

THE PIONEER PICNIC HE HAS NO CHANCE

Annual Reunion at Weston of Umatilla County Pioneers, May 28, 29 and 30.

A meeting of the Oregon Pioneers' Association of Umatilla County was held Saturday, and arrangements were made for the Thirteenth Annual Reunion which occurs at Weston on Thursday, Friday and Saturday, May 28-29-30, 1908, says the Leader.

The following committee chairmen were appointed by S. A. Barnes, president of the association:
 Program—Dr. F. D. Hasbrouck.
 Finance—B. B. Hall.
 Grounds—J. M. Ashworth.
 Printing—Clark Wood.
 Decoration—R. G. Saling.
 Sports—D. F. Lavender.
 Badges—C. B. Williamson.
 Speakers—M. A. Baker.
 Music—J. H. Price.
 Reception—R. M. Powers.
 Transportation—G. W. Probstel.
 Concessions—Sim J. Culley.

Each chairman is authorized to appoint his own assistant committeemen. It is expected and desired that these appointments be made in time to report the names at the first committee meeting next Monday afternoon at three o'clock, when arrangements for the reunion will be more fully discussed. No matter what division of sentiment may occur as to other affairs, Weston is invariably a unit for the success of these annual reunions, and it is this harmonious and willing spirit which has made them so enjoyable in the past. It may confidently be expected that the forthcoming event will afford plenty of amusement, pleasure and entertainment for all who come.

A special effort will be made to entertain the old pioneers themselves—who are fast passing away. J. M. O'Hara, an early settler and leading farmer of the Weston neighborhood, is secretary of the association, and will see that a personal invitation is extended to every member on his roll.

Saturday, May 30, is "political day," and will mark the closing of the campaign in Umatilla county. While it is evident that the republican nominees will have little or no opposition, they are expected to come anyway, to see and be seen. The people should be given a chance to get acquainted with their public servants, and with no fear of defeat before them the candidates need not seek for votes but will be free to enjoy themselves thoroughly. A candidate who is sure of his job ought to be a very light-hearted and companionable person.

Perjury for Pason.

W. L. E. Pason, mention of whom was made in the Press last week, has become tangled up in the other end of the Albany liquor cases, and is to be arrested on the charge of perjury. The charge under which perjury is alleged, is that he swore falsely when he swore that the picture of L. William Mason, convict No. 8464 at the Wisconsin penitentiary was not of him. Pason has been discharged from the employ of the Hartman detective agency at Portland.

Parris-Bryan.

Mr. Wesley Parris and Miss Olive Bryan were married Wednesday at the home of the bride's parents north of town, Mr. and Mrs. J. G. Bryan. The ceremony was performed by Rev. Norris, of the Free Methodist church, in the presence of immediate friends of the contracting parties. Both young people are well and favorably known in this city. The groom is the eldest son of Mr. and Mrs. S. S. Parris.

Weston Market Day.

Market Day was inaugurated Saturday afternoon by a goodly assemblage of people. While not an astonishing success the business transacted argued well for the stability of the enterprise. The Commercial Association is enthusiastic over the scheme and it is believed that a regular market day will prove ultimately to be of benefit to the community.

Bryan Will Beat Taft Because Money Power Will Support Him, Says Watterson.

Bryan and Taft will be the rival nominees for president of the United States and the issue will hang in doubt. Eventually, the money interests will come to the support of Bryan in the hope of administering a rebuff to Roosevelt.

These are prophecies of Colonel Henry Watterson, editor of the Louisville Courier Journal, in a remarkable interview given out by him. "Who will be the Democratic nominee?" was asked. "William Jennings Bryan," came the quick reply. "Who will be the Republican nominee?" "Secretary of War William H. Taft," was the equally firm reply. "Who will be elected?" "Anything is possible with Almighty God," was the reply.

"If hard times continue, Bryan will be the next president. No party can stand against hard times. Secretary Taft is one of the best men in the country, but that issue is always predominant in American politics." "What about the great capitalistic interests? Who will they favor?" "In my opinion the great capitalistic interests in the end will be for William J. Bryan."

"Why so?" "Because, if Taft is elected, he will stand charged with carrying out Theodore Roosevelt's politics and the Republican senate will be reduced to obedience to him. "The corporations then," he continued, "will have nothing to hope for, but if Colonel Bryan is successful, his election will be a rebuke to Roosevelt and all the president stands for—that is to say, it will be a vindication of conservative Republicanism. The Republican party will then reorganize in the senate and Bryan will be helpless. In my judgment, the whole money interests will eventually support Mr. Bryan as a 'choice of evils.'"

PATIENTS COMING FROM AFAR

A Good Sanitarium Needed to Care For Out of Town Patients.

Our local osteopathic physicians have quite a reputation outside of Athena, as well as at home. During the winter several patients from Walla Walla came to Athena for treatment. Another that was injured on the interurban came to be examined and arranged for treatment. Another came from near Kahltop, Wash., and several have written concerning accommodations and treatment. At present Miss Eva Nye is here for treatment. Miss Nye is the daughter of G. W. Nye & Co. of Garfield, Wash. Miss Nye while on a trip east fell and injured her spine.

These patients have not come for a distance of over one hundred miles because they cannot get osteopathic treatment at home or nearer than Athena, but Dr. Heisley has been exceptionally successful in the four years of practice and has treated almost every disease and lost only one patient and that one case was not his, but he was assisting another physician.

Rangers' Exam.

Applications for permits to take the rangers' examination April 3 and 4 in the civil service department are being received in the office of Forest Supervisor J. M. Schmitz at Walla Walla. Several have already made applications and a number more have signified their intention of doing so before the entries are closed.

Fouly Dealt With.

District Attorney Phelps is making a thorough investigation of the mysterious disappearance of John Stanberg, who lived on Weston mountain

until last spring. It was the general belief of the neighbors at the time that Stanberg had wandered away in the mountains while in a fit of dementia and had perished. Recently, however, there has been a growing belief that the missing Finn was the victim of foul play, and the district attorney has been induced to make an investigation.

Married in Arizona.

Miss Myrtle Grace Wall, daughter of Mr. and Mrs. W. K. Wall of this city, was united in marriage on the 12th inst. to Mr. John Harrison, at Phoenix, Arizona. The bride is well known in Athena. For a time she was employed as saleslady by the Mogrovo Mercantile company.

Stamper-Howe.

Miss Ora Howe and John W. Stamper, both residents of Umatilla county living near Weston, were quietly married in the parlors of the State hotel at Walla Walla at 9:30 o'clock Sunday morning, the Rev. A. L. Thoroughman of the Marvin Methodist church performing the ceremony.

A Square Deal

When you buy Dr. Pierce's Family Medical Discovery all the ingredients entered into them are printed on the labels and their formulas are attached under oath as being complete and correct. You know just what you are paying for and that the ingredients are gathered from Nature's laboratory, being selected from the most valuable native medicinal roots found growing in our American forests and white potent to cure are perfectly harmless. Not a drop of alcohol enters into their composition. A much better agent is used both for extracting and preserving the medicinal principles used in them, viz., pure tripropylated glycerine. This agent possesses intrinsic medicinal properties of its own, being a most valuable antiseptic and antiferment, nutritive and soothing demulcent.

Glycerine plays an important part in the cure of indigestion, dyspepsia and weak stomach, attended by sour risings, heart-burn, foul breath, coated tongue, poor appetite, gnawing feeling in stomach, biliousness and kindred derangements of the stomach, liver and bowels. Besides curing all the above distressing ailments, the "Golden Medical Discovery" is a specific for all diseases of the mucous membranes, as catarrh, whether of the nasal passages or of the stomach, bowels or pelvic organs. Even in its ulcerative stages it will yield to this sovereign remedy if its use be persevered in. In Chronic Catarrh of the Nasal passages, it is well, while taking the "Golden Medical Discovery" for the necessary constitutional treatment, to cleanse the passages freely two or three times a day with Dr. Sage's Catarrh Remedy. This thorough course of treatment generally cures the worst cases.

In coughs and hoarseness caused by bronchial, throat and lung affections, except consumption in its advanced stages, the "Golden Medical Discovery" is a most efficient remedy, especially in those obstinate, hang-on coughs caused by irritation and congestion of the bronchial mucous membranes. The "Discovery" is not so good for acute coughs arising from sudden colds, nor must it be expected to cure consumption in its advanced stages—no medicine will do that—but for all the obstinate chronic coughs, which, if neglected, or badly treated, lead up to consumption, it is the best medicine that can be taken.

For Coughs and Colds

Nearly all other Cough Cures are constipating, especially those containing opiates. Kennedy's Laxative Cough Syrup moves the bowels. Contains no opiates.

Kennedy's Laxative Cough Syrup

"A Cold or a Cough nearly always produces constipation—the water all runs to the eyes, nose and throat instead of passing out of the system through the liver and kidneys. For want of moisture the bowels become dry and hard."

Kennedy's Laxative Cough Syrup relieves Colds by working them out of the system through a copious action of the bowels.
