Harder brothers' steam threshing outfit is the object of considerable interest among threshermen and wheatraisers of this vicinity. The owners of this machine have a new fangled contraption of their own manufacture that saves a great deal of labor to man and horse. The grain is transferred from the nets to the cylinder of the separator by a contrivance operated by steam power, entirely doing away with derriek team and hoedown men.

A certain individual, whose name it is unnecessary to mention, was peremptorily and bodily fired from the premises of a well known and highly respectable rancher, west of town, Sunday, while the said individual was trespassing, with the object of hunting. It is said that in the portion of the field where the hunter was summarily ejected, there was not "cover" sufficient for a snowbird to secrete itself, but a herd of cattle was browsing near by. It is supposed here that the farmer did not propose to take any chances on having his stock perforated with bird shot.

The Summer season.
