Dr. Sharp was called to attend the infant son of Mr. and Mrs. Charles Wilkes, yesterday, and found that the little one had sustained a fracture of the thigh bone, from a fall. Owing to the extreme plumpness of the little limb the doctor found it difficult to reduce the fracture, but hopes for no trouble in the healing of the bone.

Homer Watts has arrived home and will spend his vacation in the barvest field. "Ish" shows the effects of the hard, grinding study at Harvard, and his eyesight has failed to some extent. Seven months will finish his course in the famous law department at Harvard.

The first peach shipment of the sea-son was made Monday by the Milton packing houses, says the Eagle. It is estimated that there will be about onefourth of a peach crop. The cherry season is at its height and the crop is moving rapidly. Black Republicans, Bings, and late Dukes are the principal varieties and bring from \$1.50 to \$2.00 per crate.

'Twas a motley, dust bedraggled looking crowd that filled the coaches of last evening's Pendleton-Spokane train. The train came to the station in a cloud of stifling dust. It is the intention of the O. R. N. Co., to put oil on the readbed, and the work would have been completed by this time had it not been for the strike of the sailors on the freight vessels at San Francis-
