GRAND JURY IN SESSION.

Circuit Court Convened Monday—Docket Is Light.

The June term of the circuit court for Umatilla county was convened by Judge Ellis Monday. The first business of the court was the drawing of a grand jury, at the request of the district attorney. This jury, upon whom will fall the duty of examining all alleged breaches of the law in this county during the past few months is composed of the following citizens of the county:

Dave Horn—foreman, A. B. McCarthy, Ed Greezes, J. A. Badley, Tom J. Tweedy, William Potts, Manuel Friedly.

The session of the court will be a short one, for although the jail is now filled with prisoners, most of them are serving sentences, while some have pleaded guilty and are simply awaiting sentence.

It is rumored that one of the chief duties of the grand jury will be to investigate charges against a number of saloon men. It is alleged that some having been selling liquor to minors, while others have been charged with various similar offenses.
