(Advance.)

The school reporter says this week
the following names were added to the
roll: Myrtle and Florence Simpson,
Mamie Smith and Harry Swisher.

C. D. Watrus, who has been looking
over the Idaho country for the past
two weeks, returned home Sunday for
the day. He is not located anywhere
yet.

Mrs. Mary Price and Frank Lieu-
allen are spending this week at their
farms on Birch creek south of Pendle-
ton, looking after the planting of
their fall crop.

Mr. and Mrs. E. H. Swisher returned
from the Cambridge, Idaho, country
Tuesday and will spend the winter in
this vicinity as they want their child-
ren to have advantage of the public
school at this place.

Don't forget that a mass meeting is
called for tonight at the city hall for
the purpose of nominating a ticket for
the coming city election. Everybody
interested in getting office or in hav-
ing some friend put in office had bet-
ter be present.

Athena is now in the field with a
football team and expects to hang
their wigwag full of the scalps of the
teams from the northwest. They may
do it, for all remember how success-
ful they were in the line of baseball.
When they begin they "play ball" at
least.

Charles Stevens, formerly a resident
of Adams, is visiting friends in the
city again for a short time. For
several years he has been in the em-
ploy of the Portland Street Ry. Co.,
but he became wearied of that work
and is now on his way to Wyoming,
where his parents reside, and where
he will probably locate.

Mrs. Annie Kidwell, of Walla
Walla, came down Saturday evening
to assist in caring for her mother,
Mrs. T. C. Ried, who was taken sud-

denly ill, and as there was some fear
of an attack of typhoid, Mrs. Kid-
well had her removed to Walla Walla
where she now is. She was some
better at the last account.

"I Thank the Lord!"

cried Hannah Plant, of Little Rock,
Ark., "for the relief I got from Buck-
len's Arnica Salve. It cured my
fearful running sores, which nothing
else would heal, and from which I had
suffered five years." It is a marvel-
ous healer for cuts, burns and bruises.

The Indian never liked work but he
wanted his squaw to get well as soon as
possible so that she could do the work
and let him hunt, therefore
he dug yucca root for her, for
that was their great remedy for
female weaknesses.

Dr. Pierce uses
the same root-
called Blue Co-
hosh—in his "Fa-
vorite Prescription" skillfully
combined with
other agents
that make it
more effective
and protect the
stomach from
functional disturbance.

Dr. Pierce's Favorite Prescription
is not nor ever was a "patent medicine,"
but it is the carefully wrought out and
thoroughly tested real prescription of a
real physician in a real practice.

Dr. Pierce's unparalleled success with
this remedy was such that more wanted
to use it than any one doctor could attend
to in a private practice. This induced
him to manufacture it on a sufficiently
liberal scale to meet the demand.

By his own special processes, he ex-
tracts, combines and preserves the medi-
cinal qualities of the several ingredients
without the use of alcohol (using chemi-
cally pure glycerine instead), thus ren-
dering it absolutely safe for any woman
of any age and in any condition to use
freely. The names of the ingredients are:
Lady's Slipper root, Black Cohosh root,
Umbellifer root, Blue Cohosh root and
Golden Seal root.

Miss May Rohrbach, No. 73 Amsterdam
Avenue, New York City, Treasurer of the
Woman's Progressive Union, writes:

"I had headache, backache, and was very
nervous; scarcely able to sleep more than
two hours at a time. I was advised to try
Dr. Pierce's Favorite Prescription, and was
delighted with the result. Within a week I
was sleeping splendidly. Continued using
the 'Favorite Prescription' for eight weeks,
and then stopped, for I was perfectly well.
Ever since then your medicine has been my
'Favorite Prescription.' too. I recommend
it to every one."

Constipation although a little ill, be-
gets big ones if neglected. Dr. Pierce's
Elegant Peppermint Cure constipation.
