

VOTED PAVING ACT

MAYOR RETURNED ORDINANCE AWARDING CONTRACT.

Bitulithic Pavement is a Patented Preparation and Competition was Consequently Shut Out.

Pendleton is not the only town that is tussling with the paving question. Walla Walla is having a strenuous time with it, too. Mayor Hunt of the Garden City has set down on the war that has been waging between the rival street paving companies, by voting two ordinances.

The substance of the veto message by Mayor Hunt when he returned the ordinance referred to without his approval, which awarded the contract for paving Spokane, Fourth and Elm streets, to the Warren Construction company, with bitulithic paving, was:

"I return herewith ordinances No. 1012 and 1015 without my approval, for the reason that I believe them to be illegal. My opinion as to the illegality of said ordinances is based upon the report of Attorneys Sharpstein & Sharpstein."

The opinion of the lawyers was that the ordinances were illegal for the reason that they provided for a paving which is patented and therefore competition was shut out.

The veto of the mayor was not unexpected, says the Union. In fact it was freely predicted that the veto would be forthcoming. It is a sequel to the war which has been carried on in Walla Walla between the Warren Construction company and the Barber Asphalt company, who have been rivals for paving contracts.

It has been asserted that if the contract was not awarded to the Warren Construction company that it would not be let at all, but whether or not this prediction is correct will not be known for some time, although some of the interested property owners stated that they were weary of the fight over the contract and it is generally believed that the paving business is in such a condition that it may be indefinitely tied up as a result of the controversy.

JOHNS FOR GOVERNOR.

Baker City Man Makes Public Announcement of His Candidacy.

C. A. Johns, mayor of Baker City, who has announced himself a candidate for the nomination for governor of the state of Oregon on the republican ticket, has been a resident of Oregon since 1858. He was born in Jackson county, Missouri, June 25, 1857. One year later his parents moved to Oregon, arriving in Salem on Christmas day, 1858. He spent his early life in the valley, first living at Parish Gap, Marion county, then attending the first public school in Scio, Linn county. The family moved to Marion county when the railroad was completed to Marion, about 1871. In 1878 Mr. Johns graduated with the degree of A. B. from the Willamette University. He was admitted to the bar of the state of Oregon in 1881 and received the degree of A. M. in 1882. He then moved to Dallas, Polk county, in 1881 and was married to Miss Mabel Ellis, of Dallas, in November, 1882. He served as county judge of Polk county. In 1888 he moved to Baker City and has resided there since. He was elected mayor of Baker City in 1891 and at the last election he received the largest vote for this office of any man in the history of the city. He is now serving his fourth consecutive term as school director. At the last election he protested that he did not want to serve on the school board, but notwithstanding this statement from him he received every vote cast for that office.

During his years of residency in Oregon he has never held any political office, but has always been a republican and loyal to the republican party. In Baker City where he has worked so long and faithfully for the advancement of the city and Eastern Oregon, he has legions of staunch friends in both political parties.

He makes a very brief announcement of his candidacy for governor and says that his platform will be a good republican administration for the state of Oregon.

THE STORK BRINGS JOY

To the household but how about the mother? Has she been joyful during the weeks and

months preceding the advent? *Two many mothers find it a time of fearful anxiety because of the knowledge that they are "not in good health."*

They have allowed weaknesses, pains and drains to accumulate till the health is completely undermined and they are "more than discouraged," and all because they have been misadvised by well-meaning friends or mal-treated by an inefficient doctor. To all such here is the news that there is a remedy that will heal and not hurt. It was discovered forty years ago by Dr. Pierce who searched Nature's laboratory—the earth, for the remedial agents so liberally provided therein. He took Lady's Slipper root, Black Cohosh root, Unicorn root, Blue Cohosh root, Golden Seal root, and by extracting, combining and preserving, without the use of alcohol, the glyceric extracts of these natural remedies he has given to the world Dr. PIERCE'S FAVORITE PRESCRIPTION, which has to its credit the enviable and unparalleled record of more than a half-million of cures in the last forty years.

"Only those who have given Dr. Pierce's Favorite Prescription a trial can appreciate what a boon it is to suffering women," writes Miss Vinna Seamore, of 23 Elm St., Toronto, Ont. "For two years I suffered intensely from female weakness until life was a burden to me. I had distressing, bearing-down pains so I could scarcely stand up. Had hot flashes, was very despondent, weak and utterly wretched. My physician gave me treatments but without success. I tried several remedies but obtained no relief until I began to take Dr. Pierce's Favorite Prescription. I began immediately to improve, and in four months' time I was as well and strong as ever."

PNEUMONIA follows a cold, but never follows the use of FOLEY'S HONEY AND TAR

It stops the cough and heals the lungs and prevents a cold from settling on your lungs and resulting in Pneumonia, Pleurisy, or Consumption. You are in no danger of serious results if FOLEY'S HONEY AND TAR is taken, as it soothes and heals the inflamed air passages and the cough disappears.

Be sure and get FOLEY'S HONEY AND TAR, as preparations containing opiates stop the cough temporarily by paralyzing the nerves in the throat and leave the germs of serious lung trouble and you get one cold on another because the first one was not cured perfectly.

Saved Her Life From Pneumonia.
"My wife had a severe attack of pneumonia which followed a severe attack of La Grippe and I believe that FOLEY'S HONEY AND TAR saved her life," writes James Coffee, of Raymond, Missouri.

Cured When Very Low With Pneumonia.
J. W. Bryan, of Lowder, Ill., writes: "My little boy was very low with Pneumonia. Unknown to the doctor we gave him FOLEY'S HONEY AND TAR. The result was magical and puzzled the doctor, as it immediately stopped the racking cough and he quickly recovered."
