

A Great Array of New Fashion Ideas Awaits Your Approval. In this Mammoth Stock is all that is Proper for Fall Wear.

Here's an enticing display of the new season's goods—so big and bright and brisk that you'll think we're wonder workers—when you come. But it was no magic wand that provoked this splendid array. Only unceasing watchfulness, eternal vigilance, and untiring toil in your behalf. It is our business to be forehanded—freehanded—freehanded. So many months ago, we were up and doing—haunting the market places—invading fashion centers—studying the style changes—examining, criticizing, comparing and separating the real wheat from the chaff. Now they are here—all the latest creations and newest conceits—everything a woman needs in Dress Goods, Coats, Fancy Goods, Corsets, Underwear for women and children; Hosiery, Shoes and Millinery. Then there is clothing here for men and boys—Hats, Underwear and Shoes.

We have a charming selection of Lace Curtains, Blankets, etc. etc
We can promise you prices much lower than you expect. It is our business to see to that, too. The Feast of Fashion is Spread; it merely awaits your coming.
