CAMPAIGN NOT OVER

HEARST ALLEGES FRAUD AND WILL FIGHT TAMMANY

Pattison Elected Governor of Ohio and the State Legislature Will Probably Be Democratic

A New York dispatch says a bitter fight to be waged in the courts to decide whether George B. McClellan or Wm. B. Hearst will be mayor of New York, is now assured. Complete returns give McClellan 3,485 votes plurality, the smallest ever recorded for a successful mayoralty candidate, and a result which might be easily reversed by a recount of the ballots. Hearst has announced his intention to take an immediate appeal to the supreme court, his managers declaring that they have secured evidence of illegal acts against 1,000 inspectors at the election, and that 30,000 men who went to the polls to vote for Hearst had found their names already voted. Most of this fraudulent voting is said to have been done in the east side assembly districts, especially in the eighteenth. Lender Murphy's home district, and in the sixth, of which T. D. Sullivan is leader.

Hearst's proposed action is met with strong approval in many quarters even among those opposed to his election, and received many assurances of support. District Attorney Jerome expressed himself in strong terms of approval of Hearst's program, and declared that he will immediately institute a searching investigation of the alleged democratic frauds. He also ordered the returns from the eighteenth and sixth districts to be carefully guarded.

Election returns received show that the democrats have carried the mayoralty campaign in New York City, the state ticket in Pennsylvania, the state ticket in Virginia and the city ticket in Louisville, while the republicans made a clean sweep in Massachusetts and in Chicago and Cook county, and have carried their ticket in New Jersey, Rhode Island, Nebraska and Maryland.

In New York Hearst has a plurality in the Borough of Brooklyn of almost 16,000, with 14 election districts missing. The returns indicate McClellan's re-election by several thousand plu-

ality. Hearst has charged fraud in the voting. Bird S. Coler was elected Borough president of Brooklyn on the municipal ownership ticket. The New York election shows that municipal ownership will be a considerable factor in the city's politics.

The suffrage amendment in Maryland was defeated overwhelmingly. Massachusetts elected a republican governor by a majority approximating that of Douglas, the present democratic governor. Following is a summary of the returns:

New York—Mayor, George B. McClellan, democrat, re-elected by small plurality; William Travers Jerome, Independent, district attorney, re-elected; Bird S. Coler, municipal ownership, elected Borough president of Brooklyn.

Ohio—That John M. Pattison was elected governor by a plurality of 40,000 is settled, as also is the fact that there is a democratic working majority in both houses of the legislature, but there is still some uncertainty about the remainder of the state ticket. Chairman Garber, of the democratic committee, figures that the pluralities of Pattison aggregate close to 55,000, in which event the entire democratic ticket is safe. Chairman Dick conceded the election of Pattison by 25,000, but later reports at headquarters indicate that a larger figure is correct.

Maryland—The constitutional amendment, whose purpose was to disfranchise negro voters, was defeated. Republicans elected the state comptroller and city officials.

Massachusetts—The republicans elected Curtis Guild, Jr., republican, governor by 29,435 plurality, and E. S. Draper, republican, lieutenant governor by 3942.

Chicago—Republicans made a clean sweep in Chicago and Cook county. Robert B. McCormick, republican, elected president of the board of sanitary trustees.

Rhode Island—Clean republican sweep.

Pennsylvania—Philadelphia overwhelmingly carried by the city party (reform ticket). Berry, democrat, elected state treasurer by upward of 75,000 plurality.

Virginia—The democratic plurality is about 20,000, and Swanson is elected governor. Negroes generally remained away from the polls. The next legislature on joint ballot will have 23 republicans instead of 16 as at present.

Salt Lake City—The American party, anti-mormon, defeated the Mormon democratic and republican candidates for mayor.

Louisville Ky.—Democrats elected a mayor and legislature remains prac-

tically unchanged with a good working democratic majority.

New Jersey—Republican gains in legislature sufficient to preclude any democratic success to United States Senator Dryden. Reformers elect Everett Colby, independent republican, to state senator in Essex county.

Nebraska—Republicans elected state supreme judge.

San Francisco—Union Labor candidate for mayor probably elected by 15,000 majority.

Indianapolis—Republican mayor elected.
