The boy who herded the Shetland colts in the street parade yesterday, earned his way into the show. Carrying water for the elephant would have been an easy task compared with that. He covered more ground than old "Joe" would on a day's hunt, and then some.

There is nothing in this world too good for Charley Norris' colt Carl, known to fame as "Nibs." For this reason, and perhaps another or two, there is a mighty nice piece of workmanship in the form of a tridle at Mr. Norris' shop. It is certainly a "thing of beauty and joy forever," and anyone who is next to good harness trappings would pronounce it such.

Col. Boyd and Postmaster Githens are n g as hunters when compared to our friend Kemp, who has found game other than crow, cayuses and mules to shoot at. Saturday he had in his possession a bird—now, we didn't say how or where he got it—that Sam Spencer defines as a "water turkey." Sam may be right, but it looked to us like one of Jinks Taylor's Plymouth Rock fry.

Agency Changes.

There is to be a change of officials at the Unatilla Indian agency. This is evidently the move which the department has concluded to make as the result of the report submitted by special inspectors, who have been at the agency for some time. The present agent, McKoin, will be transferred to the Shoshone agency, and Clerk Roberts has already been placed at another agency. Who the new officers will be is not learned.

Good advice to women. If you want a beautiful complexion, clean skin, bright eyes, red lips, good health, take Hollister's Rocky Mountain Tea. There is nothing like it. 35c Tea or Tablets. Pioneer drug store.

Are You Engaged?

Engaged people should remember that, after marriage, many quarrels can be avoided, by keeping their digestions in good order with Electric Bitters. S. A. Brown, of Bennettsville, S. C., says: "For years my wife suffered intensely from dyspepsia, complicated with a torpid liver, until she lost her strength and vigor, and became a mere wreck of her former self. Then she tried Electric Bitters, which helped her entirely well. She is now strong and healthy." McBride, druggist, sells and guarantees them, at 50c a bottle.

Foley's Honey and Tar for children, safe, sure. No opiates.

Finding health is like finding money—so think those who are sick. When you have a cough, cold, sore throat, or chest irritation, better act promptly like W. C. Barber, of Sandy Level, Va.
