GROCERY DEPARTMENT

OWING to the destruction of San Francisco, and the loss in consequence of immense stocks of California products; such as Dried Fruits, Canned Fruits and Vegetables, Beans etc, a general advance in prices may be expected, but fortunately we anticipated our wants to a large extent, early in the season, and as we now have the goods on hand, we shall give our customers the benefit of our early buying, and while others that are buying in small quantities in a "hand to mouth" way will be obliged to advance their prices, we will still be able to sell at low or lower prices than those prevailing previous to the great disaster.

FEMALE WEAKNESS

542 1-2 Congress St. PORTLAND, MAINE, Oct. 17, 1902.

I consider Wine of Cardui superior to any doctor's medicine I ever used and I know whereof I speak. I suffered for nine months with suppressed menstruation which completely prostrated me. Pains would shoot through my back and sides and I would have blinding headaches. My limbs would swell up and I would feel so weak I could not stand up. I naturally felt discouraged for I seemed to be beyond the help of physicians, but Wine of Cardui came as a God-send to me. I felt a change for the better within a week. After nineteen days treatment I menstruated without suffering the agonies I usually did and soon became regular and without pain. Wine of Cardui is simply wonderful and I wish that all suffering women knew of its good qualities.

Wilhelmina Sauer
 Treasurer, Portland Economic League

Periodical headaches tell of female weakness. Wine of Cardui cures permanently nineteen out of every twenty cases of irregular menses, bearing down pains or any female weakness. If you are discouraged and doctors have failed, that is the best reason in the world you should try Wine of Cardui now. Remember that headaches mean female weakness. Secure a \$1.00 bottle of Wine of Cardui today.
