one lot of Ladies' Capes and Jackets at \$2.48 absolutely worth double that in any other store in this town. Then we have another lot of Capes and Jackets for the ladies at \$3.98 that would be considered cheap in any of these war priced stores at \$6.00 to \$8.00. You will find another lot of ladies Capes and Jackets at \$4.98 that would be as good as gold dollars at \$8.00 to \$10.00 in any other store in this town, and the kind we are selling for \$5.48 and \$6.79 and up to as high as \$7.98 are absolutely worth double, and you are buying it elsewhere.

It is your dollar you have got, and it is the duty you owe yourself and family in these times or any other times to place them where they will go the farthest. Remember you should have mansions instead of building them for the other fellow, and here is the opportunity you have to commence saving in buying merchan-

dise from us during our Sacrifice, Unloading, Cash Getting Carnival.

Ladies' Petticoats

Mercerized Petticoats and Silk Petticoats. We are going to show you in plain words that you will find here an absolute saving of 50c to \$2.25 on everyone in this house to what you have been paying for them elsewhere. The ones you buy here at \$1.49 are the biggest values you ever saw in any of these war-priced stores at \$3.00 to \$4.00, and the ones you buy at \$1.98 are worth double that in any other store in this town. Then we have more kinds; the 79c, 98c and \$1.19 that are worth 50c to 75c more in gold but with us it is part with the Petticoats and get cash quick. Send word to your friends and neighbors for miles around; they will appreciate it. And now to make matters worse, **YOU CAN BUY 10 YARDS OF THE BEST CALICO FOR 10c** with every purchase of \$5.00 or over.
